Testament Philip Law, 2005-03-22 A highly readable abridgement of the whole Bible enables readers to grasp the entire sweep of the Old Testament story as though reading a story to reflect on the Psalms as sublime poetry to ponder the timeless advice on the Wisdom writings and to marvel at the visions of the prophets Original *The Bible* Jerry L.

Sumney, 2021-01-05 What is the Bible How did it get to us Why are translations so different And what influence has the Bible had on culture From its very first pages *The Bible An Introduction Third Edition* offers clear answers to the most basic questions that first time students and curious inquirers bring to the Bible Without presuming either prior knowledge of the Bible or a particular attitude toward it Jerry L Sumney uses straightforward language to lead the reader on an exploration of the Bible's contents and the history of its writings showing how critical methods help readers understand what they find in the Bible Filled with maps charts illustrations and color photographs to enhance the student's experience with the text This third edition offers a number of revisions and a new section on the deuterocanonical books Neither polemical nor apologetic *The Bible* presents the biblical writings as the efforts of men and women in the past to understand their lives and their world in light of the ways they understood the divine

The Story of the Christ Scot McKnight, Philip Law, 2005-11-21 Scot McKnight offers an accessible introduction to the life and work of Jesus He begins by offering helpful background information on the reliability of the Gospels the religious setting of Jesus life the heart of Jesus teaching and a summation of what kind of person Jesus was

The book then gives a continuous narrative account of the life and words of Jesus woven together from the four canonical Gospels. This lets the story of the Christ speak for itself in the events of Jesus' birth and early years, his baptism and early ministry, the Sermon on the Mount, his healings and teachings, the road to Jerusalem, the way to the cross, and his passion and resurrection.

Publisher: *From Word to Book* Nancy R. Heisey, 2024-03-27. *From Word to Book* addresses questions that the author's students frequently raised about how the Bible was inspired, written, and passed down through the millennia. From the first storytellers to contemporary researchers working with digital technologies, the Bible's story reveals fascinating interactions between the divine and the human. The book's chapters offer insights both for those who find the Bible central in their life of faith and for those who are skeptical about its claims or even wonder why the Bible matters. Brief illustrative texts from readers and scholars ranging across generations and geography enhance understandings about how the Bible as we know it was shaped.

A New Approach to Textual Criticism Tommy Wasserman, Peter J. Gurry, 2017-11-17. An essential introduction for scholars and students of New Testament Greek. With the publication of the widely used 28th edition of Nestle Aland's *Novum Testamentum Graece* and the 5th edition of the United Bible Society Greek New Testament, a computer-assisted method known as the Coherence Based Genealogical Method (CBGM) was used for the first time to determine the most valuable witnesses and establish the initial text. This book offers the first full-length student-friendly introduction to this important new method. After setting out the method's history, separate chapters clarify its key concepts, including genealogical coherence, textual flow diagrams, and the global stemma. Examples from across the New Testament are used to show how the method works in practice. The result is an essential introduction that will be of interest to students, translators, commentators, and anyone else who studies the Greek New Testament.

Features: A clear explanation of how and why the text of the Greek New Testament is changing. Step-by-step guidance on how to use the CBGM in textual criticism. Diagrams, illustrations, and glossary of key terms.

The God of the How and When Bible Study Guide plus Streaming Video Kathie Lee Gifford, 2022-11-29. Waiting on God and trusting him in the process is one of the hardest things for any believer. In this six-session video Bible study, streaming access included, the authors of *The Rock The Road* and the Rabbi, Kathie Lee Gifford and Rabbi Jason Sobel, will take you back to the Holy Land where God made his covenant with people like Abraham, Sarah, Moses, Joshua, and Mary. What Does the Bible Say? Mary Ann Beavis,HyeRan Kim-Cragg,2017-04-25 This book is a collaboration between a biblical scholar Mary Ann Beavis and a practical theologian HyeRan Kim Cragg who are concerned with the way that the Bible is portrayed and interpreted in popular culture including but not limited to the movies This concern points to a need for a conversation examining what the Bible actually says in order to uncover transformations and distortions of the biblical stories in the wider culture including Christian culture Our conversation is counter cultural not in an oppositional way but taking an alternative posture that aims to provide different insights by drawing from and closely looking at the Bible The chapters take a Christian canonical approach articulating what the Bible says and doesn t say with regard to culturally pervasive themes such as sin and salvation Christ and Antichrist heaven and hell in contrast to popular understandings as disseminated in primarily film advertising television etc We hope that together we will open up fertile academic ecclesial and secular space for disclosing loaded cultural and ideological views towards offering positive and intriguing insights embedded in the Bible

