The Life Of Family Planning Pioneer Constance Goh A Point Of Light:

A Point of Light Mei Zhou,1997 **The Global Family Planning Revolution** Warren C. Robinson,John A. Ross,2007

The striking upsurge in population growth rates in developing countries at the close of World War II gained force during the next decade From the 1950s to the 1970s scholars and advocacy groups publicized the trend and drew troubling conclusions about its economic and ecological implications Private educational and philanthropic organizations government and international organizations joined in the struggle to reduce fertility Three decades later this movement has seen changes beyond anyone's most optimistic dreams and global demographic stabilization is expected in this century The Global Family Planning Revolution preserves the remarkable record of this success Its editors and authors offer more than a historical record They discuss important lessons for current and future initiatives of the international community Some programs succeeded while others initially failed and the analyses provide valuable guidance for emerging health related policy objectives and responses to global challenges *Experiencing Society and the Lived Welfare State* Pertti Haapala,Minna Harjula,Heikki Kokko,2023-05-23 This open access book presents a new approach to the history of welfare state By applying the concepts of experiencing society and the lived welfare state the collection introduces theoretical methodological and empirical insights for bridging the everyday life and institutional structures The chapters analyze how the welfare state as a particular individual society relationship has become an integral part of living in the modern society With a long term perspective the chapters explore the experience of society which enabled the building and the resilience of a welfare state As the welfare state is not a universal model of social development but historically unique in different contexts the book broadens the focus from the Nordic countries to Southern Europe colonial Asia and post colonial South America This collection is essential reading for scholars and students in the social sciences and history as well as for policymakers and practitioners who face the contemporary and future challenges of the welfare states *Social Studies S5 Ab* ,
