## **Temple In The House Finding The Sacred In Everyday Architecture:**

**The Temple in the House** Anthony Lawlor, 1994 Illustrated with more than 175 photos and renderings this book shows how the spaces we inhabit from our public streets to our homes can transform us An award winning architect identifies the fundamental design forms that have evoked a spiritual response throughout time and relates these patterns to the elemental patterns of human awareness Each chapter offers exercises and practical suggestions

**An Ethnography of the Goodman Building** Niccolo Caldararo, 2019-04-25 An Ethnography of the Goodman Building vividly incorporates a wide variety of methods to tell the story of class struggle in a building neighborhood and city that is replicated globally I read it as a number of boxes inside each other opened in the course of reading Caldararo recounts the building s personal biography to convey not only the facts about but the feelings about the flesh and blood of the building and its surrounding neighborhood Jerome Krase Brooklyn College of The City University of New York USA This unique contribution to the field of urban and regional studies counteracts current trends in the ethnographies of urban movements by offering with great hindsight an analysis from a physical space and from first hand experience The focal point is one building and the author is a former tenant This perspective is appealing especially in an era of global connections where macro social movements are on the front line of urban life and research Nathalie Boucher Director and Researcher Respire and Affiliated Professor Assistant Department of Sociology and Anthropology Concordia University Canada Through in depth analysis and narrative investigation of an actual building occupation Niccolo Caldararo seeks to not only offer an historical account of the Goodman Building in San Francisco but also focus on the active resistance tactics of its residents from the 1960s to the 1980s Taking as its focal point the building itself the volume weaves in and out of every life involved and the struggles that surround it San Francisco s urban renewal ethnic clearing gentrification and municipal governance at a time of booming urban growth Caldararo a tenant at the center of its strikes and activities provides a unique perspective that counteracts current trends in ethnographies of urban movements by grounding its analysis in physical and tangible space

**American Sanctuary** Louis P. Nelson, 2006 This volume examines a diverse set of spaces and buildings seen through the lens of popular practice and belief to shed light on the complexities of sacred space in America Contributors explore how dedication sermons document shifting understandings of the meetinghouse in early 19th century Connecticut the changes in evangelical church architecture during the same century and what that tells us about evangelical religious life the impact of contemporary issues on Catholic church architecture the impact of globalization on the construction of traditional sacred spaces the urban practice of Jewish space nature worship and Central Park in New York the mezuzah and domestic sacred space and finally the spiritual aspects of African American yard art

**The Domestic Space Reader** Kathy Mezei, Chiara Briganti, 2012-01-01 Tune in to HGTV visit your local bookstore s magazine section or flip to the Homes section of your weekend newspaper and it becomes clear domestic spaces play an immense role in our cultural consciousness The Domestic Space Reader addresses our collective

fascination with houses and homes by providing the first comprehensive survey of the concept across time cultures and disciplines This pioneering anthology which is ideal for students and general readers features writing by key scholars thinkers and writers including Gaston Bachelard Mary Douglas Le Corbusier Homi Bhabha Henri Lefebvre Mrs Beeton Ma Thanegi Diana Fuss Beatriz Colomina and Edith Wharton Among the many engaging topics explored are the impact of domestic technologies on family life the relationship between religion and the home nomadic peoples and housing domestic spaces in art and literature and the history of the bedroom the kitchen and the bathroom The Domestic Space Reader demonstrates how discussions of domestic spaces can help us better understand our inner lives and challenge our perceptions of life in particular times and places

**God's House is Our House** Richard S. Vosko, 2006 The liturgical reforms that have guided congregations over the last few decades have transformed what different denominations know about themselves and their worship Worshipers are no longer spectators but active participants in the ritual acts that once were the possession of the clergy As the liturgy is modified church buildings are altered How does all such change affect the architectural style of church buildings Vosko provides a foundation for building or renovating a place of worship and presents a thorough checklist for spaces art furnishings and appointments He discusses many concerns and offers practical advice He also presents issues that need further consideration in every project **BOOK JACKET**

*Sacred Space, Sacred Sound* Susan Elizabeth Hale, 2013-11-01 Visionary singer Susan Hale believes that early peoples deliberately built their structures to enhance natural vibrations She takes us around the globe from Stonehenge and New Grange to Gothic cathedrals and Tibetan stupas in New Mexico to explore the acoustics of sacred places But she says you don't have to go to the Taj Mahal The sacred is all around us and we are all sound chambers resonating with the One Song

**Path, Portal, Path** Christopher V. Stroik, 1999 An architect and theologian argues that procession is the essential ritual element for which we need to shape our church architecture This is a theological challenge as well to enable the assembly to make the journey from font to table to world

