Teología desde la praxis de la liberación ensayo teológico desde la América dependiente Hugo Assmann, 1973

Teología de la liberación José Antonio de Aldama, Teodoro Ignacio Jiménez Urresti, 1974 **Teología de la liberación**

Julio Lois, 1986 **Breve historia de la Iglesia Cristiana** Howard F. Vos, 1965 La teología de la liberación Christopher Rowland, 2000-07-03 Este libro ofrece una introducción a la historia y a las características de la teología de la liberación en sus diferentes formas y en distintas partes del mundo. Autores de cuatro continentes analizan los orígenes y el carácter de la teología de la liberación en Latinoamérica: las teologías negra y feminista; la teología en Asia y la nueva situación creada a partir del final del régimen del apartheid en Sudafrica. Se repasa la actitud de las principales iglesias cristianas hacia la teología de la liberación y el alcance de la deuda de los movimientos para con el marxismo. También ofrece una evaluación sobre la teología política desde otra perspectiva de la teología cristiana. A través de una secuencia de once capítulos a los lectores se les brinda una evaluación y una descripción exhaustiva de las diferentes facetas de este importante movimiento social y teológico.

The Future of Liberation Theology Ivan Petrella, 2017-03-02 The Future of Liberation Theology envisions a radical new direction for Latin American liberation theology. One of a new generation of Latin American theologians, Ivan Petrella shows that despite the current dominance of end of history ideology, liberation theologians need not abandon their belief that the theological rereading of Christianity must be linked to the development of historical projects: models of political and economic organization that would replace an unjust status quo. In the absence of historical projects, liberation theology currently finds itself unable to move beyond merely talking about liberation toward actually enacting it in society. Providing a bold new interpretation of the current state and potential future of liberation theology, Ivan Petrella brings together original research on the movement with developments in political theory, critical legal theory, and political economy to reconstruct liberation theology's understanding of theology, democracy, and capitalism. The result is the recovery of historical projects, thus allowing liberation theologians to once again place the reality of liberation and not just the promise at the forefront of their task.

Teología desde la praxis de la liberación Hugo Assmann, 1976 **La teología de la liberación sigue su curso** Jorge Costadoat, 2023-10-23 Una primera parte de este libro se dedica al asunto del desarrollo de la teología en el continente latinoamericano y caribeo. Trata de la Teología de los signos de los tiempos que sirvió para estructurar la redacción de *Gaudium et spes* y que luego fue hecha suya por las conferencias generales de los obispos por la Teología de la liberación y las Comunidades eclesiales de base. La segunda parte se consagra a la cristología. La cristología del siglo XX regresó al Jesús de la historia dejando atrás al Cristo ahístorico de la neoescolástica. A diferencia de la soteriología del *Cur Deus homo* de San Anselmo que acentúa que la salvación es perdón de los pecados, el *Cur Deus homo* latinoamericano subraya que esta es liberación de los oprimidos. En la tercera parte de este libro los contenidos son tratados con un método inductivo y narrativo. En ella se da cuenta del cristianismo de dos mujeres insignes que al interior de sus comunidades de base se han desempeñado como te
