Historical Dictionary of Tennis John Grasso, 2011-08-22 The sport of tennis has been played in one form or another for more than 800 years. It can trace its roots to games played by monks in the 12th century. Through the years the game has evolved from one in which the ball was struck with the hands to the modern game in which rackets are used to propel the ball in excess of 150 miles per hour. From the sport of the elite to the sport played by elite athletes, tennis has grown immensely in the past 135 years and it remains one of the few sporting pastimes that is played extensively by people of all ages and all nationalities. The Historical Dictionary of Tennis presents a comprehensive history of the game through a chronology, an introductory essay, a bibliography, photos, and over 500 cross-referenced dictionary entries on places, teams, terminology, and people including Arthur Ashe, Björn Borg, Don Budge, Chris Evert, Roger Federer, Billie Jean King, Rod Laver, Suzanne Lenglen, John McEnroe, Rafael Nadal, Martina Navratilova, and Bill Tilden. Appendixes of the members of the International Tennis Hall of Fame, the Major Championships of Tennis, and the Olympic games are included. This book is an excellent access point for students, researchers, and anyone wanting to know more about tennis.

Rocket Mom Carolina Fernandez, 2003 **Tennis and America, Thank You** Freddie Botur, 2013-07-08 Jack Kramer Freddie nobody wants us 1966 In 1966 when I had the Thirty-Fourth Street armory, Jack Kramer, the world famous player and promoter, approached me and asked me to put up fifteen thousand dollars in prize money for a tournament he wanted to organize early in 1967. He had eight professionals set to go, but no place to host the tournament and no prize money to offer. Freddie nobody wants us. Kramer said Madison Square Garden does not want us, White Plains does not want us. I could not believe that a great and famous player like Jack Kramer was coming to me, an unknown immigrant, to ask if I would be interested in promoting the tournament. I thought about it for a little less than a minute, knew instantly that we could accommodate nearly four thousand people in the armory, and determined that I would make it happen. A few days later I received a letter of confirmation from his manager Mr. Wills. The

players he was proposing were the most famous names in the game We just needed to come up with the prize money Since we did not have anyone who could sponsor us I put up five thousand dollars myself and asked two of my friends Lieberman vice president of a gas company and Zdenek Capek the engineer friend who helped me design the roll up mats for the armory to invest five thousand dollars each I can still name the singles draw from the top down Rod Laver Fred Stolle Dennis Ralston Butch Buchholz Pancho Gonzalez Pierre Barthes Mike Davis Andres Gimeno Pancho Segura and Cliff Drysdale No one was willing to underwrite the event **Post Report** ,1992 Series of pamphlets on countries of the world revisions issued **Tennis Mastery** David W. Smith,2004 **Authentic Tennis** Bill Lefko,Daniel Baird, Authentic Tennis uses a holistic feel based approach to tennis This Authentic approach makes the feel of the swing primary while the mechanical method tends to make body mechanics primary The mechanical method to the tennis swing emphasizes the form of the swing over the feel of the swing Feel is something that cannot be seen Each person s feel is completely unique and personal and the mechanical method does not recognize its immeasurable value For Authentic Tennis feel is its cornerstone and serves as the foundation of swing mastery Feel is an individual process that makes it un teachable through a mechanical system which separates the mind from the body However through mindfulness and awareness centered consciousness feel becomes an integrating process that allows for natural mind body Authentic Tennis was written to help the millions of coaches instructors and tennis players unlock their unlimited potential and to tap into one s natural state of learning No matter what your skill level this revolutionary approach to tennis is perfect for anyone who strives to reach their personal best on and off the court
