You Are Not Ordinary In The Hands Of God Tella Olayeri, 2024-11-25 The title of this book You are not ordinary in the Hands of God summarizes a life changing truth Everyone no matter their background status or failures carries extraordinary potential when surrendered to God's divine purpose The world often defines people by their limitations what they lack their mistakes or their shortcomings Yet in God's hands these limitations become opportunities for miracles and weaknesses that are transformed into strength This book invites you on a journey of discovery showing that no one is insignificant in God's eyes It draws from biblical examples including the lives of individuals like Zacchaeus Gideon and Mary Magdalene to demonstrate how God specializes in using those deemed unworthy unqualified or ordinary to fulfill extraordinary purposes These stories reveal that what sets people apart is not their ability but their availability an open heart ready to trust God God's hands are the ultimate place of transformation Just as a potter shapes clay into a masterpiece so too does God take the broken discarded or ordinary and molds them into vessels of honor Through personal stories practical lessons and biblical insights this book challenges readers to let go of self doubt embrace God's calling and recognize that their uniqueness is by divine design In the hands of God every talent trial and triumph is purposeful The book emphasizes that you are not defined by society's standards but by the One who created you When you align with his vision you discover

that you are far from ordinary You are a vessel through which God s extraordinary love and power are revealed to the world This book will encourage you to step into your God given identity knowing that with him your life is destined for greatness In the midst of these God will make you are a formidable giant before your enemies This is a declaration of spiritual authority resilience and victory This book reveals the truth that believers are not weak or defenseless in the face of life s challenges Instead they are equipped with divine power to overcome every adversary and obstacle It challenges readers to see themselves not as victims but as victors destined to triumph through the strength of God This book highlights how even those who appear small in the eyes of the world can stand as mighty giants against their enemies David a shepherd boy was seen as insignificant yet his confidence in God turned him into a force that could not be defeated This story reminds us that our strength does not come from physical stature wealth or influence but from the power of God working within us This book is powerful to inspire readers to recognize their inner strength helping them confront challenges with confidence and resilience in the following areas The book offers a faith centered perspective that aligns with biblical principles reinforcing spiritual truths about overcoming adversity The title alone conveys hope and a call to action promising readers that they are capable of greatness in the presence of God This book acknowledges the reality of challenges while providing a roadmap for victory making it relatable to readers in tough situations It is a faith strengthening weapon that deepens your understanding of God s extraordinary plans for your life It encourages readers to grow spiritually emotionally and mentally fostering a holistic approach to self improvement The book encourages a positive mindset that shifts the focus from obstacles to opportunities cultivating optimism and hope This book will empower your identity by helping you embrace your unique purpose as a creation of God You need it Improve your knowhow with it God bless you Amen

Sinners in the Hands of a Loving God

Brian Zahnd,2017-08-15 Pastor Brian Zahnd began to question the theology of a wrathful God who delights in punishing sinners and has started to explore the real nature of Jesus and His Father The book isn t only an interesting look at the context of some modern theological ideas it s also offers some profound insight into God s love and eternal plan Relevant Magazine Named one of the Top 10 Books of 2017 God is wrath Or God is Love In his famous sermon Sinners in the Hands of an Angry God Puritan revivalist Jonathan Edwards shaped predominating American theology with a vision of God as angry violent and retributive Three centuries later Brian Zahnd was both mesmerized and terrified by Edwards s wrathful God Haunted by fear that crippled his relationship with God Zahnd spent years praying for a divine experience of hell What Zahnd experienced instead was the Father s love revealed perfectly through Jesus Christ for all prodigal sons and daughters In Sinners in the Hands of a Loving God Zahnd asks important questions like Is seeing God primarily as wrathful towards sinners true or biblical Is fearing God a normal expected behavior And where might the natural implications of this theological framework lead us Thoughtfully wrestling with subjects like Old Testament genocide the crucifixion of Jesus eternal punishment in hell and the final judgment in Revelation Zanhnd maintains that the summit of divine revelation for

sinners is not God is wrath but God is love **The Danger of Falling Into the Hands of the Living God** Matthew Mead, C. Matthew McMahon, 2016-06-13 In this convicting work directed to increase a healthy fear of the Living God to Christians Mead works from Hebrews 10:31 It is a fearful thing to fall into the hands of the Living God Mead teaches in what sense God is the living God and what it means to fall into the hands of this God who lives Every sinner redeemed or remaining in unbelief will ultimately stand in judgment before the Living God and will have to deal with God both necessarily and everlastingly Necessarily as God requires an account of their life and everlastingly where the final state of the sinner will be determined Mead demonstrates that having such a healthy fear of falling into God's hands is evidenced from that terror which sinners themselves many times feel under the sense of God's wrath in this world Men must be saved by Christ to escape the dreadful judgment that accompanies unbelief when they fall into the hands of the Living God This union with Christ God's only Redeemer is such a union as that by it a man's state is fundamentally changed so that he is no longer a child of wrath It is a union fixed in the blessed state of justification and the forgiveness of sins By virtue of this union he has a right to all the blessings of the covenant This is what gives Christians great boldness in the day of judgment to stand before the Living God in whom hands they are judged This is not a scan or facsimile has been updated in modern English for easy reading and has an active table of contents for electronic versions **God's Inaudible Voice and His Invisible Hands**

