A Collection of Theological Tracts Richard Watson, 1791 *The Bookseller*, 1923 God of No Fixed Address Jean-Claude Verrecchia, 2015-01-12 Where does God live This is not an idle question Does God dwell there near us or away from us Does he live in one place or is he willing to relocate Is it possible to visit his house and in this case what are the entrance requirements Does he live in a closed place totally forbidden for any human visit Answering these questions is the subject of God of No Fixed Address The tone used is very accessible and sometimes even disturbing Misconceptions about the Jewish sanctuary the Jerusalem temple and the sacrificial system of the Old Testament will be flattened down and swept when necessary They will triumph the amazing divine will which takes man off balance which refuses any confinement which tears the sails and demolishes the stones to pitch his tent in every heart and in every community of faith God of No Fixed Address is a journey for those who love discovering new territories
