Terrible Perfection Women And Russian Literature:

Terrible Perfection Barbara Heldt, 1987 the first thorough going feminist study of Russian literature The Slavonic Review a ground breaking book Written with verve and wit a pleasure to read Slavic Review **Women and Russian Culture** Rosalind Marsh, 1998-11-01 The image of women in Russian culture has undergone profound changes from the origins of modern Russian literature in the eighteenth century until the Revolution of 1917 when women were a source of fascination for Russian writers to the socialist realism period during which public discussion of the representation of women in literature rapidly declined and the woman question was declared to have been resolved to a reappraisal of the position of women since the 1980s This collection of essays by leading western and Russian specialists contains new insights and updates previous research into the role of women in Russian culture in the last two centuries and contributes to two exciting and growing research areas the feminist critique of work by Russian male authors and the study of Russian women writers Moreover whereas most previous studies have concentrated on the aesthetic qualities of works by women writers this collection includes both close textual analysis and the discussion of biographical historical and political questions relating both to the representation of women and women s culture The aim is not to present a unified manifesto but rather to bring together a spectrum of approaches and positions within their common focus on the relationship between women and culture in Russia Contributors R Marsh A Barker J Andrew D Greene I Kazakova C Schuler S Graham K Hodgson N Kolchevska N Cornwell J Curtis M Katz M Ledkovsky P I Barta A Darmodekhina D Gillespie N Zhuravkina B Lanin S Carsten A Tait *Gender and Russian Literature* Rosalind J. Marsh, 1996-03-28 A 1996 overview of key issues in Russian women s writing and of important representations of women by men from 1600 onwards Love and Russian Literature Ira Nadel, 2023-11-30 Russia haunted the British cultural imagination throughout the 20th century whether as a romantic source of literary and political inspiration or as a warning of creeping totalitarianism In this new book Ira Nadel charts the story of that influence through the work of some of the key figures in British literature across the century including Joseph Conrad Somerset Maugham Jane Harrison Virginia Woolf and H G Wells Framed by the story of two romantic encounters between Walter Benjamin and the actress Asja Lacis in Moscow in 1926 and between Isaiah Berlin and Anna Akhmatova in 1945 *Love and Russian Literature* casts a vivid new light on the ways in which responses to Russia shaped the history of British modernism Women and Work in Russia, 1880-1930 Jane Mcdermid, Anna Hillyar, 2014-09-19 This study considers the impact of industrialisation revolution and world war on women s working lives in Russia Unlike existing studies this new text looks at women from all social classes In the process the authors reveal how the stereotypical portrayal of Russian women s work as a struggle of endurance and sacrifice distorts and oversimplifies the reality of their experience between 1880 and 1930 *A History of Russian Thought* William Leatherbarrow, Derek Offord, 2010-04-01 The history of ideas has played a central role in Russia s political and social history Understanding its intellectual tradition and the way the intelligentsia have shaped the nation is crucial to understanding the

Russia of today This history examines important intellectual and cultural currents the Enlightenment nationalism nihilism and religious revival and key themes conceptions of the West and East the common people and attitudes to capitalism and natural science in Russian intellectual history Concentrating on the Golden Age of Russian thought in the mid nineteenth century the contributors also look back to its eighteenth century origins in the flowering of culture following the reign of Peter the Great and forward to the continuing vitality of Russia's classical intellectual tradition in the Soviet and post Soviet eras With brief biographical details of over fifty key thinkers and an extensive bibliography this book provides a fresh comprehensive overview of Russian intellectual history *Fruits of Her Plume: Essays on Contemporary Russian Women's Culture* Helena Goscilo, 2015-05-20 The 1980s witnessed the ascendancy of Russian women in multiple spheres of artistic creation including literature film and painting This volume may thus be said to engage not only women's artistic production but indeed the best and most colourful of recent Russian culture Treating contemporary Russian women's creativity it approaches women's texts films and canvasses from a range of perspectives from anti gendered to feminist Some of the essays introduce writers not previously well studied others challenge conventional interpretations and assumptions while still others yield original viewpoints through novel juxtapositions In addition to offering insights into the various artists under analysis the essays map the wide terrain of issues and methodologies proliferating in cultural criticism today and mirror the diversity that is one of the most appealing features of women's creativity in contemporary Russia Writing Women's History Karen M. Offen, Ruth Roach Pierson, Jane Rendall, 1991-08-23 Five essays address such themes as the relationship between feminist history and women's history the use of the concept of experience the development of the history of gender demographic history and women's history and the importance of post structuralism to women's history *Russia Through Women's Eyes* Toby W. Clyman, Judith Vowles, 1996-01-01 Autobiografie n van vrouwen over hun jonge jaren in tsaristisch Rusland *George Sand and the Nineteenth-century Russian Love-triangle Novels* Dawn D. Eidelman, 1994 Mauprat features Edmee a self actualizing woman as hero protagonist Here the notion of fiction of relationship emerges as male Russian authors created tragic idealized woman characters who could never really live up to the terrible perfection with which they were endowed Women in Russian History Natalia Pushkareva, 2016-09-16 As the first survey of the history of women in Russia to be published in any language this book is itself an historic event the result of the collaboration of the leading Russian and American specialists on Russian women's history The book is divided into four chronological parts corresponding to eras of Russian history I Kievan Mongol 10th 15th centuries II Muscovite 16th 17th centuries III 18th century and IV 19th early 20th centuries Each part gives coverage to four main topics 1 The role of prominent women in public life with biographical sketches of women who attained prominence in political or cultural life 2 Women's daily life and family roles 3 Women's status under the law 4 Material culture and in particular women's dress as an expression of their place in society **Marriage, Property, and Women's Narratives** S. Livingston, 2012-04-23 An interdisciplinary approach

