The Hidden Animorphs 39:

The Hidden (Animorphs #39) K. A. Applegate, 2017-08-29 The Yeerks have discovered and repaired a damaged Helmacron ship They know of its morph seeking capabilities and they plan to use the ship to capture the Andalite bandits And to find Elfangor's blue cube The one that gave the kids the ability to morph Cassie and the other Animorphs are in a pretty bad situation They can't leave the cube in one place they can't morph without being discovered and they have to keep moving It looks like this may be a battle the Visser can't lose *The Hidden #39* K. A. Applegate, 2000 The pint sized Helmacrons may have departed Earth but they haven't finished causing trouble for the Animorphs They left behind morph tracking technology Now the Yeerks are launching a full scale Animorphs hunt *The British National Bibliography* Arthur James Wells, 2001 **The Arrival (Animorphs #38)** K. A. Applegate, 2017-08-29 Andalites have finally arrived on Earth Ax and the other Animorphs now have allies willing to fight against the Yeerk invasion But there are only four Andalites Not nearly enough to defeat thousands of Yeerks Not enough to stop humans from being infested Everyone agrees that the battle must continue but the Andalites don't want to fight alongside humans They feel their skills will be less than adequate And they demand that Ax choose a side Will Ax stay with his friends or stand with his people **The Change (Animorphs #13)** K. A. Applegate, 2017-06-27 Tobias has gotten used to his new life He's a red tailed hawk with the mind of a kid It was difficult when he first became trapped in his morph but he's started to come to terms with things After all how many kids actually get the chance to fly But now Tobias is about to make a very difficult choice a choice that the other Animorphs know nothing about And it could mean the difference between living the rest of his life as a hawk and being human **The Extreme (Animorphs #25)** K. A. Applegate, 2017-07-25 Marco and the other Animorphs have managed to find out where the Yeerks are planning to build their next ground based Kandrona That's a good thing But the location is supposed to be somewhere near the North Pole That's a bad thing The Animorphs know that the Yeerks are a cold blooded species but this is a little nuts Who wants to be near the North Pole without Arctic morphs and wearing spandex Even so the kids know that if the Yeerks succeed with their plan Earth is pretty much done for And Marco and the other Animorphs aren't quite ready to give up the fight **The Andalite Chronicles (Animorphs)** K. A. Applegate, 2018-03-27 Elfangor Sirinial Shamtul is an Andalite war prince the one who gave the Animorphs the power to morph The Andalite Chronicles is the story of how this warrior cadet ended up on planet Earth Ages 9 12 Pub 12 97 *The Separation (Animorphs #32)* K. A. Applegate, 2017-07-25 Rachel is falling apart Literally Her newest morph has the ability to regenerate its limbs but when Rachel demorphs there's a lot more Rachel than when she started out One more Rachel to be exact Rachel is an okay person to have around but two could be considered overkill Especially two Rachels with completely opposite personalities one is pathetically weak one is super strong and super nasty Now the Animorphs have to figure out a way to put Rachel back together again Because if it's up to the twins Rachel the weak will surrender to Visser Three Rachel the super bold will try to single handedly take him down And twice the

trouble may be twice as much as the other Animorphs and Ax can handle *The Other (Animorphs #40)* K. A.

Applegate,2017-08-29 Ax and the Animorphs have always believed Ax was the only non infested Andalite on Earth That he alone survived the terrible battle between his people and the Yeerks Until now There were other survivors Other Andalites And they re here on Earth Trying to keep a low profile Trying to find a way to defeat Visser Three Trying like Ax and the Animorphs to stay alive until help finally comes If help finally comes *The Mutation (Animorphs #36)* K. A.

Applegate,2017-08-29 Visser Three is still trying to find a way to reach the Pemalite ship that was hidden thousands of feet below the ocean s surface The ship contains technology so advanced that it s superior to anything even the Andalites have built And this time the Visser plans to find the ship so he can use the power to complete Earth s invasion Jake and the other Animorphs acquire additional deep sea morphs in order to stop the Visser s plan But while trying to destroy the Yeerk ship the kids make a startling discovery an underwater civilization Have the kids discovered Atlantis or is it just another trap

