### **Small Corner Of Hell Dispatches From Chechnya:**

*A Small Corner of Hell* Anna Politkovskaya, 2007-04-15 Chechnya a 6 000 square mile corner of the northern Caucasus has struggled under Russian domination for centuries The region declared its independence in 1991 leading to a brutal war Russian withdrawal and subsequent governance by bandits and warlords A series of apartment building attacks in Moscow in 1999 allegedly orchestrated by a rebel faction reignited the war which continues to rage today Russia has gone to great lengths to keep journalists from reporting on the conflict consequently few people outside the region understand its scale and the atrocities described by eyewitnesses as comparable to those discovered in Bosnia committed there Anna Politkovskaya a correspondent for the liberal Moscow newspaper Novaya gazeta was the only journalist to have constant access to the region Her international stature and reputation for honesty among the Chechens allowed her to continue to report to the world the brutal tactics of Russia s leaders used to quell the uprisings *A Small Corner of Hell Dispatches from Chechnya* is her second book on this bloody and prolonged war More than a collection of articles and columns *A Small Corner of Hell* offers a rare insider s view of life in Chechnya over the past years Centered on stories of those caught literally in the crossfire of the conflict her book recounts the horrors of living in the midst of the war examines how the war has affected Russian society and takes a hard look at how people on both sides are profiting from it from the guards who accept bribes from Chechens out after curfew to the United Nations Politkovskaya s unflinching honesty and her courage in speaking truth to power combine here to produce a powerful account of what is acknowledged as one of the most dangerous and least understood conflicts on the planet Anna Politkovskaya was assassinated in Moscow on October 7 2006 The murder of the journalist Anna Politkovskaya leaves a terrible silence in Russia and an information void about a dark realm that we need to know more about No one else reported as she did on the Russian north Caucasus and the abuse of human rights there Her reports made for difficult reading and Politkovskaya only got where she did by being one of life s difficult people Thomas de Waal Guardian

**Terror in Chechnya** Emma Gilligan, 2009-11-09 A riveting history of Russia s crimes in Chechnya *Terror in Chechnya* is the definitive account of Russian war crimes in Chechnya Emma Gilligan provides a comprehensive history of the second Chechen conflict of 1999 to 2005 revealing one of the most appalling human rights catastrophes of the modern era one that has yet to be fully acknowledged by the international community Drawing upon eyewitness testimony and interviews with refugees and key political and humanitarian figures Gilligan tells for the first time the full story of the Russian military s systematic use of torture disappearances executions and other punitive tactics against the Chechen population In *Terror in Chechnya* Gilligan challenges Russian claims that civilian casualties in Chechnya were an unavoidable consequence of civil war She argues that racism and nationalism were substantial factors in Russia s second war against the Chechens and the resulting refugee crisis She does not ignore the war crimes committed by Chechen separatists and pro Moscow forces Gilligan traces the radicalization of Chechen fighters and sheds light on the Dubrovka and Beslan hostage crises

demonstrating how they undermined the separatist movement and in turn contributed to racial hatred against Chechens in Moscow A haunting testament of modern day crimes against humanity Terror in Chechnya also looks at the international response to the conflict focusing on Europe's humanitarian and human rights efforts inside Chechnya

**The Use of Force and Article 2 of the ECHR in Light of European Conflicts** Hannah Russell, 2017-11-16 Article 2 of the European Convention on Human Rights ECHR in its current form is incomplete and outdated Due to significant development at a legislative and judicial level the right to life spans beyond what is enumerated within Article 2 With the belief that Article 2 is still relevant this book investigates how the right to life can be better protected within Europe It advocates for the modernisation of Article 2 through codifying legislative and judicial developments relevant to this provision in the form of guidelines It also considers the improvements that can be made by the Council of Europe CoE bodies the European Court of Human Rights ECtHR the Committee of Ministers CoM the Parliamentary Assembly of the Council of Europe PACE and the CoE Commissioner for Human Rights to encourage adherence to Article 2 and promote effective remedies to prevent future violations It uses the experience from four internal European conflicts the Basque conflict the Chechen conflict the Northern Ireland Troubles and the Turkish Kurdish conflict to illustrate its points

**A History of the Soviet Union From the Beginning to Its Legacy** Peter Kenez, 2016-10-27 This updated third edition examines political social and cultural developments in the Soviet Union as well as the post Soviet period

*A Constellation of Vital Phenomena* Anthony Marra, 2013-05-07 A haunting novel set in a nearly abandoned hospital in war torn Chechnya that is both intimate and ambitious in scope Eight year old Havva Akhmed the neighbour who rescues her after her father's disappearance and Sonia the doctor who shelters her over 5 dramatic days in December 2004 must all reach back into their pasts to unravel the intricate mystery of coincidence betrayal and forgiveness which unexpectedly binds them and decides their fate In his bold debut Anthony Marra proves that sometimes fiction can tell us the truth of the world far better and far more powerfully than any news story You will not forget the world he creates *A Constellation of Vital Phenomena* and its characters will haunt you long after you turn the final page

