Teun Hoekstra Arguments And Structure Studies On The Architecture Of The Sentence

Marcel den Dikken

Teun Hoekstra Arguments And Structure Studies On The Architecture Of The Sentence:

Arguments and Structure Teun Hoekstra, R. P. E. Sybesma, 2004 Review text this collection of Hoekstra's writing seems not only interesting but also useful reading for contemporary researchers since both the problems and ideas discussed in this volume are very far from being outdated Pavel Grashchenkov in *Linguist List* 16 2534 Arguments and Structure Teun Hoekstra, 2008-08-22 This book contains 14 articles by Teun Hoekstra 1953 1998 on core issues in syntactic theory Some articles focus on the structure of DP others on the structure of the sentence as a whole while others still deal explicitly with the parallels between the two The papers are distributed over four sections Argument structure T chains The morpho syntax of verbal and nominal projections and Small clauses More than half of the articles in this book are published here for the first time or appear for the first time in English Hoekstra's work is characterized by a fundamental interest in the central questions of syntactic theory most notably the relation between argument structure and X bar structure This concentrated interest led to a deep understanding of the notion of transitivity with respect to both the status of the external argument and that of the internal argument where status refers to both the content and the licensing In this collection of papers Hoekstra reports on his insights in these matters As far as content and licensing of the external argument is concerned this collection contains papers on the relation between passives and their active counterparts the parallels between possessives and transitives and the differences and similarities between past participles and infinitives As to the internal argument we find papers addressing sentential complementation verbal affixation and resultatives And there is a whole section on tense and its role in keeping the sentence together One of the papers in this collection is Hoekstra's classic but hitherto unpublished Small clauses everywhere more than 70 pages which summarizes Hoekstra's views on such issues as resultatives particle verbs and double object constructions **Romance Linguistics 2006** José Camacho, Nydia Flores-Ferrán, Liliana Sánchez, Viviane Déprez, María José Cabrera, 2007-11-21 This volume presents selected papers from the 36th LSRL conference held at Rutgers University in 2006 It contains twenty two articles of current approaches to the study of Romance linguistics Well known researchers present their findings in areas such as of syntax and semantics phonology psycholinguistics sociolinguistics The volume contains scholarly research in areas such as parenthetical null topic construction expletives number and language change performative verbs in colonial court Spanish aspect shift palatalization in Romanian melodic contours in Majorcan Catalan variation in verb type and position and deviance in early child bilingualism among many others It is a well rounded selection of research topics that will enrich and widen our understanding of Romance languages **The Wiley Blackwell Companion to Syntax, 8 Volume Set** Martin Everaert, Henk Van Riemsdijk, 2017-12-26 An invaluable reference tool for students and researchers in theoretical linguistics The Wiley Blackwell Companion to Syntax Second Edition has been updated to incorporate the last 10 years of syntactic research and expanded to include a wider array of important case studies in the syntax of a broad array of languages A revised and expanded edition of this invaluable reference tool for

students and researchers in linguistics now incorporating the last 10 years of syntactic research Contains over 120 chapters that explain analyze and contextualize important empirical studies within syntax over the last 50 years Charts the development and historiography of syntactic theory with coverage of the most important subdomains of syntax Brings together cutting edge contributions from a global group of linguists under the editorship of two esteemed syntacticians Provides an essential and unparalleled collection of research within the field of syntax available both online and across 8 print volumes This work is also available as an online resource at www.companiontosyntax.com

The Syntax of Dutch Jan-Wouter Zwart, 2011-09-15 Dutch is a West Germanic language closely related to English and German but its special properties have long aroused interest and debate among students of syntax This is an informative guide to the syntax of Dutch offering an extensive survey of both the phenomena of Dutch syntax and their theoretical analyses over the years In particular the book discusses those aspects of Dutch syntax that have played an important role in the development of syntactic theory in recent decades Presupposing only a basic knowledge of syntax and complete with an extensive bibliography this survey will be an important tool for students and linguists of all theoretical persuasions and for anyone working in Germanic linguistics linguistic typology and linguistic theory

