Family, Community, and Higher Education Toby S. Jenkins, 2013-01-17 This book explores social topics and experiences that illustrate the various ways in which the family unit influences and impacts college students In the text the authors not only explore family memories but also challenge the traditional lack of inclusion and appreciation for family as knowledge producers and educational allies This book spotlights the family unit as a critical factor within the educational experience one that prepares supports and sustains educational achievement through both everyday simple lessons and critical and difficult family challenges Through these experiences families teach the lessons of survival that often help students to persist in college **The Parent's Guide to Storytelling** Margaret Read MacDonald, 2001 A quick and easy guide to storytelling for parents and grandparents Includes nineteen easy to tell stories and lists of story sources to help find more

Family Storytelling Jody Koenig Kellas, 2013-09-13 Stories and storytelling are one of the primary ways that families

and family members make sense of both everyday and difficult events create a sense of individual and group identity remember connect generations and establish guidelines for family behavior With so many important functions storytelling is a significant but still understudied communicative process for the family Family Storytelling focuses on the ways in which stories are told in and about family in order to provide insight into the processes functions and consequences of family storytelling This collection of empirical articles illuminates various ways in which family storytelling affects and reflects the negotiation of individual and relational identity in the family teaches important family lessons and helps members make sense of and cope with difficulty Each of these functions is explored through both scientific and interpretive investigations thus showcasing the contributions that research on family storytelling from different paradigms make to our understanding of the family This book was originally published as a special issue of the Journal of Family Communication

Suddenly They Heard Footsteps Dan Yashinsky, 2010-06-04 Canada's best known storyteller Dan Yashinsky lives his life as teller and listener and shows how storytelling can and does create vital connections between individuals communities and families In an age of instant messaging entertainment systems and digital interaction why is it that more and more people are being drawn to the art of oral storytelling As Dan Yashinsky one of Canada's most well known and beloved storytellers shows an old tradition has become the new avant garde Storytelling is still very much alive in this digital age it connects us to each other to our communities and to our past In fact people are as hungry as they've ever been for the wisdom and solace of told stories But they are also looking for stories that will speak to our post modern fractured apocalyptic age Suddenly They Heard Footsteps is part memoir part instruction part cultural history and includes tales that Dan has told to wide acclaim By turns humorous inspiring instructive and philosophical Dan shows us that like love stories mean the most the very moment we give them away

The Impact of the Family John Witte, Michael Welker, Stephen Pickard, 2022-07-28 The family is humanity's oldest and most basic social institution but today it is fragile fractured and fraught in many liberal lands This volume gathers scholars from sociology psychology history religion ethics law and medicine from five continents to analyze the complex nature and place of the family in character formation and human flourishing The chapters study the impact of catechesis schooling work and discipline on the development of individual moral agency and responsibility They document the critical roles of family love trust fidelity and storytelling in shaping the moral character of all family members from infancy to old age They describe effective strategies of resistance and resilience for family members who face abuse divorce death chauvinism racism and homophobia And several chapters challenge modern arguments and policies that aim to flatten if not abolish the marital family even while they call for family law reforms

Family Stories and the Life Course Michael W. Pratt, Barbara H. Fiese, 2004-04-26 This edited book draws from work that focuses on the act of telling family stories as well as their content and structure The process of telling family stories is linked to central aspects of development including language acquisition affect regulation and family interaction patterns This book extends across traditional developmental

psychology personality theory and family studies Drawing broadly on the epigenetic framework for individual development articulated by Erik Erikson as well as on conceptions of the family life cycle the editors bring together contemporary examples of psychological research on family stories and their implications for development and change at different points in the life course The book is divided into sections that focus on family stories at different points in the life cycle from early childhood and the beginnings of narrative skill through adolescence young adulthood midlife and then mature adulthood and its intergenerational meaning During each of these periods of the life cycle research focusing on individual development within an Eriksonian framework of ego strengths and virtues is highlighted The dynamic role of family stories is also featured here with work exploring the links between family process intergenerational attachment and storytelling Sociocultural theories that emphasize how such development is situated in the wider cultural context are also featured in several chapters This broad lifespan developmental focus serves to integrate the exciting diversity of this work and foster further questions and research in the emerging field of family narrative The book is intended primarily for researchers and advanced level students in the fields of developmental and personality psychology as well as those in family studies and in gerontology It may also be of interest to those in the helping professions who are concerned with family therapy and family issues and may due to its content and illustrative material have appeal to a wider market of the lay public The chapters are written in a readily accessible style and the analyses are presented in a fairly non technical way Because family stories are charted across the lifespan it would be a suitable companion book to a more traditional lifespan textbook in certain courses

Creating a Family Storytelling Tradition Robin Moore, 1999 Creating a Family Storytelling Tradition focuses on telling stories at home with the family Moore guides the reader through a series of voyages that help assemble a storyteller's tool kit from inner memory imagination and visualization and outer voice gesture and movement tools

Ghostwise Dan Yashinsky, 1997 Collects supernatural stories from different cultures by such authors as Rita Cox Sheldon Oberman Tony Montague and Jim Meeks

Telling Stories the Kiowa Way Gus Palmer, 2003-04 Among the Kiowa storytelling takes place under familiar circumstances A small group of relatives and close friends gather Tales are informative as well as entertaining Joking and teasing are key components Group participation is expected And outsiders are seldom involved This book explores the traditional art of storytelling still practiced by Kiowas today as Gus Palmer shares conversations held with storytellers Combining narrative personal experience and ethnography in an original and artful way Palmer an anthropologist raised in a traditional Kiowa family shows not only that storytelling remains an integral part of Kiowa culture but also that narratives embedded in everyday conversation are the means by which Kiowa cultural beliefs and values are maintained Palmer's study features contemporary oral storytelling and other discourses assembled over two and a half years of fieldwork that demonstrate how Kiowa storytellers practice their art Focusing on stories and their meaning within a narrative and ethnographic context he draws on a range of material including dream stories stories about the coming of T in the spirit of

the Sun Dance to the Kiowas and stories of tricksters and tribal heroes He shows how storytellers employ the narrative devices of actively participating in oral narratives leaving stories wide open or telling stories within stories And he demonstrates how stories can reflect a wide range of sensibilities from magical realism to gossip Firmly rooted in current linguistic anthropological thought *Telling Stories the Kiowa Way* is a work of analysis and interpretation that helps us understand story within its larger cultural contexts It combines the author's unique literary talent with his people's equally unique perspective on anthropological questions in a text that can be enjoyed on multiple levels by scholars and general readers alike
