

The background of the cover is a photograph. It shows a person from the chest up, wearing a dark-colored hoodie with the hood pulled over their head. They are sitting on what appears to be a sandy beach, looking down and slightly to the side. In the background, there are waves breaking on the shore under a bright sky. The overall color palette is muted, with blues, greys, and a hint of purple.

Femininity Played Straight Biddy Martin,2012-10-12 In *Femininity Played Straight* Biddy Martin traces the changing relations of lesbianism and feminist theory from the late 1970s to the present These sparkling essays argue for accounts of sexuality gender and subjectivity that make lesbianism intelligible and important for lesbians and non lesbians alike Moving between theoretical and autobiographical modes Biddy Martin brings different kinds of writing to bear upon one another At a theoretical level her work takes issue with postmodern theory defending instead the role of psychoanalytic criticism She argues for the continued validity of critical modes that do not abandon the unconscious in seeking to understand the relation of subjectivity to language In so doing she addresses the work of writers thinkers and activists as varied as Mary Daly Michel Foucault Adrienne Rich Gayle Rubin Minnie Bruce Pratt Sigmund Freud Eve Kosofsky Sedgwick Audre Lorde Judith Butler and Joan Copjec *The True Story of Alice B. Toklas* Anna Linzie,2006-04 In this original and intriguing study Anna Linzie examines three mid twentieth century texts never before treated as interrelated in a book length work of literary criticism Gertrude Stein s *The Autobiography of Alice B Toklas* 1933 and Alice B Toklas s *The Alice B Toklas Cook Book* 1954 and *What Is Remembered* 1963 Taking these three texts as intertexts or as an assemblage of the true story of Alice B Toklas Linzie challenges assumptions about primary authorship and singular identity that have continued to limit lesbian and feminist rereadings of autobiography as a genre and of Stein and Toklas as writers and historical figures *The True Story of Alice B Toklas* explores how the concept of autobiography as a primarily referential genre is challenged and transformed in relation to autobiographical texts written about the same person the same life but differently by different writers at different points in time The concept of one true story is deconstructed in the process as Linzie modifies Homi K Bhabha s almost the same but not quite not white for the purposes of this particular study as almost the same but not quite not straight The investigation moves simultaneously on the planes of textuality and sexuality in order to provisionally articulate a lesbian autobiographical subject in Linzie s reading of these three texts Linzie s study fills a gap in literary criticism where Stein s companion and her work have been more or less neglected conceptualizing the Stein Toklas sexual textual relationship as fundamentally reciprocal *The True Story of Alice B Toklas* provides a new critical perspective on Toklas as indispensable to Stein s literary production a cultural laborer in her own right and a writer of her own books Making a significant contribution to recent lesbian feminist reconceptualizations of the genre of autobiography this study will fascinate Stein and Toklas scholars as well as those interested in queer and autobiography studies *Tulsa Studies in Women's Literature* ,2003
