Williamson,2016-12-14 Excerpt from Life of J E B Stuart Some years ago to fill what appeared to me a need in our literature for children I made a study of the lives and campaigns of General R E Lee and of General Stonewall Jackson and prepared for very young readers histories of those great commanders In performing these tasks I became interested in the combats and maneuvers of General Lee s chief of cavalry major general J E B Stuart Who has been justly called the eyes and ears of Lee As the years go by I find no book in print recounting to children his wonderful feats and valorous service or explaining to them the part played in the battles of Lee and Jackson by the Stuart Cavalry Corps and Horse Artillery whose exploits hold a brilliant place in modern military tactics To make good this omission I have prepared this little life of Stuart in the hope that it will not only pass on the story of military deeds as captivating as any in history but warm the hearts of rising generations to lives of courage and devotion About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *General J.E.B. McClellan,2015-12-16 H B McClellan was a Confederate staff officer for the iconic cavalry chief J E B Stuart and wrote a contemporary biography of him shortly after the war Stuart February 6 1833 May 12 1864 was the most famous cavalry officer of the Civil War fighting for the

Confederacy in Lee's Army of Northern Virginia until his death at the Battle of Yellow Tavern in May 1864. Although he was well known for his dashing ways, Stuart was also brilliant in the role due to his mastery of reconnaissance and the use of cavalry in support of offensive operations. While he cultivated a cavalier image—red lined gray cape, yellow sash, hat cocked to the side with an ostrich plume, red flower in his lapel—often sporting cologne, his serious work made him the trusted eyes and ears of Robert E. Lee's army and inspired Southern morale. J. E. B. Stuart Edward G. Longacre, 2025-08-05

Edward Longacre provides a balanced portrait of the Civil War's famed cavalryman J. E. B. Stuart, debunking myths to reveal a complex man known for both his military brilliance and personal flaws. Fifteen years have passed since the publication of the last biography of Jeb Stuart. Several appeared during the last century lauding his contributions to Confederate fortunes in the Eastern Theater. Each follows a familiar tradition established by hero-worshipping subordinates portraying its subject as a model of chivalric conduct with a romantic's outlook on life and a sense of fair dealing and goodwill even toward his enemy J. E. B. Stuart. *The Soldier and the Man* by award-winning author Edward Longacre is the first balanced, detailed and thoroughly scrutinized study of the life and service of the Civil War's most famous cavalryman. Long known to scholars and history buffs alike as *The Beau Sabreur of the Confederacy*, James Ewell Brown Stuart of Virginia was possessed of many gifts personally and professionally and led the Army of Northern Virginia's cavalry to the all but complete satisfaction of his superiors. Stuart insisted Robert E. Lee never brought me a piece of false information. Being human, Stuart also underperformed. On occasion he underestimated his opponents, took unnecessary risks with his habitually understrength command, failed to properly discipline and motivate his troopers and was prone to errors both strategic and tactical. These flaws were evident during the Gettysburg Campaign when his wayward route to the battlefield deprived Lee of the ability to safely negotiate his path toward a climactic confrontation with the Union Army of the Potomac. Because of his outsized wartime reputation, one embellished in the century and a half since, most of Stuart's errors have passed virtually unnoticed or when addressed have been excused or explained away in some fashion. Longacre's study is based on hundreds of published works, archival sources and newspapers. He probes not only Stuart's military career but elements of his character and personality that invite investigation. Even the man's fiercest partisans admitted that he was vain and inordinately sensitive to criticism with a curious streak of immaturity at times, the hard-edged veteran at other times, a devotee of the pageantry of war given to affectations such as ostrich-plumed hats, golden spurs and the headquarters musicians who accompanied him on the march. Ever motivated by appeals to vanity, he curried the patronage of powerful men and responded readily to the attentions of attractive women even though by 1861 he was a long married man. Personal flaws and limitations aside, Stuart was popular with his officers and men, beloved by members of his staff and considered by the people of his state and region the beau ideal of Confederate soldiery. The distinction endures today. Longacre's *J. E. B. Stuart* is an attempt to determine its validity. *Life and Campaigns of Major General J. E. B. Stuart* H. B. McClellan, 2003-01-01 General J.e.b.
