Jon Holmes, 1983 Self-Portrait of a Texas Cowboy Jean Larremore, 2012-03-05 My husband Brian Larremore is the actual author of this book He told me the stories and illustrated them and some of his artwork was done just for fun I have typed and edited it for him Brian and I live in Alpine Texas and have a small ranch 35 miles south of Alpine Texas Brian has been a rancher all his life and a Police Officer for Sul Ross State University in Alpine for 21 years He retired in February 2012 and intends to keep riding colts day working and taking care of the ranch He has said for the last 10 years that we have 40 years of work to do on the ranch but only 20 years in which to do it Prior to working as a Police Officer he worked as a Deputy Sheriff for Brewster County and worked for various ranches throughout the years I was also a Reserve Police Officer for several years for the City of Alpine and have worked at a local Drug Store for more than 30 years Mirrored and Obscured
Caitlin Hanson, 2014-01-03 Texas, a Self-portrait Jon Holmes, 1985 *She Changed the Nation* Mary Ellen Curtin, 2024-09-10 An important new biography of Barbara Jordan the first Black woman from the South to serve in Congress During her keynote speech at the 1976 Democratic Party convention Barbara Jordan of Texas stood before a rapt audience and reflected on where Americans stood in that bicentennial year Are we to be one people bound together by a common spirit sharing in a common endeavor or will we become a divided nation For all of its uncertainty we cannot flee the future The civil rights movement had changed American politics by opening up elected office to a new generation of Black leaders including Jordan the first Black woman from the South to serve in Congress Though her life in elected politics lasted only twelve years in that short time Jordan changed the nation by showing that Black women could lead their party and legislate on behalf of what she called the common good In *She Changed the Nation* biographer Mary Ellen Curtin offers a new portrait of Jordan and her journey from segregated Houston Texas to Washington DC where she made her mark during the Watergate crisis by eloquently calling for the impeachment of President Nixon Recognized as one of the greatest orators of modern America Jordan inspired millions and Black women became her most ardent supporters Many assumed Jordan would rise higher and become a US senator Speaker of the House or a Supreme Court justice But illness and disability along with the obstacles she faced as a Black woman led to Jordan's untimely retirement from elected office though not from public life Until her death at the age of fifty nine Jordan remained engaged with the cause of justice and creating common ground proving that Black women could lead the country through challenging times No change in the law alone could guarantee the election of Black leaders It took courage and ambition for Barbara Jordan to break into politics This important new biography explores the personal and the political dimensions of Jordan's life showing how she navigated the extraordinary pressures of office while seeking to use persuasion governance and popular politics as instruments of social change and betterment *Painting Texas History to 1900* Sam DeShong Ratcliffe, 2014-11-06 Certificate of Commendation American Association for State and

Local History 1994 T R Fehrenbach Book Award Texas Historical Commission 1992 San Antonio Conservation Society Citation 1993 Dramatic historical events have frequently provided subject matter for artists particularly in pre twentieth century Texas where works portraying historical often legendary events and individuals predominated Until now however these paintings of Texas history have never received the kind of study given to historical fictional and film versions of the same events Painting Texas History to 1900 fills this gap with an interdisciplinary approach that explores these paintings both as works of art and as historical documents The author examines the works of more than forty artists including Henry McArdle Theodore Gentilz Robert Onderdonk William Huddle Frederic Remington Friedrich Richard Petri Arthur T Lee Seth Eastman Sarah Hardinge Frank Reaugh W G M Samuel Carl G von Iwonski and Julius Stockfleth He places each work within its historical and cultural context to show why such subject matter was chosen why it was depicted in a particular way and why such a depiction gained popular acceptance For example paintings of heroic events of the Texas Revolution were especially popular in the years following the Civil War when in Ratcliffe s view Texans needed such images to assuage the loss of the war and the humiliation of Reconstruction Though the paintings cut across traditional art history categories from the pictographs of early historic Indians to European inspired oil paintings they are bound together by their artists intent for them to function as historically evocative documents With their visual narratives of events that characterized all of America s westward expansion Indian encounters military battles farming ranching surveying and the closing of the frontier these works add an important chapter to the story of the American West

thinking of the people who've been on it. It's fundamental to me. John Graves Writing is a way to keep ourselves more in touch with everything we experience. It seems the best gifts and thoughts are given to us when we pause, take a deep breath, look around, see what's there, and return to where we were revived.