Dependency and Directionality Marcel den Dikken, 2018-07-05 The direction in which the structure of sentences and filler gap dependencies are built is a topic of fundamental importance to linguistic theory and its applications This book develops an integrated understanding of structure building movement and locality embedded in a syntactic theory that argues for a top down approach presenting an explicit counterweight to the bottom up derivations pervading the Chomskian mainstream It combines a compact and comprehensive historical perspective on structure building the cycle and movement with detailed discussions of island effects the typology of long distance filler gap dependencies and the special problems posed by the subject in clausal syntax Providing introductions to the main issues reviewing extant arguments for bottom up and top down approaches and presenting several case studies in its development of a new theory this book should be of interest to all students and scholars of language interested in syntactic structures and the dependencies inside them

Subordination in English Elena Seoane, Carlos Acuña-Fariña, Ignacio Palacios-Martínez, 2018-07-09 This book provides a collection of articles on subordination in English framed from both a synchronic and a diachronic perspective It covers ample areas of the history of the major subordinated structures of English and their recent development in various native and non native varieties Most contributions are based on large electronic databases and corpora of written and spoken texts The book focuses on the continuum that links subordinated and coordinated structures in a fluid way shows their permanent state of flux and sheds light on the whole system s dynamic essence by discussing a large number of explanatory principles at work in shaping it Many of these are well known from the grammaticalization and the Construction Grammar theories such as the concepts of attractor multi sourcing inheritance categorial incursion metaphorization or exaptation This volume represents the latest trends in the field

by some of its most prestigious specialists Nonfinite Inquiries Alain Rouveret, 2023-03-06 This study aims at developing a unified perspective on nonfiniteness encompassing its morphological syntactic and semantic aspects It puts the emphasis on clause types distinct from standard infinitives gerund clauses Celtic verbo nominal structures Portuguese inflected infinitives Latin dominant participle constructions and takes advantage of the most recent developments in syntactic theory The notions of defectiveness and completeness the inheritance hypothesis the labeling requirement the syntactic definition of lexical categories once combined together appear to make accessible tighter and more elegant analyses than previous accounts

The Underspecification of Past Participles Dennis Wegner, 2019-02-19 Are the past participial forms that occur in passive and perfect periphrases substantially identical or should they rather be distinguished into accidentally homophonous passive and perfective participles This book discusses the long standing mystery of past participial non identity on the basis of a broad range of synchronic data from Germanic and Romance eventually focussing on German and English as these draw the most relevant distinctions e g auxiliary alternation a passive auxiliary that is not BE Together with some contrastive insights from Slavic as well as the diachrony of passive and perfect periphrases this clearly points to an identity view The novel approach that is laid out suggests that past participles conflate diathetic and aspectual properties The former cause the suppression of an external argument whereas the latter impose event structure sensitive perfectivity which only induces the completion of a situation if the underlying eventuality denotes a simple change of state An approach along these lines sheds light on the intricate properties of past participles and the auxiliaries they occur with the determinants of auxiliary selection as well as the interplay of argument and event structure The Non-verbal Type of Small Clauses in English and Lithuanian Judita Giparaite, 2009-12-14 The study The Non verbal Type of Small Clauses in English and Lithuanian is one of the first attempts to apply the methods of generative grammar to the analysis of a fragment of Lithuanian grammar i e constructions with secondary predicates of the type V NP1 NP2 and V NP1 AP the sub strings NP1 NP2 and NP1 AP of which in generative works are usually called small clauses The investigation is contrastive the evidence of Lithuanian is compared with that of English Whereas the syntactic study of secondary predicates in English has a certain tradition traditional Lithuanian grammar does not have a single notion to what is known elsewhere as secondary predicates In Lithuanian traditional grammar secondary predicates are usually referred to as a part of compound nominal predicates predicative attributes a part of complex objects and are not singled out as a distinct category but are given different often contradictory treatments Thus the research can be considered pioneering work as far as Lithuanian is concerned It not only contributes to the theoretical discussion about the adequate way of dealing with secondary predicates in Government and Binding framework but can also be considered instrumental in propagating modern methods of syntactic analysis in tradition ridden Lithuanian grammar The present work addresses an important problem whether the Lithuanian and English constructions under investigation express a subject predicate relationship and form a constituent and can be described as having the syntactic function of a clause For

