culture It is argued that this material culture is a vital tool with which to imprint the military's own image on new recruits as they embark on a process of de-individualisation Having been granted unprecedented access to the Commando Training Centre at Lympstone as an anthropologist Burchell observed an intake of recruits throughout their demanding and exhausting year-long training programme The resulting book presents to the academic community for the first time a theorised in depth account of a relatively unexplored social community and how its material culture creates and reifies new military identities This path-breaking interdisciplinary analysis provides fresh understanding of the multiple processes of military enculturation through a meticulous revision of the relationships that exist between disciplinary and punishment practices violence and masculinity narratives and personhood and will explore how these issues are understood by recruits through their practical application of body to physical labour and by the cues of their surrounding material culture **47**

Partridge, 2006 Entry includes attestations of the head word's or phrase's usage usually in the form of a quotation Annotation 2006 Book News Inc Portland OR booknews.com **Jungle Commandos** Lucy Betteridge-Dyson, 2025-10-09 Drawing on

unpublished first-hand accounts this is a gripping history of the experiences of the Commandos and their unsung allies in one of the bloodiest battles of the Burma Campaign Following the battles of Kohima and Imphal in mid-1944 the tide was turning against the Imperial Japanese Army By the end of that fateful year the Allies were preparing to launch an offensive in the Arakan region of Burma to deliver a knockout blow to the increasingly desperate Japanese 28th Army This fascinating new history details the actions of 3 Commando Brigade who would spearhead this attack in a series of daring amphibious landings into the depths of the Burmese jungle culminating in the brutal fight for Hill 170 They would be the only Commando Brigade to serve in the Far East yet their story has never before been told in detail With access to previously unseen primary sources this book is the story of the men who volunteered for a fight against a fearless enemy 5000 miles away from home in one of the most unforgiving environments in the world Thrown into combat with limited jungle training and scant resources it would

be a baptism of fire but the Commandos alongside the brave men of the Indian and West African Divisions of XV Corps would inflict a terrible defeat on an enemy once thought to be unbeatable Written by a granddaughter of a Commando veteran who fought at Arakan this new book shines a light on a largely forgotten yet crucial battle of World War II *The Last Heroes*
Gary Bridson-Daley, 2017-11-01 The Second World War is famed for being the conflict that changed the face of warfare and it is the last that changed the face of the world In addition to remembering those who passed away in those dark days of war a sincere debt of gratitude is owed to all those now in their twilight years who gave all that they had for King and Country In this new and revised third edition with additional material to celebrate the lives of D Day and Arnhem veterans Gary Bridson Daley presents 46 of over 150 interviews he conducted with veterans over recent years adding to the history books the words and the original poetry of those who fought and supported the war effort to ensure freedom peace and prosperity for generations to come From each corner of the British Isles and every armed service from Dam Buster George Johnny Johnson through to riveter Susan Jones heroes all
