**Murder in the Air** Bill Crider, 2010-08-03 There s a big stink in Blacklin County and everyone seems to think Sheriff Dan Rhodes should do something about it The smell is coming from the giant chicken farm owned by Lester Hamilton Rhodes sees this as a matter for the state s air quality enforcement agency not the county sheriff That all changes however when Hamilton is found dead floating in an old rock pit not far from the town of Clearview Hamilton had probably been engaged in the act of noodling for catfish which is not only highly dangerous but illegal in Texas Rhodes suspects that Hamilton didn t die by accident though There are plenty of suspects including an eccentric community college professor and one of his colleagues who lives near the chicken farm and has to wear a respirator mask to ward off the smell Also someone known in the county as Robin Hood is going around shooting arrows into utility poles as a protest When semi nude protestors arrive at the chicken farm things really begin to get out of hand Filled with fun mayhem and memorable characters Murder in the Air is a wonderful addition to this very excellent series Award winning author Bill Crider shows again that he is one of the most talented and entertaining mystery writers around

found in the forest leaving Larry Colley more certain than ever that a monster is lurking there Dan Rhodes is not sure that Bud's death is the work of an ordinary criminal And he wouldn't be too surprised if somehow feral hogs were involved Rhodes knows what many Texans don't it is estimated that at least a million and a half feral hogs roam the state many believe it could be twice that many But when the sheriff is faced with the murder of an elderly woman in the small store she ran at the edge of the woods he knows he has a human killer on his hands A Mammoth Murder is Bill Crider's thirteenth mystery featuring Sheriff Dan Rhodes his two man headquarters staff and the quirky citizens of Blacklin County Readers of the series will unanimously welcome another visit to this hospitable if surprising Texas community where mixed with the real life inhabitants you'd find in any small Southwest town there will always be some really unique goings on

**The Wild Hog Murders** Bill Crider, 2011-07-05 Like most of the rest of Texas Blacklin County is being overrun with feral hogs that destroy farmland and crops There's hardly any defense against these pests but they haven't been the cause of murder Until now A mother and son have opened an animal shelter in the county and they welcome even feral hogs Someone's threatened them by slaughtering one of their animals and leaving it on their doorstep Then Sheriff Dan Rhodes and Deputy Ruth Grady stumble across a dead man while searching the woods for a convenience store robber The investigation into the man's death is complicated by angry hog hunters a crusading talk show host a bounty hunter named Hoss conflicts with the county commissioners and the reappearance of Rapper and Nellie the inept two man motorcycle gang that's caused Rhodes considerable trouble in the past By the time he's sorted through all the clues Rhodes discovers that quite a few people aren't who they seemed to be including those he's known for a long time And some of them are killers Award winning author Bill Crider has written an endearing and consistently entertaining series and The Wild Hog Murders offers a fresh new chance to get in on the fun
