East Texas Troubles Jody Edward Ginn, 2019-07-18 When the gun smoke cleared four men were found dead at the hardware store in a rural East Texas town But this December 1934 shootout was no anomaly San Augustine County had seen at least three others in the previous three years and these murders in broad daylight were only the latest development in the decade long rule of the criminal McClanahan Burleson gang Armed with handguns Jim Crow regulations and corrupt special Ranger commissions from infamous governors Ma and Pa Ferguson the gang racketeered and bootlegged its way into power in San Augustine County where it took up robbing and extorting local black sharecroppers as its main activity After the hardware store shootings white community leaders formerly silenced by fear of the gang s retribution finally sought state intervention In 1935 fresh faced newly elected governor James V Allred made good on his promise to reform state law enforcement agencies by sending a team of qualified Texas Rangers to San Augustine County to investigate reports of organized crime In East Texas Troubles historian Jody Edward Ginn tells of their year and a half long cleanup of the county the inaugural effort in Governor Allred s transformation of the Texas Rangers into a professional law enforcement agency Besides foreshadowing the wholesale reform of state law enforcement the Allred Rangers investigative work in San Augustine marked a rare close collaboration between white law enforcement officers and black residents Drawing on firsthand accounts and the sworn testimony of black and white residents in the resulting trials Ginn examines the consequences of such cooperation in a region historically entrenched in racial segregation In this story of a rural Texas community s resurrection Ginn reveals a multifaceted history of the reform of the Texas Rangers and of an unexpected alliance between the legendary frontier lawmen and black residents of the Jim Crow South

*A Hanging in Nacogdoches* Gary B. Borders, 2010-01-01 This historical study examines a legal lynching in 1902 Texas shedding light on race relations political culture and economic conditions of the time On October 17 1902 in Nacogdoches Texas a black man named James Buchanan was tried without representation condemned and executed for the murder of a white family all within three hours Two white men played pivotal roles in these events the editor of the Nacogdoches Sentinel Bill Haltom a prominent Democrat who condemned lynching but defended lynch mobs and A J Spradley a Populist sheriff who managed to

keep the mob from burning Buchanan alive only to escort him to the gallows Each man s story illuminates part of the path toward the terrible parody of justice at the heart of A Hanging in Nacogdoches The turn of the twentieth century was a time of dramatic change for the people of East Texas Frightened by the Populist Party s attempts to unite poor blacks and whites in a struggle for economic justice white Democrats defended their power base by exploiting racial tensions in a battle that ultimately resulted in complete disenfranchisement for the black population In telling the story of a single lynching Gary Borders dramatically illustrates the way politics and race combined to bring horrific violence to small southern towns like Nacogdoches

**Prescription for Danger** Ardath Mayhar,2017-04-20 TEXAS GUNSMOKE When Dr Nicholas Blasingame joins his cousin Alicia and her husband in East Texas he is scarred from political battles in Baltimore where he lost his efforts at reform In this new place he hopes to practice medicine and rebuild his life without conflict Unfortunately he finds political corruption as deeply entrenched in Moreno Texas as it was in Baltimore this time in the hands of the elected officials including the sheriff Joining Alicia and Bart in their efforts to prevent abuse and outright theft he finds himself threatened along with his kin The only way he can handle this is by forgetting his life long reluctance to take up arms and to accept the help of some unlikely allies I m continually amazed at Mayhar s ability to draw the reader seamlessly into her historical narratives You can smell the gunpowder in this one Robert Reginald