Naomi Shihab Nye: I've said this many times in print: the novel is the middle age genre. Very few people have written really good novels when they are young, and few people have written really good novels when they are old. You just tail off and lose a certain level of concentration. Your imaginative energy begins to lag. I feel like I'm repeating myself, and most writers do repeat themselves.

Larry McMurtry: I was a pretty poor cowhand. I grew up on the Macaraw Ranch east of Crane, Texas. My father tried very hard to make a cowboy out of me, but in my case it never seemed to work too well. I had more of a literary bent. I loved to read, and very early on I began to write small stories, short stories out of the things I liked to read.

Elmer Kelton: Tamers of the Texas Frontier. C. Herndon Williams, 2023. In the 1820s, Texas was a wilderness. Settlers thought it was uninhabited, although rich with wild game. But many Native American tribes lived in Texas and were at war with the Spanish in Mexico. Mexico ignored Texas and did not try to inhabit this wilderness. Finally, in the late 1820s and early 1830s, Stephen F. Austin was allowed to bring in three hundred Anglo settlers, and Texas began to be civilized. But to start, there was only one town, no roads, no bridges, no planted fields. Texas was starting from ground zero but started fast. They tamed the wilderness and fought the Indians. They got their independence from Mexico and became a Republic, soon a U.S. state. They established a stable government similar to the one in the U.S. and developed the infrastructure for business and international commerce. In less than eighty years, Texas had tamed the wild frontier and became a modern state in the United States.

C. Herndon Williams has found forty-two stories that chart this progress.

Midcentury Modern Art in Texas Katie Robinson Edwards, 2014-07-01. Before Abstract Expressionism of New York City was canonized as American postwar modernism, the United States was filled with localized manifestations of modern art. One such place where considerable modernist activity occurred was Texas, where artists absorbed and interpreted the latest, most radical formal lessons from Mexico, the East Coast, and Europe while still responding to the state's dramatic history and geography. This barely known chapter in the story of American art is the focus of *Midcentury Modern Art in Texas*. Presenting new research and artwork that has never before been published, Katie Robinson Edwards examines the contributions of many modernist painters and sculptors in Texas, with an emphasis on the era's most abstract and compelling artists. Edwards looks first at the Dallas Nine and the 1936 Texas Centennial, which offered local artists a chance to take stock of who they were and where they stood within the national artistic setting. She then traces the modernist impulse through various manifestations, including the foundations of early Texas modernism in Houston, early practitioners of abstraction and non-objectivity, the Fort Worth Circle artists at the University of Texas at Austin, Houston artists in the 1950s, sculpture in and around an influential Fort Worth studio, and to see how some Texas artists fared on a national scale, the Museum of Modern Art's Americans exhibitions. The first full-length treatment of abstract art in Texas during this vital and

canon defining period Midcentury Modern Art in Texas gives these artists their due place in American art while also valuing the quality of Texan ness that subtly undergirds much of their production

Death & Texas Clive Sinclair, 2014-02-17 Clive Sinclair's first collection of stories won the Somerset Maugham Award His second was short listed for the inaugural Dylan Thomas Award His third won both the PEN Silver Pen and the Jewish Quarterly Award This is his fourth The new stories range from New Orleans and Texas to Peru Venice and Jerusalem Their subjects are loss the fear of loss and love most especially that between husbands and wives fathers and sons Their cast includes the quick and the dead the real and the imagined Davy Crockett Kinky Friedman Captain Haddock Princess Diana and Shylock They are as cruel as life and as funny I think you're a fine practitioner of the short story indeed If some of such work is to be published in America in book form ask the publishers to send me a copy I'd be delighted to give you a blurb Norman Mailer I found *Hearts of Gold* quite wonderful And all this despite my immense dislike for football cunts and national movements of any kind So it had to be a very good book and it was Sir Angus Wilson I have reread the Laptop story It is truly wonderful Almost every sentence a surprise Stuck in a rut as I am at the moment it's hard not to turn green with envy at the sight of such seemingly effortless prose I don't think I have ever seen anyone performing comical tricks so high up in the air WG Sebald Witty playful and magnificently compassionate Kazuo Ishiguro on *The Lady with the Laptop* Sunday Times Books of the Year This outstanding collection *The Lady with the Laptop* should consolidate Clive Sinclair's reputation as one of the most inventive writers working in the form today Elizabeth Lowry Times Literary Supplement
