Small Changes:

The Power of Small Changes Dr. Paul R. Fleischman, 2024-09-23 What do modern disciplines like biology psychology and the study of culture contribute to the understanding and practice of a classical meditation like Vipassana Following the encouragement given to him by the Vipassana teacher S N Goenka to explain this ancient tradition to contemporary audiences Dr Paul R Fleischman unites science and spirituality technical language and poetry logic and intuition in a manner that is as virtuosic as it is understandable The Power of Small Changes is a collection of decades of public talks and university lectures that speak to readers who have no previous knowledge of Vipassana as well as to experienced practitioners using down to earth explanations reinforced by academic knowledge and rigor While many of the chapters in this book have previously been shared online in various formats the present collection features newly revised and expanded content focusing on practical issues like how to maintain daily meditation practice coming to grips with the monkey mind understanding the evolutionary biology that meditation utilizes appreciating the role of teachers community and tradition and preserving its nonsectarianism The importance of a spiritual rather than a financial basis for Vipassana as well as the historical role of the Buddha are also clarified A uniquely valuable chapter discusses the safety of Vipassana explaining its contributions and limitations

Small Changes Alicia Witt, 2021-10-05 Ditch the labels and embrace positive healthy practices for eating exercising and living an authentic life your way You don't have to overhaul your whole life to be healthier and happier every small change can make a big difference Deciding to improve your health your consciousness and the world can seem so overwhelming that you don't know where to begin When you head down one path you might face criticism for not doing it right or not following the rules Sometimes all you need to do is make a few small changes to chart your course to a healthier life that's authentically you Author and actor Alicia Witt isn't here to dole out lists of dos and don'ts but she is here to show how adopting the small changes philosophy allows you to find balance eat healthier and feel better physically and emotionally She also invites you into her adventurous life both on and off the set in stories infused with candor and humor In *Small Changes* Alicia helps you learn how to Incorporate more plant based foods into your daily meals 38 easy recipes included Make lifestyle changes to better care for your body community and environment Care for your mind spirit and soul Engage in a short simple exercise routine to keep yourself strong and fit Regardless of what you want to improve *Small Changes* will help you find your way and teach you how small changes can usher in larger changes and transform your life
