Who One Is J.G. Hart,2009-04-21 Both volumes of this work have as their central concern to sort out who one is from what one is In this Book 1 the focus is on transcendental phenomenological ontology When we refer to ourselves we refer

both non ascriptively in regard to non propertied as well as ascriptively in regard to propertied aspects of ourselves The latter is the richness of our personal being the former is the essentially elusive central concern of this Book 1 I can be aware of myself and refer to myself without it being necessary to think of any third personal characteristic indeed one may be aware of oneself without having to be aware of anything except oneself This consideration opens the door to basic issues in phenomenological ontology such as identity individuation and substance In our knowledge and love of Others we find symmetry with the first person self knowledge both in its non ascriptive forms as well as in its property ascribing forms Love properly has for its referent the Other as present through but beyond her properties Transcendental phenomenological reflections move us to consider paradoxes of the transcendental person For example we contend with the unrepresentability in the transcendental first person of our beginning or ending and the undeniable evidence for the beginning and ending of persons in our third person experience The basic distinction between oneself as non sortal and as a person pervaded by properties serves as a hinge for reflecting on the afterlife This transcendental phenomenological ontology of necessity deals with some themes of the philosophy of religion

Mary Magdalene Linda Hansell,2022-11-03 The Bible does not say Mary Magdalene was a prostitute but some people today still believe that What the Bible does tell about Mary Magdalene however is heavily slanted toward the culture with women considered inferior and men totally dominating their lives Attempting to write the part of MaryaEUR tm s story not told in the Bible I still found clues in the Bible as to what is missing I believe the major clue is Jesus himself Jesus had not discriminated against women Even though the discrimination would continue in the next two thousand years gender equality emerged in the twentieth century and my lifetime Through personal experience and womenaEUR tm s history I found reasons for it lasting so long and you cannot address discrimination without touching on all forms of prejudice because they are basically the same thing You will realize womenaEUR tm s rights may not be permanent and womenaEUR tm s diligence is still required today as well as the protection of womenaEUR tm s rights in future generations *New York Magazine* ,1984-06-04 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea
