Crum, A. S. Dungan, 1911 **Southern Legacy** H.G. Manning, 2011-08-16 Southern Legacy provides the reader with a look at the common man who fought in the Confederate army for four long years. The book explores some of the reasons at least from the viewpoint of the southern soldier. The author also liberally sprinkles family anecdotes about actual wartime occurrences at the southern home front **Witz (American Literature Series)** Joshua Cohen, 2010-05-11 One of the great comic epics of our time, the Last Jewish Novel about the Last Jew in the World. On Christmas Eve 1999 all the Jews in the world die in a strange millennial plague with the exception of the firstborn males who are soon adopted by a cabal of powerful people in the American government. By the following Passover however only one is still alive: Benjamin Israelien, a kindly innocent ignorant man-child. As he finds himself transformed into an international superstar, Jewishness becomes all the rage, matzo ball soup is in every bowl, sidelocks are hip, and the only truly Jewish Jew left is increasingly stigmatized for not being religious. Since his very existence exposes the illegitimacy of the newly converted Israelien, he becomes the object of a worldwide hunt. Meanwhile in the not too distant future of our own real world another last Jew, the last living Holocaust survivor, sits alone in a snowbound Manhattan providing a final melancholy witness to his experiences in the form of the punch lines to half-remembered jokes *The Uncivilized Races, Or, Natural History of Man* John George Wood, 1870
