Studies in the Psychology of Sex VI: Sex in Relation to Society Havelock Ellis, 2016-08-25 The origin of these Studies dates from many years back As a youth I was faced as others are by the problem of sex Living partly in an Australian city where the ways of life were plainly seen partly in the solitude of the bush I was free both to contemplate and to meditate many things A resolve slowly grew up within me one main part of my life work should be to make clear the problems of sex That was more than twenty years ago Since then I can honestly say that in all that I have done that resolve has never been very far from my thoughts I have always been slowly working up to this central problem and in a book published some three years ago Man and Woman a Study of Human Secondary Sexual Characters I put forward what was in my own eyes an introduction to the study of the primary questions of sexual psychology Now that I have at length reached the time for beginning to publish my results these results scarcely seem to me large As a youth I had hoped to settle problems for those who came after now I am quietly content if I do little more than state them For even that I now think is much it is at least the half of knowledge In this particular field the evil of ignorance is magnified by our efforts to suppress that which never can be suppressed though in the effort of suppression it may become perverted I have at least tried to find out what are the facts among normal people as well as among abnormal people for while it seems to me that the physician's training is necessary in order to ascertain the facts the physician for the most part only obtains the abnormal facts which alone bring little light I have tried to get at the facts and having got at the facts to look them simply and squarely in the face If I cannot perhaps turn the lock myself I bring the key which can alone in the end rightly open the door the key of sincerity That is my one panacea sincerity

biblical insight practical examples and even comparisons from the animal kingdom The Marriage Clinic equips couples to navigate the complexities of marriage with wisdom and purpose **Law Relating to Cruelty to Husband: Divorce and Maintenance to Wife** Pramod Kumar Das,2010 Polygamy in Northern Malawi Mlenga, Moses,2016-01-13 The early missionaries brought Christianity from the monogamous West to the polygamous societies of Africa Were the missionaries right in demanding that converts dismiss all but one wife Was this the demand of the Christian faith or of Western civilization And were the converts right to dismiss their wives though they had married them according to the laws of the land And who asked the children if they wanted their mothers to be dismissed and may or may not be married to another man The book argues that while polygamy is an African reality it is below Christian moral standards However is stopping converted polygamous men and women from baptism best practice if we believe that sin can be forgiven for the one who repents Can the shedding of responsibility for wives and children be made a precondition for such forgiveness **Word by Word** Kory Stamper,2018-03-06 We think of English as a fortress to be defended but a better analogy is to think of English as a child We love and nurture it into being and once it gains gross motor skills it starts going exactly where we don t want it to go it heads right for the goddamned electrical sockets With wit and irreverence lexicographer Kory Stamper cracks open the obsessive world of dictionary writing from the agonizing decisions about what to define and how to do it to the knotty questions of ever changing word usage Filled with fun facts for example the first documented usage of OMG was in a letter to Winston Churchill and Stamper s own stories from the linguistic front lines including how she became America s foremost irregardless apologist despite loathing the word Word by Word is an endlessly entertaining look at the wonderful complexities and eccentricities of the English language House of Lords.