Woe to You, Me Tyler Cecil, 2021-03-31 Would you recognize Jesus today This question evades most of us our entire lives However as Christians this idea and its subsequent queries should lead our everyday lives Emphasizing the most progressive sect of Jesus day the Pharisees this book takes the reader on a journey to uncover the political religious and social elements which hindered the greatest religious leaders of Jewish antiquity from seeing Jesus for who he truly was If we cannot understand how Jesus was missed by those who claimed to love and know God more than anyone else we are doomed to repeat the same mistakes Through the revelations encountered in this book the reader will be faced with facts which directly contrast what we've come to believe about these men These men aren't who we've been led to believe not even close In fact the reader will be confronted with an earth shattering ultimatum Who do we identify with more The Pharisees Or Jesus The answer to this question has the ability to transform our understanding of Jesus and how we interact with him in our everyday lives Furthermore the answer to this question can transform our lives to become ones marked by humility and wisdom like we never knew possible

Opening the Parables M. D. Hayden, 2024-07-11 For centuries Jesus parables have been and still are extensively interpreted by those who impose Christian dogma and tradition on a parable told decades before Christianity per se even existed There was no Christian tradition when Jesus was teaching his followers and he was teaching regular people not theologians No wonder then that after two millennia Jesus parables coated with a confusing overlay of Christian dogma still puzzle readers of the New Testament *Opening the Parables* is based on the premise that Jesus taught a singular spiritual truth which once the clutter of others words and interpretations is cleared away appears consistently in all his teachings even in his parables In the best possible way Jesus was a one subject teacher one subject using various teaching techniques both deductive and inductive a one sermon preacher one message told in various ways Everything he taught or preached was about love in the infinite here and now Kingdom of God All his parables proverbs aphorisms and direct statements teach one lesson in the highest realm we can imagine compassionate love is all that matters

Fragmented Women J. Cheryl Exum, 2015-12-17 In the biblical narratives women are usually minor characters in the stories of men Fragments of women's stories must be gleaned from the more cohesive stories of their fathers husbands and sons *Fragmented Women* begins with the premise that to recover shards of women's stories from androcentric texts like the Bible it is necessary to step outside the ideology of the text subverting the patriarchal perspective that has focused attention on the male characters In this classic work J Cheryl Exum draws on feminist literary theory to critique the dominant male voice of the biblical narrative and to construct sub versions of women's stories from the submerged strains of their voices in men's stories For this Cornerstones edition Exum has provided a reflective introduction on the book's impact and upon how the field has changed since it was published

Wrestling with Paul Sarah Emanuel, 2025-11-04 In this book Sarah Emanuel a Jewish scholar of the New Testament argues that Paul was not a universalist Instead Emanuel shows that stemming from his Hellenistic Jewish worldview Paul understood Jews as needing to maintain the law in Christ and gentiles as needing to

