Tennyson The Critical Heritage:

Lord Alfred Tennyson John D. Jump, 2013-10-31 The Critical Heritage gathers together a large body of critical sources on major figures in literature Each volume presents contemporary responses to a writer's work enabling student and researcher to read the material themselves *(Lord Alfred) Tennyson* John Davies Jump, Alfred Tennyson (Lord), 1967

Tennyson John Davies Jump, 1967 *Tennyson : the critical heritage* John Davies Jump, 1967 **John Donne: The Critical Heritage** A.J. Smith, 2002-09-11 Contains writings about John Donne from 1873 to 1923 including Henry Morley Edmund Gosse W F Collier Rudyard Kipling Charles Eliot Norton Henry Augustin Beers Thomas Hardy W B Yeats Ezra Pound T S Eliot and many others Together these works present a record of how from the nineteenth century onwards critics viewed Donne and how he became part of today's literary canon **Alfred Tennyson** Laurence W. Mazzeno, 2004 The poet's reputation has weathered even the most vitriolic attempts to discredit both the man and his writings and as criticism of the late twentieth century demonstrates Tennyson's claim to pre-eminence among the Victorians is now unchallenged **Keats: the Critical Heritage** G. M. Matthews, 1971 Matthew Arnold, the Poetry: the Critical Heritage Carl Dawson, 1973

Sidney: The Critical Heritage Dr Martin Garrett, Martin Garrett, 2002-09-11 First published in 1996 Routledge is an imprint of Taylor Francis an informal company Tennyson's Philological Medievalism Sarah Weaver, 2024-12-17 Considers Tennyson's poems from the elegiac In Memoriam to the Arthurian Idylls of the King in the context of Victorian interest in philology How do words come to mean what they mean and how can we hope to use them precisely when they are constantly changing The urge to find a word's meaning through its etymology is an old and enduring one gaining new momentum in the nineteenth century as advocates of the so-called new philology argued that major revelations were to be found within the biographies of everyday expressions Developing hand in hand with a growing national interest in all things Anglo-Saxon language study simultaneously seemed to offer a pathway to the roots of English culture and to illuminate human history on a grand scale Alfred Tennyson 1809-1892 came of age in the midst of this exploding popularity of both Anglo-Saxonism and philology and he did so among men who were to be responsible for advancing both fields This study places this preeminent Victorian poet in the context of the period's preoccupation with the history of language It shows that the intellectual milieu that surrounded him encouraged him to revive archaic words and to reveal the literal metaphors lurking within his words Moreover his familiarity with past forms of English enabled him to arrange the connotations of his vocabulary for precise effect Surveying his techniques at every scale from individual vowels to narratives this book argues that Tennyson held a more optimistic view of language than scholars have generally supposed and shows the sophistication of his philological techniques **Victorian Poetry and the Culture of Evaluation** Clara Dawson, 2020 Demonstrates how periodicals newspapers and annuals influenced Victorian poetry and offers fresh interpretations of central Victorian poets including Tennyson Barrett Browning Browning Arnold Landon and Clough *Nervous Reactions* Joel Faflak, Julia M.

Wright, 2012-02-01 *Nervous Reactions* considers Victorian responses to Romanticism particularly the way in which the Romantic period was frequently constructed in Victorian era texts as a time of nervous or excitable authors and readers at odds with Victorian values of self restraint moderation and stolidity Represented in various ways as a threat to social order as a desirable freedom of feeling as a pathological weakness that must be cured this nervousness both about and of the Romantics is an important though as yet unaddressed concern in Victorian responses to Romantic texts By attending to this nervousness the essays in this volume offer a new consideration not only of the relationship between the Victorian and Romantic periods but also of the ways in which our own responses to Romanticism have been mediated by this Victorian attention to Romantic excitability Considering editions and biographies as well as literary and critical responses to Romantic writers the volume addresses a variety of discursive modes and genres and brings to light a number of authors not normally included in the longstanding category of Victorian Romanticism on the Romantic side not just Wordsworth Keats and P B Shelley but also Byron S T Coleridge Thomas De Quincey Mary Shelley and Mary Wollstonecraft and on the Victorian side not just Thomas Carlyle and the Brownings but also Sara Coleridge George Eliot Elizabeth Gaskell Archibald Lampman and J S Mill Contributors include D M R Bentley Kristen Guest Joel Faflak Grace Kehler Donelle Ruwe Alan Vardy Lisa Vargo Timothy J Wandling Joanne Wilkes and Julia M Wright

Soft-Shed Kisses Małgorzata Łuczyńska-Holdys, 2013-07-26 The femme fatale appears with unceasing regularity in the texts of major poets of the nineteenth century She symbolises an intractable mystery a refusal to be defined and a fierce attempt to exist outside the established gender system *Soft Shed Kisses* Re-visioning the Femme Fatale in English Poetry of the 19th Century interrogates the construction and use of the fatal woman motif in the poetry of canonical male writers of the times both Romantic and Victorian Subsequent chapters investigate a variety of poems by John Keats Percy Bysshe Shelley Alfred Tennyson Dante Gabriel Rossetti and Charles Algernon Swinburne in which the femme fatale surfaces as the most important character Close readings of poetry are enriched by an examination of the same motif in visual art set against the vivid cultural background of the Victorian era

