Durham,2008-06-01 In A Southern Moderate in Radical Times David I Durham offers a comprehensive and critical appraisal of one of the South s famous dissenters Against the backdrop of one of the most turbulent periods in American history he explores the ideological and political journey of Henry Washington Hilliard 1808 1892 a southern politician whose opposition to secession placed him at odds with many of his peers in the South s elite class Durham weaves threads of American legal social and diplomatic history to tell the story of this fascinating man who living during a time of unrestrained destruction as well as seemingly endless possibilities consistently focused on the positive elements in society even as forces beyond his control shaped his destiny A three term congressman from Alabama as well as professor attorney diplomat minister soldier and author Hilliard had a career that spanned more than six decades and involved work on three continents He modeled himself on the ideal of the erudite statesman and celebrated orator and strove to maintain that persona throughout his life As a member of Congress he strongly opposed secession from the Union No radical abolitionist Hilliard supported the constitutional legality of slavery but working in the tradition of the great moderates he affirmed the status quo and warned of the dangers of change For a period of time he and like minded colleagues

succeeded in overcoming the more radical voices and blocking disunion but their success was short lived and eventually overwhelmed by the growing appeal of sectional extremism As Durham shows Hilliard s personal suffering tempered by his consistent faith in Divine Providence eventually allowed him to return to his ideological roots and find a lasting sense of accomplishment late in life by becoming the unlikely spokesman for the Brazilian antislavery cause Drawing on a large range of materials from Hilliard s literary addresses at South Carolina College and the University of Alabama to his letters and speeches during his tenure in Brazil Durham reveals an intellectual struggling to understand his world and to reconcile the sphere of the intellectual with that of the church and political interests A Southern Moderate in Radical Times opens a window into Hilliard s world and reveals the tragedy of a visionary who understood the dangers lurking in the conflicts he could not control *Harper's New Monthly Magazine* ,1869 Harper's New Monthly Magazine Henry Mills Alden,1869 Harper s informs a diverse body of readers of cultural business political literary and scientific affairs **The English Catalogue of Books [annual]** Sampson Low,1923 Vols for 1898 1968 include a directory of publishers **The Complete Works** E. but the authorities refused to see her Being black nearly 50 rather stout and gloriously loud in every way she was obviously unsuitable Undaunted Mary travelled to Balaklava under her own steam to build the British Hotel just behind the lines It was an outrageous venture and a huge success she became known and loved by everyone from the rank and file to the royal family For more than a century after her death this remarkable woman was all but forgotten This the first full length biography of a Victorian celebrity recently voted the greatest black Briton in history brings Mary Seacole centre stage at last
