Davidson,2021-02-09 This major work on Texas politics explores the complicated relations between the politically disorganized Texas blue collar class and the rich and the fabulously rich whose interests have been protected by brilliant practitioners of horse trading guile the jovial but serious threat the offer that can t be refused Texas Rupert N. Richardson,Cary D. Wintz,Adrian Anderson,Ernest Wallace,2016-05-23 Written in a narrative style this comprehensive yet accessible survey of Texas history offers a balanced scholarly presentation of all time periods and topics From the beginning sections on geography and prehistoric people to the concluding discussions on the start of the twenty first century this text successfully considers each era equally in terms of space and emphasis **Texas Politics** Cal Jillson,2015-07-30 The fifth edition of this popular text is now expanded and updated to better fit the needs of a stand alone Texas Politics course Jillson continues to approach the politics of the Lone Star State from historical developmental and analytical perspectives while giving students the most even handed readable and engaging description of Texas politics available today Throughout the book students are encouraged to connect the origins and development of government and politics in Texas from the Texas Constitution to party competition to the role and powers of the Governor to its current day practice and the alternatives possible through change and reform This text helps instructors prepare their students to master the origin and development of the Texas Constitution the structure and powers of state and local government in Texas how Texas fits into the U S federal system as well as political participation the electoral process and public policy in Texas Texas Politics offers instructors and students an unmatched range of pedagogical aids and tools Each chapter opens with an engaging vignette and a series of focus questions to orient readers to the learning objectives at hand and concludes with a chapter summary a list of key terms review questions suggested readings and web resources Key terms are bolded in the text listed at the end of the chapter and included in a glossary at the end of the book Each chapter includes Let s Compare boxes to help students see how Texas sits alongside other states and Pro Con boxes to bring conflicting political views into sharper focus Tables figures and photos throughout highlight the major ideas issues individuals and institutions discussed Bootstrap Liberalism Sean P. Cunningham,2002-04-21 Has Texas always been one of the United States most conservative states The answer might surprise you Bootstrap Liberalism offers a glimpse into the world of Depression era Texas politics revealing a partisan culture that was often far more ideologically nuanced and complex than meets the eye The Lone Star State is often viewed as a bastion of conservative politics and rugged bootstrap individualism but that narrative overlooks the fact that FDR s New Deal was quite popular in Texas much more so than previous histories of the era have suggested While it is true that many Texas Democrats remained staunchly conservative during Franklin D Roosevelt s presidency and it is also true that many of these conservatives formed the basis of an established majority that would grow stronger in the decades that followed it is simultaneously true that ordinary voters and a good many politicians embraced New Deal policies federal experimentation and direct economic aid and often did so enthusiastically as liberal Texas Democrats rode FDR s coattails to electoral success

