A New History of Iowa Jeff Bremer, 2023-10-06 The state of Iowa is largely unappreciated and often misunderstood It has a small population and sits in the middle of a huge country It s thought of as an uninspiring place full of farms and fields of corn But Iowa represents America as surely as New York and California and Iowa s history is more dynamic complicated and influential than commonly imagined Jeff Bremer s *A New History of Iowa* offers the most comprehensive history of the Hawkeye State ever written surveying Iowa from the last ice age through the COVID 19 pandemic It tells a new and vibrant story examining the state s small town culture politics social and economic development and its many diverse inhabitants Bremer features well known individuals such as Sauk leader Black Hawk artist Grant Wood botanist George Washington Carver suffragist Carrie Chapman Catt and President Herbert Hoover But Bremer broadens the state s story by including new voices among them runaway enslaved men who joined Iowa s 60th Colored Regiment in the Civil War young female pearl button factory workers Latino railroad workers who migrated to the state in the early twentieth century and recent refugees from Southeast Asia and the Balkans This new story of Iowa provides a brisk readable narrative written for a broad audience from high school and college students to teachers and scholars to general readers It tells the story of ordinary and extraordinary people of all backgrounds and greatly improves our knowledge of a

state whose history has been neglected A New History of Iowa is for everyone who wants to learn about Iowa's surprising complex and remarkable past Iowa and the Death Penalty | A Troubled Relationship | 1834 - 1965 Dick Haws, 2010 Forty six men no women were hanged on Iowa gallows between 1834 and 1965 the time span when capital punishment was the land of the land in Iowa Iowa and the Death Penalty tells who the men were what they did what issues they and their crimes raised Forty three were murderers three were rapists They committed some of the most heinous crimes in Iowa history but their deaths have left behind lingering questions Iowa's experience with the death penalty was not a comfortable one **Ray & Joan** Lisa Napoli, 2016-11-15 The movie The Founder starring Michael Keaton focused the spotlight on Ray Kroc the man who amassed a fortune as the chairman of McDonald's But what about his wife Joan the woman who became famous for giving away his fortune Lisa Napoli tells the fascinating story behind the historic couple Ray Joan is a quintessentially American tale of corporate intrigue and private passion a struggling Mad Men era salesman with a vision for a fast food franchise that would become one of the world's most enduring brands and a beautiful woman willing to risk her marriage and her reputation to promote controversial causes that touched her deeply Ray Kroc was peddling franchises around the country for a fledgling hamburger stand in the 1950s McDonald's it was called when he entered a St Paul supper club and encountered a beautiful young piano player who would change his life forever The attraction between Ray and Joan was instantaneous and instantly problematic Yet even the fact that both were married to other people couldn't derail their roller coaster of a romance To the outside world Ray and Joan were happy enormously rich and giving But privately Joan was growing troubled over Ray's temper and dark secret something she was reluctant to publicly reveal Those close to them compared their relationship to that of Elizabeth Taylor and Richard Burton And yet this volatility paved the way for Joan's transformation into one of the greatest philanthropists of our time A force in the peace movement she produced activist films books and music and ultimately gave away billions of dollars including landmark gifts to the Salvation Army and NPR Together the two stories form a compelling portrait of the twentieth century a story of big business big love and big giving Senators of the United States Diane B. Boyle, 1995 S Doc 103 34 Compiled by Jo Anne McCormick Quatannens Diane B Boyle editorial assistant prepared under the direction of Kelly D Johnston Secretary of the Senate Lists scholarly works that profile the lives and legislative service of senators and their autobiographies and other published works Senators of the United States, 1995 The Age of Evangelicalism Steven Patrick Miller, 2014 At the start of the twenty first century America was awash in a sea of evangelical talk The Purpose Driven Life Joel Osteen The Left Behind novels George W Bush Evangelicalism had become so powerful and pervasive that political scientist Alan Wolfe wrote of a sense in which we are all evangelicals now Steven P Miller offers a dramatically different perspective the Bush years he argues did not mark the pinnacle of evangelical influence but rather the beginning of its decline The Age of Evangelicalism chronicles the place and meaning of evangelical Christianity in America since 1970 a period Miller defines as America's born again years This was a

time of evangelical scares born again spectacles and battles over faith in the public square From the Jesus chic of the 1970s to the satanism panic of the 1980s the culture wars of the 1990s and the faith based vogue of the early 2000s evangelicalism expanded beyond churches and entered the mainstream in ways both subtly and obviously influential Born again Christianity permeated nearly every area of American life It was broad enough to encompass Hal Lindsey s doomsday prophecies and Marabel Morgan s sex advice Jerry Falwell and Jimmy Carter It made an unlikely convert of Bob Dylan and an unlikely president of a divorced Hollywood actor As Miller shows evangelicalism influenced not only its devotees but its many detractors religious conservatives secular liberals and just about everyone in between The Age of Evangelicalism contained multitudes it was the age of Christian hippies and the silent majority of Footloose and The Passion of the Christ of Tammy Faye Bakker the disgraced televangelist and Tammy Faye Messner the gay icon Barack Obama was as much a part of it as Billy Graham The Age of Evangelicalism tells the captivating story of how born again Christianity shaped the cultural and political climate in which millions Americans came to terms with their times