abstain from the law in Christ Both groups in other words needed to maintain particular ethnic difference in their Christ following orientations lest they be left behind from Paul s imagined end of days Emanuel also argues that the way in which Paul understood these groups was through ethno nationalistic and hierarchical means By ethno nationalistic she means that Paul viewed the end of days as a new Israel centric nation requiring particular polyethnic cultural affiliation Jews for Christ and gentiles for Christ By hierarchical she means that Paul valued Jews for Christ over gentiles for Christ and also males over females and free persons over enslaved persons after all Paul s end of days was itself Israel centered i e Jewish centered with the God of Israel i e the Jewish God at the helm Finally none of these beliefs made Paul exceptional in his Judaism It made him average in his Judaism Wrestling with Paul shows that scholars in a post Holocaust world have often sanitized this ethnocentric exclusivism so as to make Paul ahistorically good for modern Jews and Judaism It also shows that readers of Paul have for millenia made sense of him in light of contemporaneous attitudes toward Jews *The Cambridge Companion to the Bible and Literature* Calum Carmichael,2020-03-26 Examines the varied enormously sophisticated contents of the Bible and sees how certain Western authors were inspired by them 1 Samuel Susanne Scholz,2025-11-18 Recent biblical studies especially feminist interpretations evince keen awareness of how the constitutive role of the contextual realities for example race class and gender of the texts but also of the interpreters themselves shapes our readings and the range of questions and insights they yield With critical awareness of these realities whole new vistas open up on the Bible and its world First Samuel presents a surprisingly fruitful test case for such interpretations shedding important light on this historical narrative and our reading of it in a world of ethnic geopolitical and gender turbulence In alignment with the insights of intersectional biblical hermeneutics Scholz s conceptual feminist approach to 1 Samuel advances five key thematic areas They include the geopolitics of land and gender the variously positioned male characters the depicted governance model of the monarchy the ethnonational stereotypes embedded in references to the male Philistines and the inscription and erasure of female characters as mothers wives daughters unnamed women and witch Most feminist biblical criticism has centered on female figures in the Bible or reconstructing the situations of women in that world This work is different It focuses on the convergence of gender relations geopolitics emerging nationalisms and archaeology and history both then and now in the world of the text and in the interpreter s own world Equally alert to the telling details and the unquestioned assumptions of our reading the result is a fully critical and radically self aware encounter with the text its context and its reverberations in our own day Scholz s strikingly insightful analysis sets a new standard for interpreting 1 Samuel and indeed for approaching biblical studies The Oxford Handbook of the Bible and American Popular Culture Dan W. Clanton, Jr.,Terry R. Clark,2020-11-24 The study of the reciprocal relationship between the Bible and popular culture has blossomed in the past few decades and the time seems ripe for a broadly conceived work that assesses the current state of the field offers examples of work in that field and suggests future directions for further study This Handbook includes a wide

range of topics organized under several broad themes including biblical characters such as Adam Eve David and Jesus and themes like Creation Hell and Apocalyptic in popular culture the Bible in popular cultural genres for example film comics and Jazz and lived examples such as museums and theme parks The Handbook concludes with a section taking stock of methodologies and the impact of the field on teaching and publishing The Oxford Handbook of the Bible and American Popular Culture represents a major contribution to the field by some of its leading practitioners and will be a key resource for the future development of the study of both the Bible and its role in American popular culture Republican Jesus Tony Keddie, 2021-09-09 The complete guide to debunking right wing misinterpretations of the Bible from economics and immigration to gender and sexuality Jesus loves borders guns unborn babies and economic prosperity and hates homosexuality taxes welfare and universal healthcare or so say many Republican politicians pundits and preachers Through outrageous misreadings of the New Testament gospels that started almost a century ago conservative influencers have conjured a version of Jesus that speaks to their fears desires and resentments In Republican Jesus Tony Keddie explains not only where this right wing Christ came from and what he stands for but also why this version of Jesus is a fraud By restoring Republicans cherry picked gospel texts to their original literary and historical contexts Keddie dismantles the biblical basis for Republican positions on hot button issues like Big Government taxation abortion immigration and climate change At the same time he introduces readers to an ancient Jesus whose life experiences and ethics were totally unlike those of modern Americans conservatives and liberals alike *Convinced?* C. J. Rysen, Dan Manternach, 2021-10-20 What is the complete essence of this book The Cosmic Harmony of Science Scripture and Reason Can it be indubitably proven that God absolutely exists Can it really be shown how science actually confirms creation by God Given that some say not even God can create something out of nothing exactly how did God create everything in the universe Just how can the Holy Bible be reliable and the divine Word of God when it is challenged with so much controversy Can it be irrefutably verified that Jesus was for real really rose from the dead and is the Son of God Did the Great Flood of Noah and his Ark really happen How Everybody wants to see proof Atheists and skeptics often demand it A total of twenty one of the most often asked and difficult questions challenging Christianity are answered by coauthors C J Rysen author of the Christian apocalyptic thriller a novel In the Course of Three Hours www.inthecourseofthreehours.com and Dan Manternach a public speaker and leader in the Christian Group Ministry to Men www.ministrytomen.net Both men have collaborated to provide irrefutable answers and explanations in a simple easy to understand straightforward way providing new unexpected and intriguing perspectives to which you likely may have never given any thought Many of these will be surprising and often startling to anyone whether skeptic agnostic or atheist The book is also intended to be a reference source for the layperson as well as those with formal theological or philosophical education Although this book is intended to address these questions for the benefit of the nonbeliever it also is intended to prepare the believer to help answer such questions and solidify their faith If one is intellectually honest with
