Reading, Writing, and Queer Survival Caleb Pendencyraft, 2025-06-10 What happens to reading and writing when place emotion and materiality are just as important as the ability to write or to engage with a text Grounded in the field of literacy studies Reading Writing and Queer Survival examines the significance of inanimate and other posthuman elements to LGBTQ Appalachians establishing queer storytelling as a transformative methodology for thinking about multifaceted Appalachian identities and spaces Readers are asked to consider narrative and literacy as forces in the world changing flowing emerging from place alive in their own way While focusing on people and their experiences in the region the book

also illustrates the complex literacy practices that LGBTQ Appalachians take part in to make meaning and build connections. The resulting analysis challenges our understanding of agency, queerness, and human-centric definitions of literacy. By including the stories of queer Appalachians, both the interview participants and his own, Caleb Pendygraft has written an essential theoretical framework. *Reading, Writing, and Queer Survival* is a call to imagine a new future in which literacy is animate and dynamic.

She loved the quiet rodeo cowboy once, and she never quite managed to stop, even when he left for bigger and better things. Now they've both returned home, and neither can resist picking up where they left off. But what if claiming one home means losing the other? Brad wants it all from Meg: love, marriage, babies, a lifetime of memories at his ranch in Stone Creek. Only she's as stubborn as any of her McKettrick ancestors. She refuses to give up her name or the ranch; it's the McKettrick way. And so begins a battle of wills. Brad intends to win the O'Ballivan way.