this purpose the syntactic and semantic as well as clausal properties of the sequences NP1 NP2 and NP1 AP in the two languages under consideration are discussed The clausal properties of the sub strings NP1 NP2 and NP1 AP are investigated on the basis of the presence of agreement features sentence negation the resemblance to full clauses theta role assignment word order and applying sentence constituency tests Relators and Linkers Marcel den Dikken,2006 Presents a syntax of predication and Predicate Inversion that emphasizes meaningless elements called RELATORS and LINKERS that play an essential role in the establishment and syntactic manipulation of predication relationships **The Syntax of Compound Tenses in Slavic** Krzysztof Marek Migdalski,2006 **Spanish Clitics on the Move** Elisabeth Mayer,2017-04-10 This volume explores the complex relationship between primary agreement by means of object marking or differential object marking DOM and secondary agreement through clitics in non standardized variation data from Lime o Spanish contact varieties LSCV As such it is concerned with diachronic as well as synchronic morphosyntactic variation of the third person object pronoun paradigm so called clitics as used in Standard Spanish and non standardized Spanish contact dialects The argumentation as well as the data presented cross diachronic and synchronic boundaries **Czech in generative grammar** Mojmir Dočekal,Petr Karlík,Jana Zmrzliková,2007 "Haben" als Vollverb Martin Businger,2011 In dieser Studie wird sorgf ltig begr ndet dass Konstruktionen von haben als Vollverb in der syntaktischen Analyse systematisch in Beziehung zu absoluten mit Konstruktionen vgl Mit den F en auf dem Tisch erwartete ich meine Schwiegereltern zu setzen sind Auf dieser Grundlage erweist sich eine einheitliche Modellierung der unterschiedlichen syntaktischen Verwendungsweisen von haben als Vollverb als theoretisch wie empirisch angemessen In weiterer Perspektive bietet die Arbeit Evidenz f r die Annahme dass f r die Beschreibung von Ph nomenen an der Syntax Semantik Schnittstelle auf das Konzept verletzbarer Beschr nkungen im Sinne der Optimalit stheorie zur ckzugreifen ist Ein Ergebnis in Bezug auf die Syntax und Semantik von Adjektiven ist dass syntaktisch die attributive Realisierung als unmarkiert zu gelten hat semantisch jedoch die Interpretation von Adjektiven als Pr dikate nicht als Attribute pr feriert ist **Language** George Melville Bolling,Bernard Bloch,2005 **American Book Publishing Record** ,2005 International Bibliography of Book Reviews of Scholarly Literature Chiefly in the Fields of Arts and Humanities and the Social Sciences ,2006 **2006/2007** ,2011-09-15 Die seit 1971 wieder erscheinende interdisziplin re internationale Rezensionsbibliographie IBR ist eine einmalige Informationsquelle Die Datenbank weist ber 1 1 Millionen vornehmlich die Geistes und Sozialwissenschaften ber cksichtigende Buchrezensionen in 6 000 vorwiegend europ ischen wissenschaftlichen Zeitschriften nach 60 000 Eintragungen kommen jedes Jahr hinzu bieten dem Benutzer Daten zum rezensierten Werk und zur Rezension **Why Agree? Why Move?** Shigeru Miyagawa,2009-10-30 An argument that not only do movement and agreement occur in every language they also work in tandem to imbue natural language with enormous expressive power An unusual property of human language is the existence of movement operations Modern syntactic theory from its inception has dealt with the puzzle of why movement should occur In this monograph