Patricia Cheatham Thomas, 2021-03-29 Life is a journey Some good moments and some not so good moments This book comes to bring comfort in showing us that we are not traveling alone We have the inaudible voice of God navigating our lives daily and His invisible hands providing for our daily needs This book will help you detect when God is speaking and the unlimited ways God speaks to you You will begin to confidently recognize the invisible hands of God blessing and moving mountains on your behalf This eye opening journey will guide and empower everyone and bring encouragement to the hearts of caregivers everywhere **Seekers in the Hands of an Elusive God**

Jeffery M. Leonard, 2025-06-17 Some Christians experience the presence of God as readily as they feel a pleasant breeze or sunshine For others God's presence is often much more difficult to find Like the psalmists we struggle with asking Why O Lord do you stand far off Ps 10:1 At least part of the dynamic in this struggle lies in the fact that Scripture presents God as both everywhere and mysterious at the same time As Paul told the sages of the Areopagus In him we live and move and have our being yet it is God's will that we search for God grope for him and find him Acts 17:27-28 God is as present with his people as the tabernacle was with ancient Israel and yet even the tabernacle was meant to illustrate the fact that God cannot be pinned down contained or controlled We live in the tension of worshiping a God who is everywhere and yet must be sought Seekers in the Hands of an Elusive God explains the scriptural dynamic of this omnipresent but elusive God It is when we fail to search for God that our view of who God truly is becomes distorted and our own spiritual health diminishes when our relationship with God lacks this pursuit But how then are we called to seek God This book considers a variety of avenues in Scripture nature humanity worship silence doubt

suffering death and joy In all these ways even those of us who wrestle with spiritual loneliness can join with saints of the past in pursuing the face of God

Sinners in the Hands of a Good God David Clotfelter, 2004-10-01 Are heaven and hell real How does God's election correspond to our freedom Why did Jesus have to die Why doesn't God save everybody These are questions most believers and seekers have asked and they are biblically answered by author David Clotfelter Contrasting the theologies of Jonathan Edwards with George MacDonald the author reconciles the difficult doctrines of divine judgement and predestination Sure to be thought and discussion provoking message

Into the Hands of the Living God Lyle M. Eslinger, 1989-01-01 Into the Hands of the Living God is Lyle Eslinger's second study of Deuteronomistic literature This book is devoted to studies of key texts Joshua 1 9 Judges 1 2 1 Samuel 12 1 Kings 8 2 Kings 17 or concepts the success failure of the conquest the exile and theodicy in these narratives Eslinger's readings are unorthodox and challenging both for readers from the communities of faith and for critical scholarship The Deuteronomistic narratives are here shown to be far from being a vindication of the ways of God at Israel's expense Rather in these narratives God no less than Israel

Civil Wars David R. Slavitt, 2013-10-01 Praise for David R Slavitt Slavitt's touch is light and he writes beautifully His satire is sharp and he can be wildly funny New York Times Book Review One of America's most lucid and classical poets Slavitt's attitude is as one would expect of a Hebrew as well as Greco Latin classicist sharply questioning as well as tragic He is a poet one reads to know more Booklist Slavitt is both smart and wise he's as well known for his translations of the writers of antiquity as he is for his original work both poetry and prose With a rich sense of humor a bit of attitude and a fascination with details even minutiae Slavitt tries his hand at new and curious measures and forms as well as seemingly free range meditations or one might say meanderings Library Journal The bravura of David R Slavitt's first book of poems published more than fifty years ago continues to reverberate through his newest collection in a voice matured and roughened by age *Civil Wars* conjures the mutterings of old men meditations despondent yet playfully witty and bold on the meaning of life and death the reasoning for human action or inaction and misremembered memories Nothing proves too lofty or too trifling for the poet's scrutiny Slavitt's attention roves from the carnage inflicted by the Achaeans at Troy to the performances of Borrah Minevich and the Harmonica Rascals from meditations on Spinoza to the baseball of the New York Yankees He considers with deliberation all of these subjects and deems them necessary to help create a spiritual connection in our lives Slavitt encourages contemplation of the world and writing rather than acceptance of the thoughts of the critic who comes austere a man of authority and offers to help but only dilutes the power of a poem In this collection Slavitt also includes translations of Greek Hebrew Provençal French and Old English poems including a little known piece by the mathematician Pierre de Fermat and the Old English epic poem *The Battle of Maldon*
