His teachings and wisdom on this subject This narrative from the voice of God expresses His deep desire for all to know of His great love for all people He seeks for all to have wellness of body mind and spirit The Concept of Freedom in the Writings of St. Francis de Sales Eunan McDonnell,2009 Through the examination of the concept of freedom in the writings of St Francis de Sales the author concludes that in contradistinction to a contemporary understanding of freedom perceived as self determination a Salesian understanding privileges freedom s relationship to the good This situates St Francis de Sales in the classical Thomistic tradition of freedom s necessary relationship to the good but involves a methodological shift as he employs the Renaissance starting point of the turn to the subject This study demonstrates how St Francis arrives inductively at what St Thomas demonstrated deductively namely the essential relationship of freedom to the good Along with this Thomistic influence the author analyses the Salesian indebtedness to Augustinian anthropology which explains the primacy St Francis gives to the will and consequently to love Love understood as the heart s movement towards the good allows the Salesian approach to move beyond the confines of a traditional faculty psychology to embrace a more biblical understanding of the human person This examination of love s relationship to freedom reveals their teleological and archaeological natures coming back to our origins wherein we discover the source of our freedom bestowed on us as a gift from God Daylight for the Soul Beth Freeman,2021-11-09 We are all on our own spiritual journeys no one person s path is identical to another s Yet we all have much in common We all succumb to fear at times We all struggle with accepting reality as it is and ourselves as we are And we all strive to increase our abilities to center our lives and our choices from a place of love Daylight for the Soul is meant for anyone who wants guidance on the path of peace and love With fifty two meditations on such topics as attachment courage and compassion this book provides counsel in spiritual growth and helps you find inner peace Author Beth Freeman has spent three years gathering and meditating on these teachings from the spiritual masters and their insights inspire us as we reflect on our own lives and the ways we can more fully embrace love over fear **Soul Freedom** E. The Oneness of the Eastern

Heart and the Western Mind Sri Chinmoy, 2014-03-22 This historic collection of all of Sri Chinmoy's university lectures in eBook form has been released to commemorate the 50th anniversary of Sri Chinmoy's arrival in the West on 13 April 1964. Sri Chinmoy's very first university lecture was given at the University of the West Indies in Kingston, Jamaica, on 10 January 1968. It was entitled 'Spirituality: What It Is and What It Is Not'. This inaugurated a whole era of talks which saw Sri Chinmoy travelling ceaselessly across the length and breadth of America and around the world to address the youth of each country. He would spend countless hours travelling by car or train to reach far-flung universities, sometimes visiting two or even three in the course of a single day. After many of these sublimely inspiring discourses, he would answer questions from the audience or spend time instructing sincere seekers in the age-old practices of concentration, meditation, and contemplation. By the mid-seventies, Sri Chinmoy had spoken volumes, and he began to include longer and longer periods of silent meditation in his lectures. Then, in 1984, in a significant departure from the spoken word, he introduced the theme of Peace Concerts. At these concerts, Sri Chinmoy would play his own soulful and devotional compositions on a variety of instruments of both Eastern and Western origin, meditating between each instrument and sometimes giving aphorisms on peace and related themes. In 2003, yet another form of Sri Chinmoy's self-offering unfolded when he travelled to a number of universities to honour distinguished professors for their significant contributions to the betterment of humanity by physically lifting them overhead. This remarkable endeavour was part of his 'Lifting Up the World With a Oneness Heart' award programme. Thus, through words, silence, music, and a combination of physical and spiritual upliftment, Sri Chinmoy has shared his profound spiritual message with the aspiring Truth-seekers and God-lovers of the university world for four decades. Sri Chinmoy's words are mantras for the modern age, reverberating in our hearts with their timeless and truly life-transforming wisdom. In his exquisite prose, which is suffused with the very breath and cadence of poetry, Sri Chinmoy has revealed all the many stages of the seeker's journey towards the Golden Shores of the ever-transcending Beyond. For generations to come, these three volumes will awaken the inner mounting cry of seekers everywhere to achieve the highest Goal of Yoga: union with God in this life.

Retrieving Freedom D. C. Schindler, 2022-10-15 Retrieving Freedom is a provocative big picture book taking a long view of the rise and fall of the classical understanding of freedom. In response to the evident shortcomings of the notion of freedom that dominates contemporary discourse, Retrieving Freedom seeks to return to the sources of the Western tradition to recover a more adequate understanding. This book begins by setting forth the ancient Greek conception summarized from the conclusion of D. C. Schindler's previous tour de force of political and moral reasoning, Freedom from Reality, and the ancient Hebrew conception arguing that at the heart of the Christian vision of humanity is a novel synthesis of the apparently opposed views of the Greeks and Jews. This synthesis is then taken as a measure that guides an in-depth exploration of landmark figures framing the history of the Christian appropriation of the classical tradition. Schindler conducts his

investigation through five different historical periods focusing in each case on a polarity a pair of figures who represent the spectrum of views from that time Plotinus and Augustine from late antiquity Dionysius the Areopagite and Maximus the Confessor from the patristic period Anselm and Bernard from the early middle ages Bonaventure and Aquinas from the high middle ages and finally Godfrey of Fontaines and John Duns Scotus from the late middle ages In the end we rediscover dimensions of freedom that have gone missing in contemporary discourse and thereby identify tasks that remain to be accomplished Schindler s masterful study will interest philosophers political theorists and students and scholars of intellectual history especially those who seek an alternative to contemporary philosophical understandings of freedom

Pagan Aguiar,Terese Auer,2009 Collection of essays on the metaphysical underpinnings of intellectual and individual freedom within a civic political order or cultural milieu Provided by publisher *The Philosophy of Freedom (the Philosophy of Spiritual Activity)* Rudolf Steiner,1999 This special reprint featuring the acclaimed translation by Michael Wilson is being made available again in response to public demand Are we free whether we know it or not Or is our sense of freedom merely an illusion Rudolf Steiner tackles this age old problem in a new way He shows that by taking account of our own activity of thinking we can know the reasons for our actions And if these reasons are taken from our world of ideals then our actions are free because we alone determine them But this freedom cannot be settled for us by philosophical argument It is not simply granted to us If we want to become free we have to strive through our own inner activity to overcome our unconscious urges

and habits of thought In order to do this we must reach a point of view that recognizes no limits to knowledge sees through all illusions and opens the door to an experience of the reality of the spiritual world then we can achieve the highest level of evolution

God's Guide to Freedom Carl Barrett, 2023-04-13 In a society where so many people feel helpless and hopeless they need to grasp onto someone who will release them from the bondage preventing them from attaining the beautiful things God has in store So often we don't know how to fight our spiritual battles leading to a weakened and defeated spirit This state of delusion and confusion is only the work of a dark force that's keeping people shackled in chains and suppressing their glorious life of liberty in Jesus Christ We all long for a life full of peace purpose and a plan that will lead to a glorious journey with the presence of our Lord every step of the way The reality of believing in Jesus obeying his word and knowing the truth brings spiritual freedom And such a privilege includes freedom from the bondage of falsehood For his truth sets us free This forty day devotional guide through Exodus will show us times of being in bondage to a stage of deliverance to wandering in the wilderness and how to rely on the strength and guidance of an Almighty God And that's where spiritual freedom comes to the surface in our intentional lives
