## **Texas Camel Tales:**

*Texas Camel Tales* Chris Emmett, 1932-01-01 Incidents growing up around an attempt by the War Department of the United States      **Texas Camel Tales** Chris Emmett, 1932      *Texas Camel Tales; Incidents Growing Up Around an Attempt by the War Department of the United States to Foster an Uninterrupted Flow of Commerce Through Texas by the Use of Camels* Chris 1886-1971 Emmett, 2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant      *Texas Camel Tales : Incidents Growing Up Around an Attempt by the War Department of the United States to Foster an Uninte* Chris Emmett, 1969      [More Wild Camp Tales](#) Mike Blakely, 1996-01-31 A lighthearted look at some of the stories Texans have been improving on since their first telling around the glow of a campfire      **Texas, a Guide to the Lone Star State** Best Books on, 1940      **Inventory of the County Archives of Texas** Historical Records Survey (Tex.), 1940      *Fort Concho and the Texas Frontier* J. Evetts Haley, 2018-02-27 This book which was first published in 1952 first began as a history of San Angelo and the adjacent region drained by the Conchos rivers It grew in writing into a history of West Texas It embodies author J Evetts Haley s unequalled knowledge of the country from the Rio Grande to the Canadian from San Antonio and Austin to the border of New Mexico It could have been written only by a man familiar by personal acquaintance with the location of every water hole and spring the exploration of every trail from Coronado s to the Overland Mail the great cattle drives of the seventies and eighties the establishment of every military post and the shifting Indian policies of the United States from the annexation of Texas to the final retirement of the Comanches to the Indian Territory now Oklahoma Haley has an intimate knowledge of hundreds of salty characters who played their picturesque roles in transforming the land from nature to civilization Haley possesses all this equipment gained from intensive study personal experience and thoughtful reflection for writing a vivid story Five previous books and unnumbered articles on phases of the region contribute to the facility with which he tells this stirring tale and account of its comprehensiveness It is no less than a history of West Texas in its heroic age      **The Last Camel Charge** Forrest Bryant Johnson, 2013-04-02 A fascinating story telling aspects of the American West that most of us know little about True West Magazine In the mid nineteenth century the U S Army was on the verge of employing a weapon that had never before been seen on its native soil a cavalry mount that would fare better than both mules and horses in the American Southwest Against the Mojave in the Arizona Territory against

the Mormons in Utah Territory during the early stages of the Civil War the camel would become part of military history and a nearly forgotten chapter of Americana This is the true story of that experiment and the extraordinary group of people who it brought together The Last Camel Charge gives them their due as a vital piece of American history INCLUDES PHOTOS

Texas Rupert N. Richardson, Cary D. Wintz, Angela Boswell, Adrian Anderson, Ernest Wallace, 2021-05-31 Now in its 11th edition Texas The Lone Star State offers a balanced scholarly overview of the second largest state in the United States spanning from prehistory to the twenty first century Organized chronologically this comprehensive survey introduces undergraduates to the varied history of Texas with an accessible narrative and over 100 illustrations and maps This new edition broadens the discussion of postwar social and political dynamics within the state including the development of key industries and changing demographics Other new features include New maps reflecting county by county results for the most recent presidential elections Expanded discussions on immigration and border security The effects of the COVID 19 pandemic in Texas and a look to the future Updated bibliographies to reflect the most recent scholarship This textbook is essential reading for students of American history Painting Texas History to 1900 Sam DeShong Ratcliffe, 2014-11-06 Certificate of Commendation American Association for State and Local History 1994 T R Fehrenbach Book Award Texas Historical Commission 1992 San Antonio Conservation Society Citation 1993 Dramatic historical events have frequently provided subject matter for artists particularly in pre twentieth century Texas where works portraying historical often legendary events and individuals predominated Until now however these paintings of Texas history have never received the kind of study given to historical fictional and film versions of the same events Painting Texas History to 1900 fills this gap with an interdisciplinary approach that explores these paintings both as works of art and as historical documents The author examines the works of more than forty artists including Henry McArdle Theodore Gentilz Robert Onderdonk William Huddle Frederic Remington Friedrich Richard Petri Arthur T Lee Seth Eastman Sarah Hardinge Frank Reaugh W G M Samuel Carl G von Iwonski and Julius Stockfleth He places each work within its historical and cultural context to show why such subject matter was chosen why it was depicted in a particular way and why such a depiction gained popular acceptance For example paintings of heroic events of the Texas Revolution were especially popular in the years following the Civil War when in Ratcliffe s view Texans needed such images to assuage the loss of the war and the humiliation of Reconstruction Though the paintings cut across traditional art history categories from the pictographs of early historic Indians to European inspired oil paintings they are bound together by their artists intent for them to function as historically evocative documents With their visual narratives of events that characterized all of America s westward expansion Indian encounters military battles farming ranching surveying and the closing of the frontier these works add an important chapter to the story of the American West