The Warning (Animorphs #16) K. A. Applegate,2017-06-27 Jake s made a pretty amazing discovery It seems like there may be other people who know about the alien invasion of Earth Others who know about the Yeerks Jake finds a website devoted to revealing the existence of the Yeerks but he and the other Animorphs suspect it might be too good to be true If they try to investigate the site and it s a trap the Yeerks could find out who they are If they don t check it out they ll never know if they re the only ones fighting Whatever Jake and the others decide to do they ve got to move quickly because Visser Three isn t the only one dying to meet them **The Experiment (Animorphs #28)** K. A. Applegate,2017-07-25 The Yeerks have decided to try a little experiment They ve decided that if they can develop a way to make people more willing to be infested they can speed up Earth s invasion So the Yeerks try to invent a substance that will take away the human ability to make a decision A substance that will eliminate free will Now the Animorphs are not only faced with trying to slow down the Yeerks invasion but they also have to put an end to the genetic testing on a small group of humans This time there s only one chance to stop the Yeerks And if anything goes wrong it s all over *The Forgotten (Animorphs #11)* K. A.

Applegate,2017-06-27 There s been an accident Someone crash landed a Yeerk Bug fighter and the Yeerks have been trying to cover it up quickly When Tobias spots it before they get the chance the Animorphs decide to steal the ship to show the world that Earth has been invaded That s when things go terribly wrong Before they know it Jake and the other Animorphs find themselves in another place Another time And there s no way home **The Solution (Animorphs #22)** K. A.

Applegate,2017-07-25 David the newest Animorph is not what he appears His need to control the other Animorphs is all he thinks about And the things he does are starting to break up the group Rachel and the others know that time is running out The newest battle against the Yeerks is the most important one yet And it s not one that will wait Winning this fight could mean slowing down the invasion But no one knows what to do with David Because the newest Animorph is more than just a little problem He s deadly **The Pretender (Animorphs #23)** K. A. Applegate,2017-07-25 Someone s looking for Tobias

Someone who says she's his long lost cousin Tobias isn't sure the person is telling the truth but she's really nice and knows a lot about him And what she tells Tobias definitely gets his attention It seems a lawyer has discovered Tobias's father's last will and testament So Tobias needs to attend the reading His cousin even offers to go along But something just doesn't feel quite right That's when Tobias and the other Animorphs decide to do a little checking on this cousin And what they discover will change the rest of Tobias's life

The Capture (Animorphs #6) K. A. Applegate, 2012-03-01 The wildly popular books by K. A. Applegate are back The Animorphs return in this update of the classic series It was bad when Jake found out his brother was one of them A Human Controller A slave But that was nothing compared to this When the Animorphs decide to visit the Yeerks' new base it seems simple But then they get caught and Jake falls just for a moment into the Yeerk pool Now they're out and his friends can't see it To them he's just like normal But Jake is screaming for help His worst fear has finally come true He's become the enemy

The Sacrifice (Animorphs #52) K. A. Applegate, 2017-09-26 The war between the Yeerks and the Animorphs is still raging There are no more secrets but there are plenty of lies The kids are fighting harder than they ever thought they could And they're about to make the biggest decision they've ever had to face A decision that may eventually break them all Ax and the Animorphs know that destroying the Yeerk pool would give them a huge chance to take back Earth And they've figured out a way to do it But there's no way to destroy the pool without also destroying the innocent humans caught by the Yeerks But there's no more time to think about it There's only yes or no

The Weakness (Animorphs #37) K. A. Applegate, 2017-08-29 When Jake has to leave town for a family thing the other Animorphs and Ax figure life will pretty much be normal until he gets back But when Tobias discovers Visser Three's newest feeding place the kids decide they have to check it out But there's no assigned leader Now Rachel Tobias Cassie Marco and Ax have a problem Who will be the best one for the job Because being in charge isn't just guts and glory It's about making decisions that will mean the difference between life and death

The Beginning (Animorphs #54) K. A. Applegate, 2017-09-26 No one ever thought it would come to this Jake Rachel Tobias Cassie Marco and Ax know that even if they could have warned people in the beginning no one would have believed their story A story about an invasion of parasitic aliens So for all this time Jake and the other Animorphs have secretly fought a desperate battle Secretly held the Yeerks at bay But those days are over It's come down to the final battle between the Yeerks and Animorphs And no one knows who will win lose or live

The Test (Animorphs #43) K. A. Applegate, 2017-08-29 Tobias and the other Animorphs have seen things so bizarre that no sane person would believe their story No one would believe that aliens have taken over the Earth and are in the process of infesting as many humans as possible No one could believe the battles and missions and losses these six kids have had to deal with And it's not over yet Tobias has been captured by the same human Controller that nearly tortured him to death once before She claims that now she's a part of the Yeerk peace movement That she just needs a favor Tobias isn't sure what to believe but he knows that if the Animorphs don't find him soon what he believes won't matter anymore
