Gabbard,Krin Gabbard,1999 Psychiatry and the Cinema explores this complementary relationship from two angles psychiatrists who have studied the movies and movies that have depicted psychiatry This second edition has updated this definitive text with a discussion of new trends in psychoanalytically oriented film theory and an expanded list of movies is analyzed *From El Dorado to Lost Horizons* Ken Windrum,2019-03-25 Investigates how musicals war films sex comedies and Westerns dealt with contentious issues during a time of change in Hollywood The era known as the Hollywood Renaissance is celebrated as a time when revolutionary movies broke all the rules of the previous classical era as part of the ferment of the late 1960s and early 1970s Yet many films during this era did not overtly smash the system but provided more traditional entertainment based on popular genres for a wider audience than the youth culture who flocked to more transgressive fare Ken Windrum focuses on four genres of traditionalist movies big budget musicals war spectacles naughty sex comedies and Westerns From El Dorado to Lost Horizons shows how even seemingly innocuous family oriented films still participated in the progressive aspects of the time while also holding a conservative point of view Windrum analyzes representations of issues including gender roles marriage sexuality civil rights and Cold War foreign policy revealing how these films dealt with changing times and reflected both status quo positions and new attitudes He also examines how the movies continued or deviated from classical principles of structure and style Windrum provides a counter history of the Hollywood Renaissance by focusing on a group of important films that have nevertheless been neglected in scholarly accounts This book is detailed and insightful in discussing the traditional classical and maverick but ultimately recuperative qualities of the mainstream films of the period Windrum's discussion of the narrative structure and stylistic elements of the films both classical and innovative is a highlight of the book Glenn Man author of *Radical Visions American Film Renaissance 1967-1976* *Who's who in American Film Now* James Monaco,1981 **Take One's Essential Guide to Canadian Film** Wyndham Wise,2001-12-15 Take One's Essential Guide to Canadian Film is the most exhaustive and up to date reference book on Canadian film and filmmakers combining 700 reviews and biographical listings with a detailed chronology of major events in Canadian film and television history Compiled by Wyndham Wise the editor and publisher of Take One Canada's most respected film magazine with a foreword by Canadian director Patricia Rozema this is the only reference book of its kind published in English Each film title is listed with credits a mini review and significant awards Biographical listings of directors producers actors writers