**Animal Histories of the Civil War Era** Earl J. Hess, 2022-03-30 Animals mattered in the Civil War Horses and mules powered the Union and Confederate armies providing mobility for wagons pulling artillery pieces and serving as fighting

platforms for cavalymen Drafted to support the war effort horses often died or suffered terrible wounds on the battlefield Raging diseases also swept through army herds and killed tens of thousands of other equines In addition to weaponized animals such as horses pets of all kinds accompanied nearly every regiment during the war Dogs commonly served as unit mascots and were also used in combat against the enemy Living and fighting in the natural environment soldiers often encountered a variety of wild animals They were pestered by many types of insects marveled at exotic fish while being transported along the coasts and took shots at alligators in the swamps along the lower Mississippi River basin Animal Histories of the Civil War Era charts a path to understanding how the animal world became deeply involved in the most divisive moment in American history In addition to discussions on the dominant role of horses in the war one essay describes the use of camels by individuals attempting to spread slavery in the American Southwest in the antebellum period Another explores how smaller wildlife including bees and other insects affected soldiers and were in turn affected by them One piece focuses on the congressional debate surrounding the creation of a national zoo while another tells the story of how the famous show horse Beautiful Jim Key and his owner a former slave exposed sectional and racial fault lines after the war Other topics include canines hogs vegetarianism and animals as veterans in post Civil War America The contributors to this volume scholars of animal history and Civil War historians argue for an animal centered narrative to complement the human centered accounts of the war Animal Histories of the Civil War Era reveals that warfare had a poignant effect on animals It also argues that animals played a vital role as participants in the most consequential conflict in American history It is time to recognize and appreciate the animal experience of the Civil War period

*The Old Army in Texas* Thomas Ty Smith, 2021-10-27 In *The Old Army in Texas* U S Army officer and historian Thomas Ty Smith presents a comprehensive and authoritative single source reference for the activities of the regular army in the Lone Star State during the nineteenth century Beginning with a series of maps that sketch the evolution of fort locations on the frontier Smith furnishes an overview with his introductory essay U S Army Combat Operations in the Indian Wars of Texas 1849 1881 Reprinted from the Southwestern Historical Quarterly Smith's essay breaks new ground in an innovative analysis of the characteristics of army tactical methods and the nature of combat on the Texas frontier introducing a unique historical model and methodology to examine the army Indians conflicts The second part of this guide Commanders and Organization Department of Texas 1848 1900 lists the departmental commanders the location of the military headquarters and the changes in the administrative organization and military titles for Texas Part III U S Army Sites in Texas 1836 1900 provides a dictionary of 223 posts forts and camps in the state It is the most extensive inventory published to date including essential information on all of the major forts as well as dozens of obscure sites such as Camp Las Lajas Camp Ricketts and Camp Lugubrious The fourth part Post Garrisons 1836 1900 gives a year by year snapshot of total army strength in the state the regiments assigned and the garrisons and commanders of each major fort and camp Supplying the only such synopsis of its kind the Summary of U S

