La Mettrie: Machine Man and Other Writings Julien Offray de La Mettrie, 1996-04-18 Julien Offray de La Mettrie 1709 51 author of Machine Man 1747 was the most uncompromising of the materialists of the eighteenth century and the provocative title of his work ensured it a success de scandale in his own time It was however a serious if polemical attempt to provide an explanation of the workings of the human body and mind in purely material terms and to show that thought was the product of the workings of the brain alone This fully annotated edition presents an English translation of the text together with the most important of La Mettrie's other philosophical works translated into English and Ann Thomson's introduction examines his aims and the scandalous moral consequences which he drew from his materialism

The Washing Machine Man's Travels Andrew Lindsay, 2005 All Men Are Brothers Mohandas K. Gandhi, 2005-09-20 All Men Are Brothers is a compelling and unique collection of Gandhi's most trenchant writings on nonviolence especially in the context of a post nuclear world This compendium which reads like a traditional book Gandhi without tears is drawn from a wide range of his reflections on world peace It is not that I am incapable of anger but I succeed on almost all occasions to keep my feelings under control Such a struggle leaves one stronger for it The more I work at this the more I feel delight in my life the delight in the scheme of the universe It gives me a peace and a meaning of the mysteries of nature that I have no
