The Marriage Of:

The Marriage of Maria Braun Rainer Werner Fassbinder, 1986 Commentary and criticism on Fassbinder's film *The Marriage of Maria Braun* **The Marriage of Elinor** Маргарет Олифант, 2017-05-16 [The Marriage of Cana. A Sermon \[on John li. 11\], Etc](#) George Whitefield, 1740 *The Marriage of Cadmus and Harmony* Roberto Calasso, 2013-10-30 Presenting the stories of Zeus and Europa Theseus and Ariadne the birth of Athens and the fall of Troy in all their variants Calasso also uncovers the distant origins of secrets and tragedy virginity and rape A perfect work like no other Calasso has re-created the morning of our world Gore Vidal 15 engravings *Marriage and Divorce* James Bryce Bryce (Viscount), 1905

On Same-Sex Marriage, Civil Unions, and the Rule of Law Mark Strasser, 2002-10-30 The United States Constitution has already been interpreted to provide a variety of family related protections which if applied consistently also protect same sex couples and their children Only by radically reformulating and severely undermining existing protections can courts and commentators justify the claim that the Federal Constitution does not offer a wealth of family protections including the right to marry a same sex partner Discussing the constitutional implications of civil unions with a special focus on how they might be treated in the interstate context Strasser explains how the courts and commentators have reworked and significantly weakened a variety of constitutional protections in their attempts to establish that same sex couples are not afforded constitutional protections He further suggests that the constitutional protections for religion support rather than undermine the constitutional protection of same sex unions **The Present State of the Marriage Law Proved Unscriptural, and the Proposed Illogical** State, Philosophical Inquirer, 1860 [Marriage, Sexuality, and Gender](#) Robin West, 2015-12-03 *Marriage Sexuality and Gender* examines contemporary debates about the meaning and value of marriage The book analyzes arguments for traditional marriage including those of neonaturalists utilitarians and communitarians or virtue theorists The volume also considers a range of feminist welfarist and liberationist arguments for ending the institution altogether It evaluates two major reform movements one focused on expanding marriage to include same sex couples and the other focused on the use of law to render marriage more internally just The book concludes with a plea to activists to redirect marriage equality movements toward the creation of an entirely secular civil union law that would respect a broader range of private life long commitments including but not limited to same and opposite sex couples without threatening the role of religious marriage in the lives of those who embrace it and without penalizing nonparticipants *Marriage and Sexuality in Medieval and Early Modern Iberia* Eukene Lacarra Lanz, 2002-06-14 First published in 2002 This fascinating collection of essays examines the politics of gender and desire in premodern Iberia Eukene Lacarra Lanz brings together a group of noted specialists in Arabic as well as Castilian Catalan and other Romance languages to investigate the changes that affected marriage and sexuality over the course of the millennium from approximately 650 to 1650 A D The contributors utilise a variety of literary and philosophical texts legal documents and medical treatises to explore a broad range of topics such as

shrew taming wedding rituals wet nursing cross dressing sodomy and moral pornography The volume s interdisciplinary approach traces the origins and genealogies of the predominant discourses on these subjects that engaged the minds of medieval and premodern writers moralists politicians and scientists alike Marriage and sexuality in Medieval and Early Modern Iberia offers a rich history and insightful analysis of some of the central themes of Hispanic literary and cultural life
