## **The Guide False Religion Volume 1 Topical:**

A Topical Guide to the Koran & Sharia Law Robert Maddock, 2020-03-17 This book is based on the 1734 translation of the Koran by George Sale This translation is in King James English making comparisons between it and the King James Bible easily This is a topical guide that will take a word or short phrase and find it in every verse of the Koran where it appears These verses are placed together so that the reader can readily determine the context and therefore the meaning of the word or phrase In some instances such as the word jihad which does not appear in the Sale translation it is traced in the University of Michigan's online translation of the Koran There it appears thirteen times but in only two does it mean an internal struggle In the other eleven it means warfare When analyzing words and phrases in the Koran it is important to know when they were received and written It is also important to know that the Koran includes material that seems to come from other sources This has been outlined in volume 2 of the 1 300 Years War As noted in volume 1 of the 1 300 Years War Muhammad PBUH has been thought by many for over 150 years to have suffered from temporal lobe epilepsy associated with visual and auditory hallucinations These seizures last less than three minutes It is therefore important to know which suras might have come from a single episode A table shows this in volume 1 table 8 Many scholars divide the Koran into four major periods early Mecca AD 610 615 mid Mecca AD 616 late Mecca AD 617 621 and Medina AD 622 632 The analysis of the verses in these periods found that militancy against non Muslims progresses 7 7 percent of the verses from early Mecca are militant This rises to 10 6 percent in the mid Mecca period and 18 3 percent in the late Mecca period It tops out at 29 3 percent in the Medina period The colored version of the topical guide shows these periods in black blue green and red In the black and white edition it shows these four periods of the Koran in plain italics boldface italics regular plain type and boldface regular type The reason this division is important is the doctrine of abrogation 2 106 given early in the Medina period This states that verses given later may nullify verses given earlier Thus many peaceful verses given in the early parts of the Koran may be nullified by the verse of the sword 9 5 given later toward the end of the prophet's life Slay the idolaters wherever you find them So far as I have been able to determine there has been no stylistic analysis of the Koran A person studying the Koran or the history of Islam will find this work most valuable

**The Complete Topical Guide to the Bible** Martin Hugh Manser, Alister McGrath, J. Packer, Donald Wiseman, 2017-05-02 The Complete Topical Guide to the Bible provides Scripture references definitions and cross references for the study of the Bible by topic The topical approach differs significantly from the lexical approach of a concordance and a topical guide is an essential supplement to a concordance While a concordance is limited to the connection of biblical passages in which the same word appears the topical approach identifies and connects all of the underlying concepts related to a topic A concordance would not yield John 3 16 for a study of grace because the word grace does not appear in the verse but The Complete Topical Guide to the Bible includes John 3 16 for grace because it is an essential verse on the topic The topics in this resource include biblical doctrinal and historical subjects and they are

organized into nine major categories God Jesus Christ the Holy Spirit creation humanity sin and salvation God's people the life of the believer and the last things In addition to the great themes of the biblical message practical issues of Christian living are also included *The New Topical Text Book* R.A. Torrey, 1897 *The new topical text book, a Scripture text book, with intr. by R.A. Torrey* Reuben Archer Torrey, 1897 *The New Topical Text Book*, 1897 **The Layman's Guide To Rightly Dividing The Word of Truth** Karry Easley, 2019-06-10 Inside this book are guidelines that I believe one must follow if they are to rightly understand God's Word If we follow these guidelines we will be able to know God's will and his truth God does not intend for us to know everything in this life for faith is crucial to the Christian life but that which He is willing to share is there inside His Word However one must know how to approach it This book not only show you how to do this but gives examples of it being applied It also covers many biblical doctrines using this format to show how these doctrines must be understood **The Visual Bible Study Guide Volume 1** Jay A.
