Temples of Convenience and Chambers of Delight Lucinda Lambton,1997      **Holy Sh\*t** Melissa Mohr,2013-05-30 A humorous trenchant and fascinating examination of how Western culture's taboo words have evolved over the millennia

**The Septic System Owner's Manual** Lloyd Kahn,2007 Septic systems for handling sewage have to be maintained but little information is available on the subject This manual explains how they work the potential problems that owners often encounter and how to repair them when they go awry      *The City and the Senses* Dr Alexander Cowan,Dr Jill

Steward,2013-06-28 How do we experience a city in terms of the senses What are the inter relations between human experience and behaviour in urban space This volume examines these questions in the context of European urban culture between the fifteenth and twentieth centuries exploring the institutions and ideologies relating to the range of sensual experience and its interpretation Spanning pre industrial and modern cities in Britain France Germany and the United States it enables the reader to establish major contrasts and continuities in what is still an evolving urban experience Divided into sections corresponding to the five senses noise vision taste touch and smell each sections allows for comparisons which act as reminders that the experience of the city was a multi sensual one and that these experiences were as much intellectual as physical in their nature      *The Last Taboo* Maggie Black,Ben Fawcett,2010-09-23 Except in schoolboy jokes the subject of

human waste is rarely aired We talk about water related diseases when most are sanitation related in short we don't mention the shit A century and a half ago a long hot summer reduced the Thames flowing past the UK Houses of Parliament to a Great Stink thereby inducing MPs to legislate sanitary reform Today another sanitary reformation is needed one that manages to spread cheaper and simpler systems to people everywhere In the byways of the developing world much is quietly happening on the excretory frontier In 2008 the International Year of Sanitation the authors bring this awkward subject to a wider audience than the world of international filth usually commands They seek the elimination of the Great Distaste so that people without political clout or economic muscle can claim their right to a dignified and hygienic place to go Published with

UNICEF      **Clay** Suzanne Staubach,2013-09-03 More than a third of the houses in the world are made of clay Clay vessels were instrumental in the invention of cooking wine and beer making and international trade Our toilets are made of clay The first spark plugs were thrown on the potter's wheel Clay has played a vital role in the health and beauty fields Indeed this humble material was key to many advances in civilization including the development of agriculture and the invention of baking architecture religion and even the space program In Clay Suzanne Staubach takes a lively look at the startling history of the mud beneath our feet Told with verve and erudition this story will ensure you won't see the world around you in quite the same way after reading the book      *Designing Inclusive Public Toilets* Jo-Anne Bichard,Gail Ramster,2025-05-29 It has never been more important for inclusive design research to inform society Based on 20 years of research and incorporating perspectives from over 500 participants this book provides a critical overview of public toilet design in the UK and presents

an urgent need to re evaluate the accessibility of and culture around these essential spaces Public toilets are a vital element of public health infrastructure and an area of the built environment that everyone would use if they could Drawing from a rich body of research into toilet design public services accessibility and social injustice Jo Anne Bichard and Gail Ramster explore the complexities around using these facilities and examine a diverse array of design considerations related to age disability neurodiversity and gender The authors look at the development of toilet design in the UK discussing examples of successful and failed designs and present an innovative approach for the future that reframes a space associated with unpleasantness and inaccessibility as one that is essential and respected This rigorous study takes into consideration the body s needs and decision making on leaving home issues of navigating locating and entering facilities and issues related to cubicles fixtures products and hygiene The authors present an inclusive design approach that can help designers planners and managers create these spaces more effectively and understand what every prospective user might need with a sense of safety comfort and dignity

**Bathroom** Barbara Penner,2013-11-15 Most of us take modern bathrooms for granted they are an essential part of our homes but we ignore the complex network of pipes pumps and treatment plants that make up indoor plumbing s infrastructure Telling the story of one of the world s greatest feats of engineering and mass production Bathroom follows the room s evolution and the lifestyle it enables Considering how and why the bathroom emerged Barbara Penner describes how it became an international symbol of key modern values such as cleanliness order and progress She explores how colonialism the media fashion world expositions and tourism led to the bathroom being exported across the globe and explains the tensions this process has caused While Penner investigates bidets high tech toilets cast iron bathtubs and walk in showers she also ponders the low tech sustainable alternatives available to us Filled with illustrations Bathroom is an amusing and eye opening cultural history of one of our most used but overlooked rooms

**Little Vast Rooms of Undoing** Dara Blumenthal,2014-08-28 Public toilets are places where individual identity is put to the test through experiences of fear anxiety shame and embarrassment yet also places where we shore up confirm and check the status of our gendered identities In these highly gendered and sex segregated places people of various and varied identities come together and separately conduct their business through socially contingent toileting habits and behaviors Based on empirical research with men women gender non conforming and trans individuals who have a range of sexual identities Little Vast Rooms of Undoing attempts to understand a nearly universal aspect of daily life in the contemporary West Through a meditation on socially dictated practices and their associated emotions it argues that experiences within public toilets expose the fissures of individual identity construction and understanding and opening the possibilities for a more relational and cohesive experience of the embodied self

