Temptation Of Jack Orkney Other Storie:

the temptation of jack orkney and other stories doris lessing,1972 *African Stories* Doris Lessing,2014-06-24 This is Doris Lessing s Africa where she lived for twenty five years and where so much of her interest and concern still resides Here in these stories Lessing explores the complexities the agonies and joys and the textures of life in Africa **Stories** Doris Lessing,2008-09-02 This wide ranging collection of the stories by the renowned Nobel Laureate spanning more than two decades of her astonishing career highlights her singular gifts for portraying the complex lives of men and women in a modern often alienating world Included are seminal stories like To Room Nineteen in which a woman reacts against the oppression of her banal marriage with dreadful results One off the Short List which traces the surprising conclusion to a seduction gone awry The Habit of Loving in which a lonely older man who takes a vivacious young wife witnesses an unexpected reversal of intimacy Here are two classic novellas as well The Temptation of Jack Orkney and The Other Woman which exemplify Lessing s grasp of the most essential human psychology Rich and various in mood and background the settings range across England and France these stories powerfully convey the uncompromising insight intelligence and vision of one of the most ardently admired writers of our time **Short Story Index: 1969-1973** ,1974 **A Reader's Companion to the Short Story in English** Erin Fallon,R.C. Feddersen,James Kurtzleben,Maurice A. Lee,Susan Rochette-Crawley,2013-10-31 Although the short story has existed in various forms for centuries it has particularly flourished during the last hundred years Reader s Companion to the Short Story in English includes alphabetically arranged entries for 50 English language short story writers from around the world Most of these writers have been active since 1960 and they reflect a wide range of experiences and perspectives in their works Each entry is written by an expert contributor and includes biography a review of existing criticism a lengthier analysis of specific works and a selected bibliography of primary and secondary sources The volume begins with a detailed introduction to the short story genre and concludes with an annotated bibliography of major works on short story theory Short Story Index ,1994 **Doris Lessing and the Forming of History** Kevin Brazil,2016-09-20 The death of Nobel Prize winning Doris Lessing sparked a range of commemorations that cemented her place as one of the major figures of twentieth and twenty first century world literature This volume views Lessing s writing as a whole and in retrospect focusing on her innovative attempts to rework literary form to engage with the challenges thrown up by the sweeping historical changes through which she lived The 12 original chapters provide new readings of Lessing s work via contexts ranging from post war youth politics and radical women s writing to European cinema analyse her experiments with genres from realism to autobiography and science fiction and draw on previously unstudied archive material The volume also explores how Lessing s writing can provide insight into some of the issues now shaping twenty first century scholarship including trauma ecocriticism the post human and world literature as they emerge as defining challenges to our own present moment in history *Atrocity and Amnesia* Robert

Boyers,1987-05-28 Working deliberately against the grain of assumptions dominant in the contemporary literary academy Boyers examines novels by G nter Grass Gabriel Garcia M rquez Milan Kundera and others arguing that it is necessary to speak of character ethics and philosophic purpose if one is to understand these works A penetrating study Atrocity and Amnesia illuminates some of the major fiction of our time and makes an important contribution to contemporary political thought *Adult Episodes in Japan* David W. Plath,1975 **Supplement, 1969-1973** Estelle A. Fidell,1974-12 An index to 11 561 stories in 805 collections **Anima and Africa** Matthew A. Fike,2017-05-23 Cover Title Copyright Dedication CONTENTS Acknowledgements A Note on the Text Introduction 1 Ernest Hemingway s Francis Macomber in God s Country 2 The Anima s Many Faces in Henry Rider Haggard s She 3 The Anima and Psychic Fragmentation in Olive Schreiner s The Story of an African Farm 4 The Reality of the Singular Anima and Unus Mundus in Laurens van der Post s A Story Like the Wind and A Far Off Place 5 We are All Sailors C G Jung s Memories Dreams Reflections and Doris Lessing s Briefing for a Descent into Hell 6 Not a Bad Man But Not Good Either The Anima and Individuation in J M Coetzee s Disgrace 7 The Eyes in the Trees are Watching The Dissociated Anima and African Agency in Barbara Kingsolver s The Poisonwood Bible 8 Mother is Not Supreme The Anima and Post Colonial Strife in Chinua Achebe s Things Fall Apart and Nadine Gordimer s July s People 9 The Anima and Shadow Dynamics in Aphra Behn s Oroonoko Works Cited Index *Intimate Relations* Liam Hudson,Bernadine Jacot,1995-01-01 Intimate Relations advances a radically new view of love and marriage Liam Hudson and Bernadine Jacot show that early psychological development leaves adults of both sexes ill equipped to understand one another s intimate needs and fears But they go on to demonstrate that these patterns of difference are also the substance of heterosexual fascination responsible for the rewards as well as the pitfalls familiar to each of us In their earlier book *The Way Men Think* the authors described those aspects of the male imagination which make men strange in the eyes of women The authors now focus on patterns of female emotional development and conclude that these too are the source of an emotional burden or disability an incubus that women carry through life and that renders their intimacies with men a source not only of gratification but of depression The authors describe in vivid detail the lives of remarkable women Vera Brittain Kate Millett Margaret Thatcher and Margaret Mead establishing the subtle nature of sex differences They also use material from the novels of Julian Barnes Doris Lessing and Marguerite Duras and from the career of the painter Walter Sickert to reveal the processes whereby turbulent emotion is transformed into manageable form Hudson and Jacot reject the discussion of passionate relationships in terms of sexuality Erotically charged intimacy they argue is an exercise of the individual s imaginative powers Consequently it is the parallel between intimacy and art which is the royal road to a better understanding of desire and of the ways in which it is expressed **The Fifth Child** Doris Lessing,2010-11-17 Doris Lessing s contemporary gothic horror story centered on the birth of a baby who seems less than human probes society s unwillingness to recognize its own brutality Harriet and David Lovatt parents of four children have created an idyll of domestic bliss in

defiance of the social trends of late 1960s England While around them crime and unrest surge the Lovatts are certain that their old fashioned contentment can protect them from the world outside until the birth of their fifth baby Gruesomely goblin like in appearance insatiably hungry abnormally strong and violent Ben has nothing innocent or infant like about him As he grows older and more terrifying Harriet finds she cannot love him David cannot bring himself to touch him and their four older children are afraid of him Understanding that he will never be accepted anywhere Harriet and David are torn between their instincts as parents and their shocked reaction to this fierce and unlovable child whose existence shatters their belief in a benign world
