Caught by the Collar Eugene Akins, 2018-02-06 Caught by the Collar is an attempt to shed light on the inaccuracies and inefficiencies in the teachings and methodology of teaching in the Pentecostal church In too many instances sincere followers of Christ are lost in a quagmire of unanswered questions and errant doctrine They end up with stunted or stagnant growth and sometimes turn away from Christ altogether In many cases these errors and confused teachings can be directly connected with the ideas that the Bible is confusing or contradictory It is unfortunate that for so many years so many church leaders have either failed to recognize this issue or have intentionally chosen not to address it In fact holding on to and continuing to teach ideology and principles that are out of line with scriptures sounds suspiciously like teaching another gospel which the Bible specifically

speaks against As a lifetime member of this denomination Eugene Akins has personally experienced the confusion caused when scripture is misinterpreted the failure that occurs when scripture is not implemented and the heartbreak that is precipitated by clergymen who should be in some other line of work Many of the members of these churches are caught in what they have been told versus what they know and understand They are caught in traditions and hand me down word bites versus the truth of the scriptures and when the clergy is primarily responsible for all this clutter church members are caught by the collar