Shigeru Miyagawa combines this question with another that of the occurrence of agreement systems. Using data from a wide range of languages, he argues that movement and agreement work in tandem to achieve a specific goal: to imbue natural language with enormous expressive power. Without movement and agreement, he contends, human language would be merely a shadow of itself, with severe limitations on what can be expressed. Miyagawa investigates a variety of languages, including English, Japanese, Bantu languages, Romance languages, Finnish, and Chinese. He finds that every language manifests some kind of agreement, some in the form of the familiar person-number-gender system and others in the form of what Katalin Kiss calls discourse configurational features, such as topic and focus. A key proposal of his argument is that the computational system in syntax deals with the wide range of agreement types uniformly, as if there were just one system, and an integral part of this computation turns out to be movement. Why Agree? Why Move? is unique in proposing a unified system for movement and agreement across language groups that are vastly diverse: Bantu languages, East Asian languages, Indo-European languages, and others.

Embark on a breathtaking journey through nature and adventure with is mesmerizing ebook, **Teun Hoekstra Arguments And Structure Studies On The Architecture Of The Sentence** . This immersive experience, available for download in a PDF format (PDF Size: *), transports you to the heart of natural marvels and thrilling escapades. Download now and let the adventure begin!

Teun Hoekstra Arguments And Structure Studies On The Architecture Of The Sentence Introduction

In the digital age, access to information has become easier than ever before. The ability to download Teun Hoekstra Arguments And Structure Studies On The Architecture Of The Sentence has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Teun Hoekstra Arguments And Structure Studies On The Architecture Of The Sentence has opened up a world of possibilities. Downloading Teun Hoekstra Arguments And Structure Studies On The Architecture Of The Sentence provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Teun Hoekstra Arguments And Structure Studies On The Architecture Of The Sentence has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This

inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Teun Hoekstra Arguments And Structure Studies On The Architecture Of The Sentence. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Teun Hoekstra Arguments And Structure Studies On The Architecture Of The Sentence. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Teun Hoekstra Arguments And Structure Studies On The Architecture Of The Sentence, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Teun Hoekstra Arguments And Structure Studies On The Architecture Of The Sentence has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Teun Hoekstra Arguments And Structure Studies On The Architecture Of The Sentence Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.

What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Teun Hoekstra Arguments And Structure Studies On The Architecture Of The Sentence is one of the best book in our library for free trial. We provide copy of Teun Hoekstra Arguments And Structure Studies On The Architecture Of The Sentence in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Teun Hoekstra Arguments And Structure Studies On The Architecture Of The Sentence. Where to download Teun Hoekstra Arguments And Structure Studies On The Architecture Of The Sentence online for free? Are you looking for Teun Hoekstra Arguments And Structure Studies On The Architecture Of The Sentence PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Teun Hoekstra Arguments And Structure Studies On The Architecture Of The Sentence. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Teun Hoekstra Arguments And Structure Studies On The Architecture Of The Sentence are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Teun Hoekstra Arguments And Structure Studies On The Architecture Of The Sentence. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Teun Hoekstra Arguments And Structure Studies On The Architecture Of The Sentence To get started finding Teun Hoekstra Arguments And Structure Studies On The Architecture Of The Sentence, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Teun Hoekstra Arguments And Structure Studies On The Architecture Of The Sentence So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Teun Hoekstra Arguments And Structure Studies On The Architecture Of The Sentence. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Teun Hoekstra Arguments And Structure Studies On The Architecture Of The

Sentence, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Teun Hoekstra Arguments And Structure Studies On The Architecture Of The Sentence is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Teun Hoekstra Arguments And Structure Studies On The Architecture Of The Sentence is universally compatible with any devices to read.