The Burden of Rhyme Naomi Levine, 2024-09-13 A major new account of Victorian poetry and its place in the field of literary studies *The Burden of Rhyme* shows how the nineteenth century search for the origin of rhyme shaped the theory and practice of poetry For Victorians rhyme was not as it was for the New Critics and as it still is for us a mere technique or ahistorical form Instead it carried vivid historical fantasies derived from early studies of world literature Naomi Levine argues that rhyme s association with the advent of literary modernity and with a repertoire of medievalist Italophilic and orientalist myths about love loss and poetic longing made it a sensitive historiographic instrument Victorian poets used rhyme to theorize both literary history and the most elusive effects of aesthetic form This Victorian formalism which insisted on the significance of origins was a precursor to and a challenge for twentieth century methods In uncovering the rich relationship between Victorian poetic forms and a forgotten style of literary historical thought *The Burden of Rhyme* reveals the unacknowledged

influence of Victorian poetics and its repudiation on the development of modern literary criticism The Idea of Infancy in Nineteenth-Century British Poetry D.B. Ruderman, 2016-04-28 This book radically refigures the conceptual and formal significance of childhood in nineteenth century English poetry By theorizing infancy as a poetics as well as a space of continual beginning Ruderman shows how it allowed poets access to inchoate uncanny and mutable forms of subjectivity and art While recent historicist studies have documented the freshness of experience childhood confers on 19th century poetry and culture this book draws on new formalist and psychoanalytic perspectives to rethink familiar concepts such as immortality the sublime and the death drive as well as forms and genres such as the pastoral the ode and the ballad Ruderman establishes that infancy emerges as a unique structure of feeling simultaneously with new theories of lyric poetry at the end of the eighteenth century He then explores the intertwining of poetic experimentation and infancy in Wordsworth Anna Barbauld Blake Coleridge Erasmus Darwin Sara Coleridge Shelley Matthew Arnold Tennyson and Augusta Webster Each chapter addresses and analyzes a specific moment in a writers work moments of tenderness or mourning birth or death physical or mental illness when infancy is analogized eulogized or theorized Moving between canonical and archival materials and combining textual and inter textual reading metrical and prosodic analysis and post Freudian psychoanalytic theory the book shows how poetic engagements with infancy anticipate psychoanalytic and phenomenological i e modern ways of being in the world Ultimately Ruderman suggests that it is not so much that we return to infancy as that infancy returns obsessively compulsively in us This book shows how by tracking changing attitudes towards the idea of infancy one might also map the emotional political and aesthetic terrain of nineteenth century culture It will be of interest to scholars in the areas of British romanticism and Victorianism as well as 19th century American literature and culture histories of childhood and representations of the child from art historical cultural studies and literary perspectives D B Ruderman s *The Idea of Infancy in Nineteenth Century British Poetry* Romanticism Subjectivity Form is an interesting contribution to this field and it manages to bring a new perspective to our understanding of Romantic era and Victorian representations of infancy and childhood a supremely exciting book that will be a key work for generations of readers of nineteenth century poetry Isobel Armstrong Birkbeck University of London *Victorian Studies* 59 4 **Tennyson And T.S. Eliot: A Comparative Study** Rajni Singh, 2005 Alfred Tennyson Tennyson 1809 1892 and Thomas Stearns Eliot 1888 1965 English poets **Victorian and Modern Poetics** Carol T. Christ, 1984 **Arthur Hugh Clough** Michael Thorpe, 2013-01-11 The *Critical Heritage* gathers together a large body of critical sources on major figures in literature Each volume presents contemporary responses to a writer s work enabling students and researchers to read the material themselves **The Poet's Mind** Gregory Tate, 2012-11-08 *The Poet's Mind* is a major study of how Victorian poets thought and wrote about the human mind It argues that Victorian poets inheriting from their Romantic forerunners the belief that subjective thoughts and feelings were the most important materials for poetry used their writing both to give expression to mental processes and to

scrutinise and analyse those processes In this volume Gregory Tate considers why and how psychological analysis became an increasingly important element of poetic theory and practice in the mid nineteenth century a time when the discipline of psychology was emerging alongside the growing recognition that the workings of the mind might be understood using the analytical methods of science The writings of Victorian poets often show an awareness of this psychology but at the same time the language and tone of their psychological verse and especially their ambivalent use of terms such as brain mind and soul voice an unresolved tension felt throughout Victorian culture between scientific theories of psychology and metaphysical or religious accounts of selfhood The Poet s Mind considers the poetry of Browning Tennyson Arnold Clough and George Eliot offering detailed readings of several major Victorian poems and presenting new evidence of their authors interest in contemporary psychological theory Ranging across lyric verse epic poetry and the dramatic monologue the book explores the ways in which poetry simultaneously drew on resisted and contributed to the spread of scientific theories of mind in Victorian Britain

Arthurian Women Thelma S. Fenster, Norris J. Lacy, 2015-12-22 Featuring three original and 14 classic essays this volume examines literary representations of women in Arthuriana and how women artists have viewed them The essays discuss the female characters in Arthurian legend medieval and modern readers of the legend modern critics and the modern women writers who have recast the Arthurian inheritance and finally women visual artists who have used the material of the Arthurian story All the essays concentrate interpretation on a female creator and the work This collection contains a useful bibliography of material devoted to female characters in Arthurian literature

Tennyson The Critical Heritage Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Tennyson The Critical Heritage PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to

personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Tennyson The Critical Heritage PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Tennyson The Critical Heritage free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Tennyson The Critical Heritage Books
