This beautiful little book was privately distributed for 25 years and is available to the public for the first time. A traditional divination system that uses symbols from a number of folk and alchemical traditions and has been in use in the U.S. for over half a century. Simple, profound, powerful and intimate. Ever since I read your article about this system in the Crystal Well back in about 1975 I have made and been using your Runestones and I have great success with them. I have taught classes in the making and reading of the Runestones according to your method. Don Wildgrube Church of All Worlds. **The Book of Runes** Francis Melville, 2016-09-29 Both an alphabet and tools of divination and magic. Norse runes are beautiful and iconic. Learn their meanings and how to use their magic. *Yom Kippur as Manifest in an Approaching Dorsal Fin* Adam Byrn Tritt, 2013-09 Whatever the Jewish experience might mean to the modern reader, Adam Byrn Tritt's approach is uniquely his own. He is observant in the sense that he carefully observes as you would expect of a man who is at essence a poet. As a self-described Jewitarian Buddhiversalist, he is aware that each tradition illuminates the other. This collection of essays and poems provides us with good talk. Conversation is the highest artform and Mr. Tritt invites us in most kindly with insight, erudition, humor and compassion. Wayne McNeill, author of *Songbook for Haunted Boys and Girls*. *Yom Kippur as Manifest in an Approaching Dorsal Fin* explores in essays, poems and creative nonfiction the tension between cultural heritage and contemporary society, between religion and spirituality, between the family you inherit and the family you create. From early morning wrestlings with God to portraits of three remarkably different family funerals, from Kabbalist chants at a pagan bookstore to the humorous *What Do Jews Do on Christmas*, Tritt's writing taps into themes nearly universal in today's world in ways that will resonate with readers of all backgrounds and faiths, or no faith at all. **Runes in Ten Minutes** Richard T. Kaser, 2010-10-12 Runic divination is a method that is more than 2,000 years old, yet rune stone sets are available today in New Age stores. The Practical Guide To Using Ancient Runes For Modern Divination Dayanara Blue Star, 2015-02-15 Runes are an ancient method of divination that still remain popular and useful today Many people find them intriguing because of their unique history and specific means of divination Unlike fortune telling runes are used to delve into a person's subconscious and explore their true desires They can be a wonderful aid in meditational practice gaining self awareness or just getting some more perspective on various situations in your life To people unfamiliar with divination tools it may seem like some kind of spooky magic trick witchcraft or even something demonic None of those descriptions are accurate and actually runes encourage a person to explore their own mind and gain self introspection Initially part of an ancient Germanic alphabet Runes have existed for hundreds of years Versions of runes have been found in many different cultures all across the world with stones created in a multitude of alphabets and designs Simply put runes are an old relic that has survived the test of time and is still proven useful today The stones are a simple oracle which one can use to stimulate the thinking process When the stones are cast they aren't always entirely specific meaning it is up to you to consider what they are telling you and how it relates to what you were asking This often opens that pathway for critical thinking solving problems and reducing stress
