years She claimed he sexually abused her including full sexual intercourse at thirteen years of age and that he continued to sexually abuse her until she reached seventeen This allegation was made in November 2005 when Fr Duane was very ill and unable to defend himself Nevertheless Bishop John Magee removed him from public ministry without a preliminary trial and later sent a votum recommendation to the Vatican to have him summarily dismissed from the priesthood claiming that the accuser had a diary and that it was a clear case of sexual abuse of a minor The diary was a scrapbook with no details of abuse The DPP found no evidence of criminal behaviour in her allegation Undaunted by this decision she and the father of the first claimant went to the CEO of NCPA with their false allegations and then began a public campaign of vilification of Fr Duane in the media resulting in the Elliot report and finally resulting in the Cloyne report costing the state four million euros causing the resignation of Bishop Magee and creating the biggest split between Church and State since the State's foundation Five more allegations arrived in as many months The twain were later joined by a new recruit from the fresh allegations and the trio bullied an archbishop a bishop priests and the Cloyne tribunal which was established to try the beleaguered priest Apart from establishing the tribunal the church stood idly by In the Shelter of the Most High contains the full documentary
