The Maidens Bequest:

The Maiden's Bequest George MacDonald, 1985 Rev ed of Alec Forbes of Howglen 1865 Orphaned as a child Annie's special friendship with Alec is a source of strength and security which sees them both through many difficulties in their nineteenth century Scotland *The Maiden's Bequest; the Minister's Restoration; the Laird's Inheritance* George MacDonald, 1998 3 novels by Scottish Christian author **The Reformation in Essex** James E. Oxley, James Edwin Oxley, 1965 **Altarpieces and Their Viewers in the Churches of Rome from Caravaggio to Guido Reni** Pamela M. Jones, 2017-07-05 A social history of reception this study focuses on sacred art and Catholicism in Rome during the late sixteenth and seventeenth centuries The five altarpieces examined here were painted by artists who are admired today Caravaggio Guercino and Guido Reni and by the less renowned but once influential Tommaso Laureti and Andrea Commodi By shifting attention from artistic intentionality to reception Pamela Jones reintegrates these altarpieces into the urban fabric of early modern Rome allowing us to see the five paintings anew through the eyes of their original audiences both women and men rich and poor pious and impious Because Italian churchmen relied after the Council of Trent on public altarpieces more than any other type of contemporary painting in their attempts to reform and inspire Catholic society it is on altarpieces that Pamela Jones centers her inquiry Through detailed study of evidence in many genres including not only painting prints and art criticism but also cheap pamphlets drama sermons devotional tracts rules of religious orders pilgrimages rituals diaries and letters Jones shows how various beholders made meaning of the altarpieces in their aesthetic devotional social and charitable dimensions This study presents early modern Catholicism and its art in an entirely new light by addressing the responses of members of all social classes not just elites to art created for the public It also provides a more accurate view of the range of religious ideas that circulated in early modern Rome by bringing to bear both officially sanctioned religious art and literature and unauthorized but widely disseminated cheap pamphlets and prints that were published without the mandatory religious permission On this basis Jones helps to illuminate further the insurmountable problems churchmen faced when attempting to channel the power of sacred art to elicit orthodox responses **The Register of the Goldsmiths' Company** Lisa Jefferson, 2022 This three volume edition provides translations of the Goldsmiths Company Register of Deeds with full explicatory annotation and with a clear introduction to both the manuscript and the legal texts contained in it The Worshipful Company of Goldsmiths commonly known as the Goldsmiths Company is one of the twelve Great Livery Companies of the City of London This three volume edition provides translations of the company's Register of Deeds with full explicatory annotation and with a clear introduction to both the manuscript and the legal texts contained within Additionally the volumes contain detailed name and subject indexes The company's Register of Deeds has never been fully utilised by historians but it contains a record copy made from the fifteenth century onwards of the original deeds of the company's acquisitions of property from the reign of King Richard I to the seventeenth century These
