McIlvaine, 2023-01-13 What will you learn from this book How to save yourself from worrying about the things you do not have How to never have to make another apology How to change yourself not your spouse To remember the Law Love Appreciate and Want Your six action words to Happiness Creativity Commitment Compromise Choice Communication and Cooperation Abuse is Toxic Eliminate it How to honor each other s interests and needs If mama ain t happy ain t nobody happy Happiness is within your reach *Eugenical News*, 1926 [Spiritual Exercises for Married Couples: Finding Our Way Together: a Retreat for Companions](#) Krisztina Stangle, John Stangle, 2010-07-27 A spiritual and psychological method of decision making and discernment about life styles based upon the centuries old Christian Spiritual Exercises of St Ignatius of Loyola updated and made more relevant for married couples and companions [Your Happy Marriage: 27 Lessons Learned from 27 Years of Married Life](#) Boni and Alice Belen, 2022-03-14 Boni and Alice are the co authors of Your Happy Marriage 27 Lessons Learned from 27 Years of Married Life They wrote this journal of their married life in their desire to share their poignant and personal experiences practical insights and Christian principles for those engaged or already married Boni and Alice are hopeful that the 27 lessons they share will help provide a renewed impetus as couples navigate through the joyful and rough and tumble terrains of that greatest adventure of all human loves called Marriage **So, You Want to Get Married? (eBook)** Michael Cassidy, 2010-02-05 The long term success of a marriage depends heavily on how well spouses adjust during the early years Getting good advice early on helps couples manage expectations and encourages them to prepare by discussing key issues SO YOU WANT TO GET MARRIED consists of 12 letters that the author wrote to an engaged couple some years ago The informal letter format provides a useful tool to share insights that are significant to young lovers who are in the process of courtship or who are engaged The author s sincere prayer is that these pages will touch readers lives in a deep and wonderful way and serve as reminders that Jesus Christ is the Author of marriage and as such is the Way the Truth and the Life in this as in every area of life **After the Happily Ever After: Empowering Women and Mothers in Relationships** Linda Rose Ennis, 2017-09-01 This book is about the two tiered system and invisible imbalance that operates within the framework of the family It is about the fantasy of the happily ever after which the wedding industry promotes and Western society reinforces Why are we hanging onto this faux happiness at the expense of our future well being Why don t we wonder what happened after they lived happily ever after and if in fact they really do

What I hope to achieve by writing this book is to rattle the cage of young brides about to embark on this journey to talk about these issues with their future partners and to set the system up in a more equal way so no one is caught off guard if and when things crumble It will be difficult to achieve this task because no one wants to think about things falling apart before the marriage even begins and most certainly it sours the sweetness of the fantasy of the happily ever after as we know it What we don't realize is that there will be less bitterness and upset for the family especially for the children if we pursue this line of thinking Isn't that the real happily ever after

**Congressional Record** United States. Congress, 2000

*Same Sex Marriage and Church Law: A liberal evangelical call for greater inclusivity within Christianity according to scripture* Kevin Mahoney, 2014-11-04 In this book layperson Kevin Mahoney argues that Christian churches should embrace same sex marriage Although many conservative Christians reject homosexuality due to the laws of Moses Kevin points out that very few if any of these three thousand year old Mosaic laws are upheld today and that homophobia is contrary to the spirit and manner of our Lord Jesus Christ Jesus himself never condemned homosexuality however He did illuminate the hypocrisy of the Pharisees Kevin argues that the Pharisees are very much alive today in the form of conservative Christians that proscribe homosexuality Since most of the laws against homosexuality around the world have a religious basis then this book's demolition of the conservative Christian argument against homosexuality will also be instructive for non religious LGBT rights campaigners Using the Parable of the Prodigal Son as an analogy Kevin outlines how liberal and conservative Christians can finally agree on the divisive issue of same sex marriage