**Righting Wrongs** Robin Kirk, 2022-06-14 Many young people aren't aware that determined individuals created the rights we now take for granted The idea of human rights is relatively recent coming out of a post World War II effort to draw nations together and prevent or lessen suffering *Righting Wrongs* introduces children to the true stories of 20 real people who invented and fought for these ideas Without them many of the rights we take for granted would not exist These heroes have promoted women's disabled and civil rights action on climate change and the rights of refugees These advocates are American Sierra Leonean Norwegian and Argentinian Eleven are women Two identified as queer Twelve are people of color One campaigned for rights as a disabled person Two identify as Indigenous Two are Muslim and two are Hindu and others range from atheist to devout Christian There are two journalists one general three lawyers one Episcopal priest one torture victim and one Holocaust survivor Their stories of hope and hard work show

how people working together can change the world for the better      *Kremlin Rising* Peter Baker, Susan Glasser, 2005-06-07

In the tradition of Hedrick Smith's *The Russians* Robert G. Kaiser's *Russia: The People and the Power* and David Remnick's *Lenin's Tomb* comes an eloquent and eye-opening chronicle of Vladimir Putin's Russia from this generation's leading Moscow correspondents. With the 1991 collapse of the Soviet Union, Russia launched itself on a fitful transition to Western-style democracy. But a decade later, Boris Yeltsin's handpicked successor, Vladimir Putin, a childhood hooligan turned KGB officer who rose from nowhere, determined to restore the order of the Soviet past, resolved to bring an end to the revolution. *Kremlin Rising* goes behind the scenes of contemporary Russia to reveal the culmination of Project Putin: the secret plot to reconsolidate power in the Kremlin. During their four years as Moscow bureau chiefs for *The Washington Post*, Peter Baker and Susan Glasser witnessed firsthand the methodical campaign to reverse the post-Soviet revolution and transform Russia back into an authoritarian state. Their gripping narrative moves from the unlikely rise of Putin through the key moments of his tenure that re-centralized power into his hands: from his decision to take over Russia's only independent television network to the Moscow theater siege of 2002 to the managed democracy elections of 2003 and 2004 to the horrific slaughter of Beslan's schoolchildren in 2004, recounting a four-year period that has changed the direction of modern Russia. But the authors also go beyond the politics to draw a moving and vivid portrait of the Russian people they encountered: both those who have prospered and those barely surviving, and show how the political flux has shaped individual lives. Opening a window to a country on the brink, where behind the gleaming new shopping malls, all things Soviet are chic again, and even high school students wonder if Lenin was right after all, *Kremlin Rising* features the personal stories of Russians at all levels of society, including frightened army deserters, an imprisoned oil billionaire, Chechen villagers, a trendy Moscow restaurant king, a reluctant underwear salesman, and anguished AIDS patients in Siberia. With shrewd reporting and unprecedented access to Putin's insiders, *Kremlin Rising* offers both unsettling new revelations about Russia's leader and a compelling inside look at life in the land that he is building. As the first major book on Russia in years, it is an extraordinary contribution to our understanding of the country and promises to shape the debate about Russia's uncertain future and its relationship with the United States.

**Democracy and Counterterrorism** Robert J. Art, Louise Richardson, 2007. A comparative study of the policies, strategies, and instruments employed by various democratic governments in the fight against terrorism.

*Gender, Nationalism, and War* Matthew Evangelista, 2011-02-24. Virginia Woolf famously wrote as a woman, "I have no country," suggesting that women had little stake in defending countries where they are considered second-class citizens and should instead be forces for peace. Yet women have been perpetrators as well as victims of violence in nationalist conflicts. This unique book generates insights into the role of gender in nationalist violence by examining feature films from a range of conflict zones. In *The Battle of Algiers*, female bombers destroy civilians while men dress in women's clothes to prevent the French army from capturing and torturing them. *Prisoner of the Mountains* shows a Chechen girl falling in love with her

Russian captive as his mother tries to rescue him Providing historical and political context to these and other films Matthew Evangelista identifies the key role that economic decline plays in threatening masculine identity and provoking the misogynistic violence that often accompanies nationalist wars

**The Conceit of Humanitarian Intervention** Rajan Menon, 2016 The Conceit of Humanitarian Intervention rejects on political legal ethical and strategic grounds the widespread claim that military force can be used effectively and on the basis of a universal consensus to stop mass atrocities As such it is an against the current treatment of an important practice in world politics

