The Limerick Anthology:

The Limerick Anthology Jim Kemmy, 1996-01-01 **The Limerick** Sergei Mikhail Tolstoi, 2005-01-01 What is a Limerick The limerick is an erotic stanza stronger than spirits hotter than vice and a little less sensuous than the act of love In this classic collection one encounters the peoples of all nations in ribald and bawdy situations more enlightening than an X rated film This book has one of the largest collections of limericks in the world Most are in English and some in French German and Latin An extensive bibliography and notes and variants are included to make this collection one of the rarest and zaniest of its kind A team playing baseball in Dallas called the umpire a shit out of malice While this worthy had fits the team made eight hits And so did a girl in the bleachers named Alice Classic limericks however shocking in theme and language have developed an aura of respectability You ll find one or more that will titillate your spine and if you don t then certainly you ll be inspired to make up one of your own CONTENTS Sources I Little Romances II Organs III Strange Intercourse IV Oral Irregularity V Buggery VI Abuses of the Clergy VII Zoophily VIII Excrement IX Gourmands X Virginity XI Motherhood XII Prostitution XIII Diseases XIV Losses XV Sex Substitutes XVI Assorted Eccentricities XVII Weak Sisters XVIII Chamber of Horrors XIX Addenda Bibliography Notes and Variants Index of Rhymes and Index of Names [There Once Was a Limerick Anthology](#) Michael Croland, 2022-08-17 Humor buffs and poetry lovers will laugh out loud with this captivating collection of more than 350 limericks featuring limerick legends plus renowned political figures poets and writers [Popular Catholicism in 20th-Century Ireland](#) Síle de Cléir, 2017-10-05 For much of the 20th century Catholics in Ireland spent significant amounts of time engaged in religious activities This book documents their experience in Limerick city between the 1920s and 1960s exploring the connections between that experience and the wider culture of an expanding and modernising urban environment S le de Cl ir discusses topics including ritual activities in many contexts the church the home the school the neighbourhood and the workplace The supernatural belief underpinning these activities is also important along with creative forms of resistance to the high levels of social control exercised by the clergy in this environment De Cl ir uses a combination of in depth interviews and historical ethnographic sources to reconstruct the day to day religious experience of Limerick city people during the period studied This material is enriched by ideas drawn from anthropological studies of religion while perspectives from both history and ethnology also help to contextualise the discussion With its unique focus on everyday experience and combination of a traditional worldview with the modernising city of Limerick all set against the backdrop of a newly independent Ireland Popular Catholicism in 20th century Ireland presents a fascinating new perspective on 20th century Irish social and religious history **The Raccoon River Anthology** Gordon K.
