**The Christian Doctrine of Re-birth** Walter Yeeling Evans-Wentz,1921      Reincarnation and the Law of Karma William Walker Atkinson,2009-05-01 What happens to the soul after death Do we go on to be reborn in another body or are we transported to some as yet unknown astral plane Regardless of what your stance on the concept of reincarnation might be this comprehensive introduction to the subject written by renowned New Thought expert William Walker Atkinson is an engrossing and enlightening read      The Great White Brotherhood Elizabeth Clare Prophet,2020-08-31 Throughout the ages there have been men and women in every race and religion that have mastered time and space transcended the cycles of karma and rebirth and returned to the Source of all life By attaining the goal of life the ascension these souls have become ascended masters In this book drawn from the author s pivotal spiritual conference held at Mount Shasta in 1975 you will discover how the saints and sages of both East and West work together behind the scenes of life with seekers in every field of human endeavor Learn about this vast brotherhood of light known as the Great White Brotherhood the word white refers not to race but to the aura of white light that surrounds these ascended masters their devotion to humanity and their tireless efforts to help you and those you love Contains an easy to understand and unique approach to spiritual astrology called the Cosmic Clock with diagrams Also explores key interpretations of the Book of Revelation America s unique role and the little known vision of George Washington and the prophecy of Sir William Hope about the future of America      **Reincarnation** William Walker Atkinson,2019-09-25 Reproduction of the original Reincarnation by William Walker Atkinson      **The Flaming Sword** ,1916      *The Path of Self Transformation* Mark L. Prophet,Elizabeth Clare Prophet,2010-08-20 Who is Christ Who is Antichrist Both are present in the world as well as within ourselves How do we tell them apart especially when the strategies of Antichrist are subtle and calculated to deceive The Path of Christ or Antichrist provides clarity and insight into the most important choice that we make in life to be or not to be who we really are This is a choice we affirm with each decision large or small that we make in life The authors outline the difference between Christ and Antichrist and hence the choices that we all face on the path to spiritual enlightenment and self mastery They offer new interpretations of the age old battle between light and darkness and how it affects our daily lives along with spiritual techniques to guard our consciousness and direct spiritual light and energy for the blessing and healing of all life      *From Incarnation to Re-incarnation* Richard Ingalese,Isabella Ingalese,1908      **The Theosophist** ,1909      **Theosophy** Rudolf Steiner,2019-01-09 This book is a good starting point among the hundreds of books written by Rudolf Steiner He sees a tripartate model of the individual here body soul and spirit cautioning us that these are only approximate terms This book will give a description of some of the regions of the supersensible world The reader who is willing to admit the existence of the sensible world only will regard this delineation as a mere unreal production of the imagination He however who looks for paths that lead beyond this world of the senses will soon learn to understand that human life only gains in worth and significance through sight into another world

Such a man will not as many fear be estranged from the real world through this new power of vision He learns to know the causes of life while without it he gropes like a blind man through their effects Only through the understanding of the supersensible does the sensible real acquire meaning History and Power of Mind Richard Ingalese,2021-01-01 Embark on a profound exploration of the human mind with Richard Ingalese s *History and Power of Mind* This enlightening book delves into the depths of consciousness offering readers a fascinating journey through the history science and potential of the mind In this captivating volume Ingalese traces the evolution of human thought from ancient civilizations to the modern era exploring the ways in which ideas about the mind have shaped culture society and individual lives Drawing on insights from philosophy psychology and spirituality he illuminates the complex interplay between mind and reality offering readers a deeper understanding of their own mental processes and the forces that shape human experience Themes of self discovery transformation and the quest for meaning permeate the pages of *History and Power of Mind* as Ingalese invites readers to explore the limitless potential of the human mind Through his insightful commentary and thought provoking exercises he empowers readers to tap into their innate creativity intuition and spiritual potential unlocking new levels of insight and awareness With its blend of scholarly rigor and practical wisdom *History and Power of Mind* offers readers a comprehensive guide to the workings of the mind and the ways in which they can harness its power to create positive change in their lives and the world around them Whether you re interested in psychology philosophy or personal development this book provides valuable insights and tools for unlocking the full potential of your mind Widely praised for its depth of insight and clarity of expression *History and Power of Mind* has earned its place as a classic in the field of mental science Ingalese s ability to synthesize diverse perspectives and distill complex ideas into accessible language makes this book a valuable resource for readers of all backgrounds and interests Don t miss your chance to explore the history and power of the human mind Let Ingalese s insightful commentary and practical guidance inspire you to unlock new levels of insight creativity and personal transformation Grab your copy of *History and Power of Mind* now and embark on a journey of self discovery and empowerment *Nineteenth-Century Religion, Literature and Society* Naomi Hetherington,Clare Stainthorp,2020-12-14 This four volume historical resource provides new opportunities for investigating the relationship between religion literature and society in Britain and its imperial territories by making accessible a diverse selection of harder to find primary sources These include religious fiction poetry essays memoirs sermons travel writing religious ephemera unpublished notebooks and pamphlet literature Spanning the long nineteenth century c 1789 1914 the resource departs from older models of the Victorian crisis of faith in order to open up new ways of conceptualising religion Volume four on Disbelief and New Beliefs explores the transformation of the religious landscape of Britain and its imperial territories during the nineteenth century as a result of key cultural and intellectual forces **A Theosophist's Point of View** James Albert Clark,1901 **Unveiled Mysteries** Godfr Ray King,2020-09-28 MOUNT SHASTA stood out boldly against the western sky surrounded at its base by