*Politicizing Islam in Central Asia* Kathleen Collins, 2023 A sweeping history of Islamism in Central Asia from the Russian Revolution to the present through Soviet era archival documents oral histories and a trove of interviews and focus groups Few observers anticipated a surge of Islamism in Central Asia after seventy years of forced communist atheism Muslims do not inevitably support Islamism a modern political ideology of Islam Yet Islamism became the dominant form of political opposition in post Soviet Uzbekistan and Tajikistan In *Politicizing Islam in Central Asia* Kathleen Collins explores the causes dynamics and variation in Islamist movements first within the USSR and then in the post Soviet states of Tajikistan Uzbekistan and Kyrgyzstan Drawing upon extensive ethnographic and historical research on Islamist mobilization she explains the strategies and relative success of each Central Asian Islamist movement Collins argues that in each case state repression of Islam by Soviet and post Soviet regimes together with the diffusion of religious ideologies motivated Islamist mobilization Sweeping in scope this book traces the dynamics of Central Asian Islamist movements from the Soviet era through the Tajik civil war the Afghan jihad against the US and the foreign fighter movement joining the Syrian jihad

*Putin's Wars* Marcel H. Van Herpen, 2015-07-01 This fully updated book offers the first systematic analysis of Putin s three wars placing the Second Chechen War the war with Georgia of 2008 and the war with Ukraine of 2014 2015 in their broader historical context Drawing on extensive original Russian sources Marcel H Van Herpen analyzes in detail how Putin s wars were prepared and conducted and why they led to allegations of war crimes and genocide He shows how the conflicts functioned to consolidate and legitimate Putin s regime and explores how they were connected to a fourth hidden internal war waged by the Kremlin against the opposition The author convincingly argues that the Kremlin relying on the secret services the Orthodox Church the Kremlin youth Nashi and the rehabilitated Cossacks is preparing for an imperial revival most recently in the form of a Eurasian Union An essential book for understanding the dynamics of Putin s regime this study digs deep into the Kremlin s secret long term strategies Readable and clearly argued it makes a compelling case that Putin s regime emulates an established Russian paradigm in which empire building and despotic rule are mutually reinforcing As the first comprehensive exploration of the historical antecedents and political continuity of the Kremlin s contemporary policies Van Herpen s work will make a valuable contribution to the literature on post Soviet Russia and his arguments will stimulate a fascinating and vigorous debate

**Fearless Female Journalists** Joy Crysdale, 2010-04-01 Women who ve changed the world by reporting on it Ten

inspirational biographies of women who risked everything including their lives to bring us the world's stories. Whether reporting from the front lines or the anchor desk, they pushed the boundaries of print, radio, TV, and internet journalism. By reading about their lives, we learn the history of modern journalism. From abolitionist Mary Ann Shadd and stunt reporter Nellie Bly to feminist Doris Anderson and pioneering photojournalist Margaret Bourke White. On to TV legends Barbara Frum and Katie Couric, the first woman to be the solo anchor of a US network news desk, and sports reporter Pam Oliver. Learn about murdered Russian war correspondent Anna Politkovskaya, courageous Afghan journalist Farida Nekzad, and South African Thembi Ngubane, who recorded her own fight against AIDS. Their personal stories will inspire you as much as their intrepid journalism.

**Political Developments in Contemporary Russia** Ian Jeffries, 2011-03-07. This book provides a comprehensive overview of political developments in Russia since late 2000, following on from where the author's previous publication *The New Russia* left off. It covers all aspects of politics, including the following: the highly centralized nature of power in Russia; central government and presidential elections; regional government and developments in the republics, including unrest in Chechnya and the other Caucasian republics; and human rights. Taking a chronological approach, it shows how politics overall has changed over the period, including how the relationship between Prime Minister (formerly President) Vladimir Putin and President Dmitri Medvedev has worked out. The book continues and adds to the overview of developments in the author's *The New Russia 2002* and is the companion volume to *Economic Developments in Contemporary Russia 2011*, both published by Routledge.

**The Territories of the Russian Federation 2018** Europa Publications, 2018-02-15. This excellent reference source brings together hard-to-find information on the constituent units of the Russian Federation. The introduction examines the Russian Federation as a whole, followed by a chronology, demographic and economic statistics, and a review of the Federal Government. The second section comprises territorial surveys, each of which includes a current map. This edition includes surveys covering the annexed and disputed territories of Crimea and Sevastopol, as well as updated surveys of each of the other 83 federal subjects. The third section comprises a select bibliography of books. The fourth section features a series of indexes listing the territories alphabetically by Federal Okrug and Economic Area. Users will also find a gazetteer of selected alternative and historic names, a list of the territories abolished, created, or reconstituted in the post-Soviet period, and an index of more than 100 principal cities, detailing the territory in which each is located.

**The Territories of the Russian Federation 2017** Europa Publications, 2017-03-16. This excellent reference source brings together hard-to-find information on the constituent units of the Russian Federation. The introduction examines the Russian Federation as a whole, followed by a chronology, demographic and economic statistics, and a review of the Federal Government.
