fault The boss told him to creep and he crept If he declined to creep he would be sacked instanter It was hard and yet he felt the sting of her words and in his bosom the first seeds of dissatisfaction with his occupation took root You might have thought that this frankness on the girl's part would have kept Henry from falling in love with her Certainly the dignified thing would have been to change his seat at table and take his meals next to someone who appreciated the romance of detective work a little more But no he remained where he was and presently Cupid who never shoots with a surer aim than through the steam of boarding house hash sniped him where he sat He proposed to Alice Weston She refused him It's not because I'm not fond of you I think you're the nicest man I ever met A good deal of assiduous attention had enabled Henry to win this place in her affections He had worked patiently and well before actually putting his fortune to the test I'd marry you tomorrow if things were different But I'm on the stage and I mean to stick there Most of the girls want to get off it but not me And one thing I'll never do is marry someone who isn't in the profession My sister Genevieve did and look what happened to her She married a commercial traveller and take it from me he travelled She never saw him for more than five minutes in the year except when he was selling gent's hosiery in the same town where she was doing her refined speciality and then he'd just wave his hand and whiz by and start travelling again My husband has got to be close by where I can see him I'm sorry Henry but I know I'm right
