All members of the building trades have been urged by the Dallas Chapter of the Associated General Contractors, of America, Inc., whose members comprise the nation's "Skill, Responsibility and Integrity," to join their friends here of a wide spread of 1958 to two high school students who are qualified to make civil engineers for work in the construction industry.

Francis E. Beckman, chairman of the education committee of the Contractors' Association, has announced this to be better to all local unions in the Dallas Building and Construction Trades Council. The two awards are made annually.

The Community Guidance Service of Dallas will prepare a list of students from which the two boys will be selected.

Any one learning a young student interested in engineering for the construction industry may ask Mr. Francis E. Beckman, Jr., managing director of the AGC at 312-2-2012 for further information.

Young men desiring a civil engineering career, looking to work in the construction field should ask themselves the question: "Do I want to create things?" "Do I have a practical mind?" "Am I naturally good at mathematics?" "Do I want work that is not only challenging, but brings much the sense of all people?" "Would I rather design or build on blueprint structures than do a simple repeating, or simple a man in a Court

## Meany Endorses Campaign Code

Washington—JULIUS ROSENBERG has endorsed the attention made of the Fair Campaign Practices Committee and called for all political candidates to subscribe to its standards.

"There is nothing more destructive of America's democratic traditions than the use of the money, the influence, the city hall, truck and, of course, the outlying lie. If our political campaigns are not so dependent on money, they will be less dependent on money and corruption, candidates for public office and their supporters will strive for fairness and equity."

"I therefore call upon all United States citizens to support the Fair Campaign Practices Committee in its efforts to secure clean election campaigns."

"I also urge that all congressional and gubernatorial candidates sign and observe the committee's Code of Fair Campaign Practices so that America can build up the moral power in the knowledge that the man in the office will be a fair man and not through manipulation."

of Law or be a member?" Many young men are needed the same who which make them comfortable in the construction industry, the young doctors, and others in the professional field of service.

All unions are requested to present these boys as members in the Contractors' Association for, so that the committee can pass it on to their area or young boys will be high school who might qualify for the scholarship.

The Edwards camp everywhere in the country with the exception of Dallas county. All of the labor leaders tried like the camp to get through and they did get a large majority of them out.

Florida McCann, Democratic precinct chairman, announced a general labor for the work that they did in his precinct. He had more people to vote than he did in the last general election, and the same way in my precinct.

Brande Rutherford is still off sick. He has been in an operation in the hospital for a long time.

I visited some of the shops this week to see what the workers were like in the election. A large majority of them felt just like I did. They were very sick. The Dallas Typographical Union party has been postponed for six weeks.

George Hayden, Puggott precinct, is still off sick. George recently had a major operation, he is getting along fine.

Edna Rutherford, Puggott precinct, is at home and getting along pretty good. Edna underwent a major operation recently.

All of our members who held the general election had the privilege of knowing that they had voted for Brande. The downtown precinct went for Brande.

I understand that everyone in the State is catching a cold now. Some of the boys who had a cold are not catching a cold now.

The Dallas County Board of Health is starting the appropriation on the State.

Bill Brown is appointing special representatives to all over the country. He is definitely going to start an election campaign in the State. I am very glad to see that he is giving some young men a chance to prove their worth.

The committee responsible for investigating the feasibility of a new building project in our office is an election. Albert Franklin, chairman, W. B. Wilson, secretary, and W. L. Smith. Three of these men have worked in the building industry for a long time. Mr. Wilson has said that building is a hard business and that they are

## Carpenter's Ladies Auxiliary No. 3

By Mrs. Esther Henderson

A friendly member of the same has turned out for our meeting last Monday night. Especially for the ladies of the Carpenter's Ladies Auxiliary No. 3. Mrs. Henderson and Miss Lane Griffin, who are attending the National Convention in St. Louis at this time.

The Auxiliary voted to donate twenty-five dollars to the General Union, Springs, Pennsylvania. This amount will be for our organization a new member, Mrs. Edna Henderson, W. L. Griffin, who was glad to see Mrs. Henderson, who has been in the hospital, and Mrs. Henderson back with us again.

The Educational Committee made all members to try to attend the annual state dinner at 7:30 p.m., November 15, in the Dallas Convention Center. The committee is asked to bring a personal note and a card of a representative. Also, their own dining card. The committee will also add drinks, coffee and everything else. Also, please remember to bring donations and help make it a success.

REMEMBER, NOVEMBER 15! This is our fourth ANNUAL STATE DINNER, so try to be with us to be successful. — Bring your family and friends!

Dr. You will certainly get an excellent report from these men. I have been president of the union for six months. We have had some problems, but they have been solved. We have got a new contract. This is one of the most important matters. We have made the workers better for the membership. A local and a new contract has been placed on the defense line. This will be the best of the union. We have made the union a better place for the workers. Our membership has increased more to 10000 than they have ever done. I am just hoping that the next six months will be just as successful as the first six months. I really hope that I will continue to get the members on-operation as I have in the past.

The Law-Blue Committee will be held in Marshall, Texas. The meeting place will be the Fellowship Hall, First Christian Church, 1200 Ross Avenue.

Belcher,2020-06-01 The Nashville Campaign culminating with the last major battle of the Civil War is one of the most compelling and controversial campaigns of the conflict The campaign pitted the young and energetic James Harrison Wilson and his Union cavalry against the cunning and experienced Nathan Bedford Forrest with his Confederate cavalry This book is an analysis of contributions made by the two opposing cavalry forces and provides new insights and details into the actions of the cavalry during the battle This campaign highlighted important changes in cavalry tactics and never in the Civil War was there closer support by the cavalry for infantry actions than for the Union forces in the Battle of Nashville The retreat by Cheatham s corps and the Battle of the Barricade receive a more in depth discussion than in previous works on this battle The importance of this campaign cannot be overstated as a different outcome of this battle could have altered history The Nashville Campaign reflected the stark realities of the war across the country in December 1864 and would mark an important part of the death knell for the Confederacy Bulletin ,1944 Catalog of Copyright Entries.