**Bogs, Baths and Basins** David J Eveleigh,2006-11-15 Covers the early primitive sanitation devices such as cesspits and urban dung heaps From Roman times up to modern day luxury this book leads us chronologically through the story of sanitation It also describes the advances that came with the onslaught of technology

from the seventeenth to the twentieth century With first hand accounts and evidence from diaries and contemporary records David Eveleigh traces the history of inventions that have affected everyone throughout history told with a lively combination of human interest and drama

**Middle Class Culture in the Nineteenth Century** L. Young,2002-12-19 Drawing on expressive and material culture Young shows that money was not enough to make the genteel middle class It required exquisite self control and the right cultural capital to perform ritual etiquette and present oneself confidently yet modestly She argues that genteel culture was not merely derivative but a re working of aristocratic standards in the context of the middle class necessity to work Visible throughout the English speaking world in the 1780s 1830s and onward genteel culture reveals continuities often obscured by studies based entirely on national frameworks

**Bungalow Bathrooms** Jane Powell,2001 This hands on sourcebook shows how to create and restore a stylish bathroom in the Arts and Crafts spirit Full color

*The Story of Shit* Midas Dekkers,2018-01-29 A masterful writing style that is not only unique in biology but without equal in the whole of Dutch literature The Story of Shit shows Dekkers once again to be in possession of a golden pen New Scientist We are very discreet We disappear into a small room perform the task flush wash and reappear as if nothing happened Of course hygiene is necessary some faecal bacteria if re ingested can cause very serious problems and unpleasant aromas are best kept at bay But in all this hygienic discretion have we lost touch with an integral part of ourselves something as much a part of living as breathing eating and sleeping Something enriching creative and even enjoyable In The Story of Shit Dutch biologist Midas Dekkers presents a personal cultural scientific historical and environmental account of shit from the digestive process and the fascinating workings of the gut to the act of defecation and toilet etiquette With irreverent humour and a compelling narrative style Dekkers brings a refreshing entertaining and illuminating perspective to a once taboo subject Midas Dekkers is a bestselling Dutch writer and biologist His books include Physical Exercise The Way of All Flesh Dearest Pet and The Larva Nancy Forest Flier is a Dutch to English translator She was educated in the USA and now lives in the Netherlands Dekkers is a reservoir of knowledge and shit Fans of his humorous distinctly European and meandering style of prose will

enjoy The Story of Shit which includes a collection of delightful black and white illustrations Australian For those who aren't aware we are not our brain we are our gut There is always that unmistakable Midas touch his brilliant sharp style makes it hard to suppress a laugh or a smile Medisch Contact Dekkers doesn't hold back in his brimming history You learn a lot So do I recommend a book that tells how the CIA tried using transmitters disguised as tiger turds to eavesdrop on the Viet Cong Oh faeces yes New Zealand Listener It is such a wondrous thing when a scientist can explain facts in a humorous straightforward and thrilling fashion Toowoomba Chronicle A remarkable foray into every aspect of diet digestion and defecation This is a fascinating milestone work that should run out of bookshops like shit off a hot shovel GPSpeak A funny but earnest investigation part social history biology lesson and cultural study that takes Chaucerian delight in the subject Sydney Morning Herald The Story of Shit is entertaining amusing educational and revealing Sitting on the toilet will never be the same ArtsHub A fascinating very funny look at something common to us all Daily Telegraph An utterly unique bizarre and interesting take on this universal yet taboo topic Dekkers is an enthusiastic proponent of crap AU Review Intestinal fortitude required Prudes beware North South Packed with humour The Story of Shit is an enjoyable romp through culture science and history Australian Book Review

*No Place To Go* Lezlie Lowe, 2018-09-11 Adults don't talk about the business of doing our business We work on one assumption the world of public bathrooms is problem and politics free No Place To Go Answering the Call of Nature in the Urban Jungle reveals the opposite is true No Place To Go is a toilet tour from London to San Francisco to Toronto and beyond From pay potties to deserted alleyways No Place To Go is a marriage of urbanism social narrative and pop culture that shows the ways momentous and mockable public bathrooms just don't work Like for the homeless who faced with no place to go sometimes literally take to the streets Ever heard of a municipal poop map For people with invisible disabilities such as Crohn's disease who stay home rather than risk soiling themselves on public transit routes For girls who quit sports teams because they don't want to run to the edge of the pitch to pee Celebrities like Lady Gaga and Bruce Springsteen have protested bathroom bills that will stomp on the rights of transpeople And where was Hillary Clinton after she arrived back to the stage late after the first commercial break of the live televised Democratic leadership debate in December 2015 Stuck in a queue for the women's bathroom Peel back the layers on public bathrooms and it's clear many more people want for good access than have it Public bathroom access is about cities society design movement and equity The real question is Why are public toilets so crappy
