LIFE & TIMES OF JOSEPH GOULD M W. H. Higgins,2016-09-10 **The Story of the**

Counties of Ontario Emily Poynton Weaver,1913 *'Union is Strength'* Albert Schrauwers,2009-05-23 Nineteenth century Canada experienced two other revolutions apart from those of W L Mackenzie and Louis Riel the transition to capitalism and to responsible government *Union Is Strength* argues that these major socio political changes happened in Ontario without a revolutionary moment because of the intertwined relationship of reformers with capitalists Examining a small utopian socialist group named the Children of Peace Albert Schrauwers traces the emergence of a vibrant democratic culture in the province from the decade before the Rebellions of 1837 Schrauwers shows how the overlapping boards of unincorporated joint stock companies managed by both Toronto reformers and the Children of Peace produced a culture of deliberative democracy in competition with the gentlemanly capitalism of chartered corporations Noting the ways in which Ontario's capitalist and democratic revolutions were linked through cooperative joint stock operations he also situates these revolutions in an international context and links them to the development of Owenite socialism and Chartism in the United Kingdom *Union Is Strength* is an insightful study of both nineteenth century Canada and the ways in which regional political cultures arise

Stories of Newmarket Robert Terence Carter,2011-04-15 Newmarket one of the oldest communities in Ontario was founded on the Upper Canadian frontier in 1801 by Quakers from the United States Behind Newmarket's history are the people tradespeople aspiring or experienced politicians rebels and war heroes Here are their stories all illuminating the early history of Newmarket

Life and Times in Hopkinton, N.H. Charles Chase Lord,1890 **Early Life in Upper Canada** Edwin C. Guillet,1933-12-15 Although there were abundant hardships early life in Upper Canada was romantic and colourful in many ways However despite important contributions to the social and economic history of Canada few good comprehensive accounts have been generally available *Early Life in Upper Canada* originally published in 1933 is by far the finest history yet compiled and it is now being reprinted in order to make available to a new generation an important and engrossing description of this area of Canadian history The author a distinguished Canadian historian has drawn on contemporary letters diaries newspapers and periodicals as well as consulting all the existing histories and he has supplemented these researches with interviews with persons who had personal contacts with early life in the Province Mr Guillet has compiled a thorough accurate and delightfully readable history that brings vividly to life the early settlers and their experiences This is in accordance with the author's profound desire to make the study of Canadian history a delight rather than a chore He has not concealed the unpleasant aspects of pioneer life nor does he attempt to glamorize its difficulties There is a tendency at times to forget that the founders of Upper Canada include hundreds of thousands of men and women of many nationalities and fur traders lumbermen and voyageurs as well as settlers Their contributions too are acknowledged and recorded here This book is profusely illustrated with drawings made in many cases by army cartographers who were skilled creative artists as well Their paintings fortunately have been better preserved than were written accounts of the times and are accurate depictions of pioneer life The extensive bibliography and carefully prepared index will make

this work invaluable for historians as well as for general readers Scugog Carrying Place Grant Karcich, 2013-03-30 The story of the Scugog Carrying Place is a multifaceted one but at the core of the story is the mystery of a forgotten cabin in the woods the story of which has not been completely told until now Included is an exploration of how our historical heritage is being sacrificed in the race to develop farmland into industrial land
