moderna e a iminência da globalização. Desta vez o design brasileiro decodifica e insere sem mais baixa estima a riqueza e a exuberância da multiculturalidade heterogeneidade e mestiagem do país na sua cultura material e na produção industrial local.

Não sabemos quem confeccionou nossas vestes produziu nossos móveis e utensílios de cozinha. No entanto, parte considerável da população exerce função de operariado para que tais produtos sejam ofertados e com distorções de design que conferem preços mais caros. Justo esse sistema de trabalho no qual as habilidades artesanais de confecção e construção são reduzidas a atividades mecanizadas com salários sofríveis. As facilidades de pegar e pagar do consumismo globalizado além de subjugar o trabalho de artífices pois estes não têm como competir com a produção industrializada têm resultado em poluição devastadora do meio ambiente. Preciso propor modos de produção e consumo mais humanizados e sustentáveis aliados aos processos de fabricar que não explorem a vida de homens e mulheres. O cenógrafo Helio Eichbauer e a arquiteta Lina Bo Bardi conjuntamente no campo da arte e da educação ao se reunirem para construir uma oficina de artes deixaram um legado estratégico a respeito da aliança entre teatro e cultura universidades e comunidades populares. Justamente os estudos a respeito desse legado proporcionaram o desenvolvimento do projeto ateli escola um projeto educacional que tem o objetivo de colaborar com os trabalhadores e trabalhadoras artífices no ramo da confecção do vestuário para fortalecimento desses artesãos amplia o da consciência crítica a respeito da tica nas relações profissionais e cooperação com formas de produção sustentáveis que evitem a degradação do meio ambiente. As habilidades de modelar cortar e costurar são atividades fundamentais para a sociedade humana porque necessitamos vestir nossos corpos por questões de proteção mas também cultura. Tal atividade que criativa desde o processo da fabricação até o ato de se vestir constrói identidades culturais que não devem ser empalidecidas. Preciso reconhecer e valorizar profissionais tanto no setor de confecção das vestes para o cotidiano quanto profissionais que colaboram com figurinistas para o teatro cinema e televisão. Eis os objetivos do ateli escola cooperar com o aprimoramento e a consciência crítica dos trabalhadores e trabalhadoras no ramo