to the study of women and property combining literature history and economics By looking at women s marriage narratives over a long period of time the book reveals the deep discontent with the institution of property ownership as a unifying thread from the Middle Ages up through the twentieth century *Russian Literature* Catriona Kelly,2001-08-23 This book is intended to capture the interest of anyone who has been attracted to Russian culture through the greats of Russian literature either through the texts themselves or encountering them in the cinema or opera Rather than a conventional chronology of Russian literature the book will explore the place and importance of literature of all sorts in Russian culture How and when did a Russian national literature come into being What shaped its creation How have the Russians regarded their literary language The book will use the figure of Pushkin the Russian Shakespeare as a recurring example as his work influenced every Russian writer who came after him whether poets or novelists It will look at such questions as why Russian writers are venerated how they ve been interpreted inside Russia and beyond and the influences of such things as the folk tale tradition orthodox religion and the West ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

The Routledge Companion to Russian Literature is the perfect guide for students and general readers alike *Russian and West European Women, 1860-1939* Marcelline J. Hutton, 2001-08-14 This ambitious study provides a sweeping overview of the position of women in England France Germany and Russia USSR during a seminal period in world history Comparing Russian and European women's quest for respectability self realization justice and simple survival from 1860-1939 the book illustrates their struggles to realize their dreams and their resourcefulness in coping with often dreary hard even horrifying lives Deftly combining statistical data to underscore collective experiences and belles lettres to highlight the texture of individual women's lives the book assesses the significance of gender class nationality and religion Through vivid description this history conveys a comprehensive picture of women's social educational economic and political position in the late nineteenth and early twentieth century This richly researched work traces common patterns and unique experiences in women's lives showing how they defined themselves coped with daily life and confronted disaster with courage and resourcefulness *The Russian Memoir* Beth Holmgren, 2003 The essays in this volume seek to appreciate the literary construction of the memoir with its dual agendas of individualized expression and reliable reportage and explore its functions as interpretive history social modelling and political expression in Russian culture The memoirs under scrutiny range widely including those of the private person Princess Natalia Dolgorukaia sophisticated high culture writers Nikolai Zabolotskii Vladimir Nabokov Joseph Brodsky cultural critics and facilitators Lidiia Ginzburg Avdot'ia Panaeva political dissidents Evgeniia Ginzburg Elena Bonner and popular artists filmmaker Elidara Riazanov It examines each memoir for its aesthetic and rhetorical features as well as its cultural circumstances In mapping the memoir's social and historical significance the essays consider a wide range of influences and issues including the specific impact of the author's class gender ideology and life experience on his/her witnessing of Russian culture and society *Russian and Soviet Film Adaptations of Literature, 1900-2001* Stephen Hutchings, Anat Vernitskaia, 2004-12-17 Providing many interesting case studies and bringing together many leading authorities on the subject this book examines the importance of film adaptations of literature in Russian cinema especially during the Soviet period when the cinema was accorded a vital role in imposing the authority of the communist regime on the consciousness of the Soviet people Narrative Space and Gender in Russian Fiction Joe Andrew, 2007 The present volume has as its primary aim readings from a feminist perspective of a number of works from Russian literature published over the period in which the woman question rose to the fore and reached its peak All the works considered here were produced in or hark back to a fairly narrowly defined period of not quite 20 years 1846-1864 in which issues of gender of male and female roles were discussed much more keenly than in perhaps any other period in Russian literature The overall project is summed up by the three key words of this book's title narrative space and gender and especially the interconnections between them That is what do the way these stories were told tell us about gender identities in mid nineteenth century Russia Which spaces were central to these fictional worlds Which spaces suggested which gender

identities The discussions therefore focus on issues of narrative and space and how they acted as technologies of gender This volume will be of interest to all interested in nineteenth century Russian literature as well as students of gender and of the semiotics of narrative space *Women, Children, and the Collective Face of Conflict in Europe, 1900-1950* Nupur Chaudhuri, Sandra Trudgen Dawson, 2023-10-17 Europe was in turmoil during the first half of the twentieth century The political stability that emanated from nineteenth century political liberalism began to break down reaching climaxes in the Great War the Spanish Civil War and the Second World War Revolutions in Russia and Spain threatened parliamentary governments and the Armenian genocide that began in 1915 foreshadowed the systematic destruction of European Jews in the 1930s and 1940s Dictators seized power and established authoritarian regimes that stymied democratic expression and censored the press Much of the scholarship on each of the conflicts has tended to focus on the military male and the civilian female binary Women and children experienced every conflict during this tumultuous period as civilians consumers victims exiles and combatants As histories of women and war suggest there are exciting new areas of research and scholarship that resist simplistic binaries Women were not simply civilians or victims They were actors in the minutiae of wars revolutions dictatorships and genocides Children were present in these conflicts and not invisible as many histories suggest They too were actors and often politicized by propagandist literature and sectarian education through their own experiences and the politics of their families This collection seeks to complicate the child adult distinction and examine the experiences of women and children as lenses to view a more collective face of conflict While the volume brings to attention conflicts in Europe the editors acknowledge the global ramifications of the revolutions wars and genocides as well as the multitude of individual experiences This collection seeks to expand understanding of the personal as the political in European conflicts from 1900 1950 We believe the focus on women and children offers a diverse perspective on five tumultuous decades of European history