Texas political leaders recognized the popularity of the New Deal and identified themselves with FDR for their own political advantage Using original resources mined from six research archives Bootstrap Liberalism explores campaign strategies and policy debates as they unfolded at the local state and national levels throughout the Great Depression and World War II eras revealing a consistent brand of pro New Deal messaging that won favor with voters across the state Most Texas Democrats did not apologize for supporting FDR Rather they celebrated him and often marketed themselves as New Deal Democrats Voters endorsed that strategy by electing liberals throughout the 1930s and early 1940s Demythologizing Educational Reforms Arthur T. Costigan, Leslee Grey, 2014-08-21 There are dozens of myths surrounding educational reform today maintaining the school's role in economic competitiveness the deficiency of teachers the benefits of increased testing and the worthiness of privatization In this volume the editors argue that this discussion has been co-opted to reflect the values and worldviews of special interest groups such as elites in power politicians corporate educational foundations and the media Prominent educational writers tackle contemporary issues such as neoliberalism suburban schooling charter schools and parental involvement They expose the logic behind the talk and critically examine these problematic beliefs to uncover meaningful improvements in education which are better grounded in the social economic political and educational realities of contemporary society El Centrolista 2012-2015 Arturo Cortez, 2016-02-08 El Centrolista 2012-2015 is written to inspire Yes we Can Hispanic Si se Puede Republican Democrat and liberal political warriors to register participate and vote for human first American politics in America today The text in this book consists of my cyberpolitical advice and correspondence to and from President Barack Obama in our effort to dignify humanity by way of Hispanic political power as I see it **Lone Star Politics** Ken Collier, Steven Galatas, Julie Harrelson-Stephens, 2018-11-29 I really love this textbook It is easy to read and flows logically as far as an assigned reading book for a face to face lecture goes the book is top notch Brian Naples Panola College In Texas myth often clashes with the reality of everyday government Explore the state's rich political tradition with Lone Star Politics as this local author team explains who gets what and how Utilizing the comparative method the authors set Texas in context with other states constitutions policymaking electoral practices and institutions as they delve into the evolution of its politics Critical thinking questions and unvarnished Winners and Losers discussions guide students toward understanding Texas government and assessing the state's political landscape The Sixth Edition expands its coverage on civil rights in the state as well as contemporary issues highlighting the push pull relationship between the state and federal and local governments A Complete Teaching Learning Package Interactive eBook Includes access to video multimedia tools and much more Save when you bundle the interactive eBook with the new edition Order using bundle ISBN 978 1 5443 6568 8 Learn more SAGE coursepacks FREE Easily import our quality instructor and student resource content into your school's learning management system LMS and save time Learn more SAGE edge FREE online resources for students that make learning easier See how your students benefit Bundle and save When bundled with the new edition of Lone Star Politics

*America, History and Life*, 2001 Provides historical coverage of the United States and Canada from prehistory to the present Includes information abstracted from over 2 000 journals published worldwide **Aryan Cowboys** Evelyn A. Schlatter, 2009-06-03 During the last third of the twentieth century white supremacists moved both literally and in the collective imagination from midnight rides through Mississippi to broadband wired cabins in Montana But while rural Montana may be on the geographical fringe of the country white supremacist groups were not pushed there and they are far from fringe elements of society as many Americans would like to believe Evelyn Schlatter s startling analysis describes how many of the new white supremacist groups in the West have co opted the region s mythology and environment based on longstanding beliefs about American character and Manifest Destiny to shape an organic home grown movement Dissatisfied with the urbanized culturally progressive coasts disenfranchised by affirmative action and immigration white supremacists have found new hope in the old ideal of the West as a land of opportunity waiting to be settled by self reliant traditional families Some even envision the region as a potential white homeland Groups such as Aryan Nations The Order and Posse Comitatus use controversial issues such as affirmative action anti Semitism immigration and religion to create sympathy for their extremist views among mainstream whites while offering a solution in the popular conception of the West as a place of freedom opportunity and escape from modern society *Aryan Cowboys* exposes the exclusionist message of this American ideal while documenting its dangerous appeal **The American South** William J. Cooper, Jr., Thomas E. Terrill, 2009-01-16 In *The American South* William J Cooper Jr and Thomas E Terrill demonstrate their belief that it is impossible to divorce the history of the south from the history of the United States Each volume includes a substantial biographical essay completely updated for this edition which provides the reader with a guide to literature on the history of the South Coverage now includes the devastation of Hurricane Katrina in 2005 up to date analysis of the persistent racial divisions in the region and the South s unanticipated role in the 2008 presidential primaries **Texas Confederate, Reconstruction Governor** Kenneth W. Howell, 2008-09-26 Of the 174 delegates to the Texas convention on secession in 1861 only 8 voted against the motion to secede James Webb Throckmorton of McKinney was one of them Yet upon the outbreak of the Civil War he joined the Confederate Army and fought in a number of campaigns At war s end his centrist position as a conservative Unionist ultimately won him election as governor Still his refusal to support the Fourteenth Amendment or to protect aggressively the rights and physical welfare of the freed slaves led to clashes with military officials and his removal from office in 1867 Throckmorton s experiences reveal much about southern society and highlight the complexities of politics in Texas during the latter half of the nineteenth century Because his life spans one of the most turbulent periods in Texas politics *Texas Confederate Reconstruction Governor* the first book on Throckmorton in nearly seventy years will provide new insights for

anyone interested in the Antebellum era the Civil War and the troubled years of Reconstruction