a growth of pine and fir trees that made it look like a jewel of diamond shining whiteness held in a filigree setting of green Its snow covered peaks glistened and changed color from moment to moment as the shadows lengthened in the sun s descent toward the horizon Rumor said there was a group of men Divine men in Fact called the Brotherhood of Mount Shasta who formed a branch of the Great White Lodge and that this Focus from very ancient times had continued unbroken down to the present day I had been sent on government business to a little town situated at the foot of the mountain and while thus engaged occupied my leisure time trying to unravel this rumor concerning The Brotherhood I knew through travels in the Far East that most rumors myths and legends have somewhere as their origin a deep underlying Truth that usually remains unrecognized by all but those who are Real students of life I fell in love with Shasta and each morning almost involuntarily saluted the Spirit of the Mountain and the Members of the Order I sensed something very unusual about the entire locality and in the light of the experiences that followed I do not wonder that some of them cast their shadows before Long hikes on the trail had become my habit whenever I wanted to think things out alone or make decisions of serious import Here on this great giant of nature I found recreation inspiration and peace that soothed my soul and invigorated mind and body I had planned such a hike for pleasure as I thought to spend some time deep in the heart of the mountain when the following experience entered my life to change if so completely that I could almost believe I was on another planet but for my return to the usual routine in which I had been engaged for months The morning in question I started out at daybreak deciding to follow where fancy led and in a vague sort of way asked God to direct my path By noon I had climbed high up on the side of the mountain where the view to the south was beautiful as a dream As the day advanced it grew very warm and I stopped frequently to rest and enjoy to the full the remarkable stretch of country around the McCloud River Valley and town It came time for lunch and I sought a mountain spring for clear cold water Cup in hand I bent down to fill it as an electrical current passed through my body from head to foot I looked around and directly behind me stood a young man who at first glance seemed to be someone on a hike like myself I looked more closely and realized immediately that he was no ordinary person As this thought passed through my mind he smiled and addressed me saying My Brother if you will hand me your cup I will give you a much more refreshing drink than spring water I obeyed and instantly the cup was filled with a creamy liquid Handing it back to me he said Drink it I did so and must have looked my astonishment for while the taste was delicious the electrical vivifying effect in my mind and body made me gasp with surprise I did not see him put anything into the cup and I wondered what was happening That which you drank he explained comes directly from the Universal Supply pure and vivifying as Life Itself in fact it is Life Omnipresent Life for it exists everywhere about us It is subject to our conscious control and direction willingly obedient when we Love enough because all the Universe obeys the behest of Love Whatsoever I desire manifests itself when I command in Love I held out the cup and that which I desired for you appeared **From Here to Transcendence** Joyce Strahn,2020-10-06 What if you could protect or heal with the power of color and light What if you

could reconnect with loved ones who have passed and learn from the other side What if we are transcendent beings with a magnificent history and cosmic destiny There s more to reality than it appears In this book Arcturian Joyce Strahn shows how all of this is possible With gentle humour Strahn shares stories of using light energy for protection compassion and the greater good before delving into the mysteries of other planes and the existential future of Earth and our species Based on her lifetime of spiritual study Strahn outlines techniques to guide readers through these troublesome times In this book you will learn 1 How to protect property from harm 2 How to use color and light as healing techniques 3 How to manifest what you need 4 Read heartwarming communications with her real Dad after his transition and what he has to teach us 5 Concrete steps that will help to raise our vibration and point the way to a brighter future      *The History and Power of Mind* Richard Ingalese,1902      **Theosophy...** Rudolf Steiner,1910      *Business Man's Dictionary and Guide to English* ,1920      The Mountain Pine ,1906      **Linked Lives** Isabella Ingalese,1903      **The Star** ,1928
