Alfred Edersheim, 2018-01-30 The Life and Times of Jesus the Messiah Volume 2 Alfred Edersheim, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1883 edition Excerpt must be due to the exceeding compression in the language of St Matthew and to this that Christ would purposely leave indefinite the interval between the desolation of the house and His own Return Another point of considerable importance remains to be noticed When the Lord on quitting the Temple said Ye shall not see Me henceforth He must have referred to Israel in their national capacity to the Jewish polity in Church and State If so the promise in the text of visible reappearance must also apply to the Jewish Commonwealth to Israel in their national capacity Accordingly it is suggested that in the present passage Christ refers to His Advent not from the general cosmic viewpoint of universal but from the Jewish standpoint of Jewish history in which the

destruction of Jerusalem and the appearance of false Christs are the last events of national history to be followed by the dreary blank and silence of the many centuries of the Gentile dispensation broken at last by the events that usher in His Coming 11 st Luke xi 21 ic Keeping m mind then that the disciples could not have conjoined the desolation of the Temple with the immediate Advent of Christ into His Kingdom and the end of the world their question to Christ was twofold When would these things be and What would be the signs of His Royal Advent and the consummation of the Age On the former the Lord gave no information to the latter His Discourse on the Mount of Olives was directed On one point the statement of the Lord had been so novel as almost to account for their question Jewish writings speak very frequently of the so called sorrows of the Messiah Chevlei shel Meshiachbl hsh ii These were partly those of the Messiah an The Life and Times of Jesus the Messiah: From the manger in Bethleham to the baptism in Jordan Alfred Edersheim, 1904 The Life and Times of Jesus the Messiah, Vol. 1 of 2 (Classic Reprint) Alfred Edersheim, 2015-07-09 Excerpt from The Life and Times of Jesus the Messiah Vol 1 of 2 IN issuing a new edition of this book I wish in the first place again to record as the expression of permanent convictions and feelings some remarks with which I had prefaced the Second Edition although happily they are not at present so urgently called for With the feelings of sincere thankfulness for the kindness with which this book was received by all branches of the Church only one element of pain mingled Although I am well convinced that a careful or impartial reader could not arrive at any such conclusion yet it was suggested that a perverse ingenuity might abuse certain statements and quotations for what in modern parlance are termed anti semitic purposes That any such thoughts could possibly attach to a book concerning Him Who was Himself a Jew Who in the love of His compassion wept tears of bitter anguish over the Jerusalem that was about to crucify Him and Whose first utter ance and prayer when nailed to the Cross was Father forgive them for they know not what they do would seem terribly incongruous and painful Nor can it surely be necessary to point out that the love of Christ or the understanding of His Work and Mission must call forth feelings far different from those to which reference has been made To me indeed it is difficult to associate the so called Anti Semitic movement with any but the lowest causes envy jealousy and cupidity on the one hand or on the other ignorance prejudice bigotry and hatred of race But as these are times when it is meces sary to speak unmistakably I avail myself of the present opportunity to point out the reasons Why any Talmudic quotations even if fair can have no application for anti semitic purposes About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www forgottenbooks com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
