## **Ten Commandments Do They Still Count:**

A Refutation of Moral Relativism Peter Kreeft, 2009-12-04 No issue is more fateful for civilization than moral relativism History knows not one example of a successful society which repudiated moral absolutes Yet most attacks on relativism have been either pragmatic looking at its social consequences or exhorting preaching rather than proving and philosophers arguments against it have been specialized technical and scholarly In his typical unique writing style Peter Kreeft lets an attractive honest and funny relativist interview a Muslim fundamentalist absolutist so as not to stack the dice personally for absolutism In an engaging series of personal interviews every conceivable argument the sassy Black feminist reporter Libby gives against absolutism is simply and clearly refuted and none of the many arguments for moral absolutism is refuted

**Counting Religion in Britain, 1970-2020** Clive D. Field, 2021-12-09 Counting Religion in Britain 1970 2020 the fourth volume in the author's chronological history of British secularization sheds significant new light on the nature scale and timing of religious change in Britain during the past half century with particular reference to quantitative sources Adopting a key performance indicators approach twenty one facets of personal religious belonging behaving and believing are examined offering a much wider range of lenses through which the health of religion can be viewed and appraised than most contemporary scholarship Summative analysis of these indicators by means of a secularization dashboard leads to a reaffirmation of the validity of secularization in its descriptive sense as the dominant narrative and direction of travel since 1970 while acknowledging that it is an incomplete process and without endorsing all aspects of the paradigmatic expression of secularization as a by product of modernization

**Mainlining Christianity** Reverend Thomas F O'Donnell, 2006-02-23 Moderate and liberal Christians Unite Reclaim Jesus from the evangelical Christian right Imagine a faith tradition divided up into literally thousands of denominations based on such silly things as organizational structure how many bishops can you fit on the head of a needle or theological differences such as whether baptism is to be done by dunking or by sprinkling or whether or not the bread and the cup are actually transformed into the body and blood of Christ during the Lords Supper the doctrine of transubstantiation Imagine that even within a single denomination of this faith tradition those who profess to share the same faith have diametrically opposed views on the nature of God the source of salvation the nature of sin the meaning of scripture the relationship of Science and Religion of Reason and Faith of Truth Certainty and Doubt Imagine further that they cannot even agree on the nature and or message of the man upon whom their religion is founded Finally

imagine that a vocal minority of these diametrically opposed views is dominating the public airwaves while the silent majority remains hunkered down in the hallowed halls of their sanctuaries While the message of this vocal minority is embraced by a few in search of simple answers imagine that the masses of un churchd de churchd under churchd never been churchd fed up with church are turned off and are walking away in droves Unfortunately there is no need to imagine any of this It is happening right here right now in the United States of America The faith tradition is called Christianity The vocal minority that is dominating the bully pulpit of public opinion is the evangelical Christian right and the silent majority are moderate and liberal Christians everywhere Mainlining Christianity is a call to Christianitys silent majority to stand up and speak out and to join in a New Reformation Through the vehicle of 95 Theses for the 21st Century the book is divided into eight separate sections Religion Christianity and Worldviews Truth Certainty Doubt Fear Faith Physical Truths In Search of a Theory of Everything T O E Spiritual Scriptural Literal and Mythical Truths In Search of the Logos From Jesus the Man to Jesus the Christ In Search of the Logos Jesus and the Love Ethic Interfaith Interconnectedness and the Logos The Logos Intersects with the T O E God Is LOVE Within each section is a series of messages designed to offer a practical theological roadmap to just such a Reformation Moderate and Liberal Christians Unite Reclaim Jesus from the evangelical Christian right <http://www.reclaimjesus.net> The Bible for home reading, ed with comments and reflections, for the use of Jewish parents and children by C.G.