**Cultivating Sacred Space** Elizabeth Murray, 1997 Linda Greenlaw hadn't been blue water fishing for ten years since the great events chronicled in *The Perfect Storm* and *The Hungry Ocean* when an old friend offered her the captaincy on his boat *Seahawk* for a season of swordfishing She took the bait of course and thus opened a new chapter in a life that had already seen enough adventure for three lifetimes The *Seahawk* turns out to be the rustiest of buckets with sprung busted and ancient equipment guaranteed to fail at any critical moment Life is never dull out on the Grand Banks and no one is better at capturing the flavor and details of the wild ride that is swordfishing from the technical complexities of longline fishing and the nuances of reading the weather and waves to the sheer beauty of the open water The trip is full of surprises a bit harder and saltier than I had hoped for but none more unexpected than when the boat's lines inadvertently drift across the Canadian border and she lands in jail Seaworthy is about nature human and other about learning what you can control and what you do when fate takes matters out of your control It's about how a middle aged woman who sets a high bar for

herself copes with challenge and change and frustration about the struggle to succeed or fail on your own terms and above all about learning how to find your true self when you're caught between land and sea

**The Green Imperative: Ecology and Ethics in Design and Architecture** Victor Papanek, 2022-02-01 A fresh edition of the sustainable design pioneer Victor Papanek's classic and ever-relevant book examining the important role of design in combating climate change. Whether it's horror at the plastic littering the world's beaches or despair at the melting polar ice caps, the world is gradually waking up to the impending climate disaster. In *The Green Imperative*, Papanek argues for design that addresses these issues head-on. This means using materials that can be recycled and reused, no more pointless packaging, thinking about how products make us feel and engage all our senses, putting nature at the heart of design, working at a smaller scale, rejecting aesthetics for their own sake, and thinking before we buy. First published at the end of the twentieth century, this book offered a plethora of honest advice, clear examples, and withering critiques, laying out the flaws of and opportunities for the design world at that time. A quarter of a century on, Papanek's lucid prose has lost none of its verve, and the problems he highlights have only become more urgent, giving today's reader both a fascinating historical perspective on the issues at hand and a blueprint for how they might be solved.

*The Living Church*, 1994-07      *The Wounded Body* Dennis Patrick Slattery, 2000-01-01 Explores the wounded body in literature from Homer to Toni Morrison, examining how it functions archetypally as both a cultural metaphor and a poetic image.

*The Directory on Popular Piety and the Liturgy* Peter C. Phan, 2005-2006 Catholic Press Association Award Winner After suffering an eclipse during the post-Vatican II liturgical reform, popular piety has regained its vital role in the spiritual life of Catholics. In response to its re-emergence, the Congregation for Divine Worship and the Discipline of the Sacraments issued the *Directory on Popular Piety and the Liturgy* on December 17, 2001. The Directory was written for bishops and their collaborators as a pastoral guide addressing the relationship between liturgy and popular piety. *Directory on Popular Piety and the Liturgy: Principles and Guidelines: A Commentary* by Peter C. Phan provides a chapter-by-chapter commentary on the Directory, summarizing its contents, highlighting its strengths and weaknesses, and offering suggestions on how devotional practices can be implemented in the United States. For liturgists, religious educators, and students, pastoral leaders, and other interested Christians, this volume is helpful toward promoting a vigorous and authentic devotional life in the community while respecting the preeminence of liturgical worship. The Commentary begins with a preface by Peter C. Phan and an introduction by James Empereur, entitled *Popular Piety and the Liturgy: Principles and Guidelines*. Chapters in Part One, *Emerging Trends*, include *History*, *Magisterium*, *Theology*, *Liturgy*, and *Popular Piety in a Historical Perspective* by Mark R. Francis; *Liturgy and Popular Piety in the Church's Magisterium* by Peter Fink; and *Theological Principles for an Evaluation and Renewal of Popular Piety* by Nathan Mitchell. Chapters in Part Two, *Guidelines for the Harmonization of Popular Piety with the Liturgy*, include *The Liturgical Year and Popular Piety* by Keith F. Pecklers; *Veneration of the Holy Mother of God* by Joyce Ann Zimmerman; *Veneration of the Saints and Beati* by Rail Gomez; and *Suffrage*.

for the Dead by Peter C Phan Shrines and Pilgrimages by Ana Maria Pineda Concludes with a bibliography that presents the most significant recent writings on popular piety and liturgy by Robert Brancatelli Peter C Phan PhD is the Ignacio Ellacuria Professor of Catholic Social Thought at Georgetown University Building for Life Stephen R.