Army Combat Actions in the Texas Indian Wars 1849-1881 the guide's Part V offers a chronological description of 224 U S Army combat actions in the Indian Wars with vivid details of each engagement The 900 entries in the selected bibliography of Part VI are divided topically into sections on biographical sources and regimental histories histories of forts garrison life civil military relations the Mexican War and frontier operations In addition to being a helpful catalog of standard histories there are two important and unusual aspects to the bibliography It contains a complete range of primary source microfilm material from the National Archives including the roll numbers of specific periods of forts and units and secondly the bibliography integrates nearly all of the published archeological reports into the section on fort histories The Old Army in Texas is an indispensable reference and research tool for students scholars and military history aficionados It will be of great value to those interested in Texas history especially military history and local and regional studies This superb reference work is illustrated with a number of maps and rare photographs of the U S Army in nineteenth century Texas *Special*

*Bibliographic Series* US Army Military History Research Collection, 1978 Wildlife and Man in Texas Robin W. Doughty, 1983 The author uses letters journals and travel accounts to show the early attitudes toward the uses of indigenous birds and mammals of Texas Surviving on nature's bounty and remorselessly exterminating her threats wolves cougars and other wily critters settlers exploited Texas pristine fecundity Some species benefited from disturbed environments others were unable to adjust to human presence and disappeared By the 1880s concern about the diminishing numbers of many preferred species led to enactment of game laws and other efforts to protect and manage wildlife Today the author argues habitat change is the most pressing issue confronting conservationists *Encyclopedia of Texas* Nancy Capace, 2001-02-01

The United States Army and the Indian Wars in the Trans-Mississippi West, 1860-1898 US Army Military History Institute, 1978 This bibliography makes available the holdings of the USAMHI on the Indian Wars in the Trans Mississippi West 1860-1898 Also included are materials pertaining to the Carlisle Indian School 1897-1918 The library collection accompanied by the manuscript and photographic collections is described within this bibliography Introduction p iii

**Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1972 **Camp Verde** Joseph Luther, 2012-02-20 The Verde Valley the seemingly easy route to West Texas was in fact a land of peril adventure and near mythic heroes Historic Camp Verde has long been a strategic stronghold guarding the pass the valley and the many trails converging at this river crossing As frontiersman and settlers pushed through the pass and Native Americans responded with violent force the famed Texas Rangers attempted to control the region Officially established in 1856 the camp would become the testing ground for the Army's Camel Experiment and an outpost for Robert E Lee's legendary Second U S Cavalry Join local historian Joseph Luther as he narrates the tumultuous and uniquely Texan history of Camp Verde **Arab/American** Gary Paul Nabhan, 2008 The landscapes cultures and cuisines of deserts in the Middle East and North America have commonalities that have seldom been explored by scientists and have hardly been celebrated by society at large Sonoran

Desert ecologist Gary Nabhan grew up around Arab grandparents aunts uncles and cousins in a family that has been emigrating to the United States and Mexico from Lebanon for more than a century and he himself frequently travels to the deserts of the Middle East In an era when some Arabs and Americans have markedly distanced themselves from one another Nabhan has been prompted to explore their common ground historically ecologically linguistically and gastronomically Arab American is not merely an exploration of his own multicultural roots but also a revelation of the deep cultural linkages between the inhabitants of two of the world's great desert regions Here in beautifully crafted essays Nabhan explores how these seemingly disparate cultures are bound to each other in ways we would never imagine With an extraordinary ear for language and a truly adventurous palate Nabhan uncovers surprising convergences between the landscape ecology ethnogeography agriculture and cuisines of the Middle East and the binational Desert Southwest There are the words and expressions that have moved slowly westward from Syria to Spain and to the New World to become incorporated faintly but recognizably into the language of the people of the U S Mexico borderlands And there are the flavors piquant mixtures of herbs and spices that have crept silently across the globe and into our kitchens without our knowing where they came from or how they got here And there is much much more We also learn of others whose work historically spanned these deserts from Hadji Ali Hi Jolly the first Moslem Arab to bring camels to America to Robert Forbes an Arizonan who explored the desert oases of the Sahara These men crossed not only oceans but political and cultural barriers as well We are we recognize builders of walls and borders but with all the talk of homeland today Nabhan reminds us that quite often borders are simply lines drawn in the sand

Getting the books **Texas Camel Tales** now is not type of challenging means. You could not deserted going past book collection or library or borrowing from your friends to admission them. This is an categorically simple means to specifically get guide by on-line. This online proclamation Texas Camel Tales can be one of the options to accompany you bearing in mind having additional time.
