Texas in Poetry 2 Billy Bob Hill, 2002 And of course one poem about Texas that is magnificent in its awfulness Lasca with memorable lines like Scratches don t count In Texas down by the Rio Grande **Adventures with a Texas Humanist** James Ward Lee, 2004 The author discusses the writers and trends in Texas literature beginning with early twentieth century writer J Frank Dobie and Larry McMurtry during the 1960s and places writers politicians and cultural leaders in the context Texas High Schools Texas. State Department of Education, 1929 Catalogue of the University of Texas of each age Not Till We Are Lost William Wenthe, 2003-10-31 William Wenthe's second collection of poetry University of Texas.1926 is a personal amplification of a passage from Henry Thoreau s Walden Not till we are lost in other words not till we have lost the world do we begin to find ourselves and realize where we are and the infinite extent of our relations Beginning with the necessary dislocation and loss that accompany adulthood these strong and moving poems tell a story of a man's losing his way in the midst of personal tragedies the death of his parents and the end of a marriage only to discover the true depth of his connection with others and ultimately with the divine In a variety of free verse traditional forms and sonnets the poet begins to reassess his life and his art and considers the possibility that language may distance us from the real as much as bind us to it Both deeply personal and powerfully spiritual Not Till We Are Lost strives toward the rediscovery of relations to family and lover to culture to environment Whether in a desert canyon or a high rise hotel or wading waist deep in a river the poet solid and honest is always aware of his ties to history and its artistic representations. The destination as well as the difficult means of arrival is love no mere word but a pain and sweetness in which loss and celebration converge
