Kimball, 2017-12 The United States Tennis Association is an in-depth look at the history of the United States Tennis Association (USTA) and how this sports organization has helped cultivate and organize tennis in the United States over the past 135 years. Starting as a group of elite white men from country clubs in the Northeast, the organization has become the largest tennis association in the world, with women in top leadership positions and an annual revenue of well over 300 million. The USTA was key in establishing the Open Era in tennis in 1968 when professionals began competing with amateurs in Grand Slam events, for expanding the game in the United States during the 1970s tennis boom, and for establishing the U.S. Open as one of the most prestigious and largest attended sports events in the world. Unique among sports governing bodies, the USTA is a mostly volunteer-run organization that, along with a paid professional staff, manages and governs tennis at the local level across the United States and owns and operates the U.S. Open. The association

participates directly in the International Tennis Federation manages U S participation in international tennis competitions Fed Cup and Davis Cup and interacts with professional tennis within the United States The story of how tennis is managed by the nation s largest cadre of volunteers in any sport is one of sports best untold stories With access to the private records of the USTA Warren F Kimball tells an engaging and rich history of how tennis has been managed and governed in the United States

Living out of Bounds Steven J. Overman, 2008-11-30 Despite some enormous differences in salary among professional athletes most aspects of their daily lives remain surprisingly constant across sports and income levels In Living out of Bounds author Steven J Overman mines a wide array of sports biographies autobiographies memoirs and diaries to construct a representative picture of the athlete's life In the course of the work a portrait emerges that transcends the individual lives lived The shared experiences of devoted training of travel and hotels and of tension within and beyond the clubhouse or gym force us to appreciate the often oppressive reality of the sporting life at the same time that the individual lives lived also provide us with a glimpse of the rewards that make sports so compelling to audiences and athletes across America
